

Request for Proposal (RFP)

Assessment of Automation and Technologies in Garment Sector

The Clarification Note to Bidder's queries No 1

Process 21420

Reference to the above ITB, UNDP has received the below queries from bidders, and we would like to share the clarification as below:

No.	Questions	Answers
1	Parts of the TOR is to collect data. Do UNDP have a target sample size for this part of the TOR?	The sample size is 100 sample sizes. The revised ToR was uploaded in procurement notice website.
2	Can UNDP share any information on the budget allocated for this study?	The budget cannot be disclosed. The interested bidders require to propose the lump sum amount to deliver the outputs mentioned in the Term of Reference.
