Dear Ms. Nino Taliashvili,

Thank you for your interest to participate in our announced RFP. Here are the answers to your questions:

1. In Case of Consortium Only lead Company is free from the VAT or either Lead and the member of Consortium?

UNDP Project is exempted from paying taxes, therefore, the total proposal budget should exclude VAT. The lead company as well as other members of consortium will be subject to the local tax laws.

2. Establishment of consortium should be evidenced by the duly notarized agreement or is it sufficient to provide only letter of intent to form a consortium as it is noted in form C?

The bidder may submit either the duly notarized agreement or a letter of intent, as long as the document is signed by all members and the collaboration scope is clear/responsibilities of each member are identified.

3. Is bidder obliged to provide detailed financial reports and documents? for example: when bidder rents venue, is there any obligation to provide payment receipts?

No, the contracted company will be responsible for submitting deliverables as described in the announced RFP. There is no need for financial reporting.

Please do not hesitate to contact me if there are any further questions.
