

RESPONSE TO BIDDER #1

JUST/UNDP RFQ - Printing and Exterior Installation for full-wrap design of two (2) buses

- **Question:** Are we allowed to do a site visit on the vehicles?
 - ✓ A site visit will be held on Tuesday 12 November, 2019 at 10:00 am, at the Ministry of Justice.
Please send e-mail confirmation of attendance to procurement.jamaica@undp.org so your attendance can be registered.
- **Question:** Will the artwork for printing be done by the supplier or will it be prepared otherwise?
 - ✓ The Artwork has already been prepared by our in-house Graphic Designer.
- **Question:** Does the bus have an existing wrap that we would have to remove?
 - ✓ The buses do not have an exiting wrap, they are both plain white in colour
- **Question:** Will the widows be wrapped? and if so, are the windows included in the measurements provided. Is it possible to get separate measurements for the windows?
 - ✓ Based on the design option selected only the back window should be wrapped.
- **Question:** Kindly verify the measurements on the RFQ, which states 8,810 x 2,500 x 3,300mm (L x W x H). Normally we would only need length and width for the sides, back and front of vehicles.
 - ✓ The measurement provided was received directly from the Manufacturer of the Buses, however bidders will be given the opportunity to have this verified at the site visit.
