'Answers to Questions No.02' Received from Prospective Proposers

Question 1: Is it mandatory to submit Bid Security Form in English? Can we submit Turkish Bid Security Form?

Answer 1: As indicated in Amendment No.2 dated 10.06.2019, Question 12, All of the "Forms to be Filled in" including "Bid Security Form" shall be in English, based on templates given in English version of this ITB document.

Question 2: Ways of Work Completion Letter submission have already been defined in ITB and Answers to Questions. However, it is very difficult for contractors to obtain grid connection letters from utility companies. Can you please clarify if the Work Completion Letters from governmental bodies are acceptable, in case no grid connection letter is submitted?

Answer 2: Please note that "Grid Connection Letters" are not requested from prospective bidder for submission in the scope of this ITB. Please once again refer to the Amendment No.2, Question No.4 for detailed explanation of ways of submitting "Work Completion Letter".
