### **1. Background**

UNDP is one of the UN's global agencies that helps build capacities for development needs for a better life. Live Lebanon is one of UNDP Lebanon's local development projects operated under the Social and Local Development Program. Its primary objective is to bridge local development needs throughout the country with expatriate resources.

Live Lebanon has adopted various projects that have been developed through a national call for project proposals. These projects reflect pressing development needs in different parts of the country and fall under the sectors of health, environment, youth education and recreation; and income-generation. Examples of these projects include: the renovation of water reservoirs and pipelines for drinking water storage and distribution, restoration of irrigation canals for farmland irrigation, rehabilitation of school facilities and medical clinics, in addition to a number of other projects identified by local communities.

The United Nations Development Programme jointly with the Ministry of Foreign Affairs and Emigrants (MoFA) launched in 2009 the "Lebanese Expatriate Project – Live Lebanon Initiative" as a platform connecting Lebanese living abroad and the private sector with local communities to support the development of the unprivileged areas of Lebanon through the implementation of fast impact development projects. Live Lebanon is currently setting up an office at MoFA with a team to support the initiative.
