## Terms of Reference (TOR)

### 1.0. Background

The “Support to the Fulfilment of Human Rights, Access to Justice and Empowerment of Youth and Women Project” (2018 – 2021) is the joint Government – UNDP project that supports the realization of certain objectives of the National Development Plan 11 and Sustainable Development Goals. Two areas of focus for UNDP support under the Project are legal aid and disability.

The subject areas for this consultancy are clustered (see below) and therefore the bidder is expected to indicate which cluster they would be applying for. Bidders are free to apply for both or one of the clusters.

#### **Cluster 1:**

Legal Aid Botswana is a corporate body, established by an Act of Parliament, the Legal Aid Act No: 18 of 2013. The objectives of Legal Aid Botswana are to provide legal advice and legal representation to indigent persons and public education on legal matters.

A nationwide public awareness research (2015) revealed that 73.08% of Botswana respondents were not immediately familiar with Legal Aid Botswana and its service offering. The same research revealed that 21.75% of those who were familiar with the organization said they got to know about LAB through Botswana Television (BTV). BTV has therefore been identified as one of the most effective tools to use to disseminate legal education messages to the public.

The objective of the public education campaign is to prevent legal issues from arising, to educate people on steps they may take to resolve legal issues themselves and to increase awareness of the role of Legal Aid Botswana in providing legal assistance to indigent Botswana (and how to access that assistance).

Legal Aid Botswana will establish an advisory reference group to oversee this project.

The services required are development and delivery of a communications package consisting of:

1. 7 short film clips “fillers” that will focus on educating Botswana on common legal issues in Botswana and educate the public about their legal rights and obligations. These short film clips will be broadcast on BTV between programmes. Each “filler” should be 5 minutes long.
2. 8 shorter clips (40 seconds to 1 minute) suitable for distribution on social media and information on each of the same 7 legal topics as covered in the 5 minute “filler” clips plus an additional message on the mandate of Legal Aid Botswana and how to access its services.
3. 250 high resolution still photographs are also required relating to the 7 legal topics and the role and function of Legal Aid Botswana and the provision of legal aid services in Botswana;
4. Design of one poster for each of the 7 legal topics plus one poster depicting the mandate of Legal Aid Botswana and how to access its services.

The 7 legal topics are as follows and Legal Aid Botswana will supply the legal content for each topic as required:

1. Child maintenance
2. Custody
3. Land rights
4. Living together
5. Contracts
6. Domestic violence / gender-based violence
7. Arrest and detention

### **Cluster 2: Disability**

The Government of Botswana has indicated its intention to accede to the Convention on the Rights of Persons with Disabilities (CRPD). In preparation for the accession to and domestication of the CRPD, the Coordinating Office for Persons with Disabilities in the Ministry for Presidential Affairs Governance and Public Administration (MPAGPA) has requested the production of short films to communicate the guiding principles of the CRPD in a manner that is relevant to the local context and promotes social change, acceptance and adoption of these rights-based principles.

An established reference group, the Technical Committee of the National Disability Coordination Committee (for which the Coordinating Office is the Secretariat) will oversee this project.

To that end, UNDP and the implementing partners (Legal Aid Botswana and Coordinating Office for Persons with Disabilities) wish to invite suitable and qualified companies to develop film clips that could be broadcast on television and social media to communicate key messages and promote social change.

The services required are:

1. 8 short film clips “fillers” that will focus on educating Botswana on the 8 general principles of the Convention on the Rights of Persons with Disabilities in the Botswana context. These short film clips will be broadcast on BTV between programmes. Each “filler” should be 5 minutes long;
2. 8 shorter clips (40 seconds to 1 minute) suitable for distribution on social media and information on each of the same topics as covered in the 5 minute “filler” clips;
3. 250 high resolution still photographs relating to the 8 guiding principles and the role of people with disabilities in society generally;
4. Design and layout of one poster for each of the 8 guiding principles of the CRPD.

The 8 guiding principles of the CRPD are:

1. Respect for inherent dignity, individual autonomy including the freedom to make one’s own choices, and independence of persons
2. Non-discrimination
3. Full and effective participation and inclusion in society

4. Respect for difference and acceptance of persons with disabilities as part of human diversity and humanity
5. Equality of opportunity
6. Accessibility
7. Equality between men and women
8. Respect for the evolving capacities of children with disabilities and respect for the right of children with disabilities to preserve their identities.
