5. EVALUATION

Offerors will be evaluated based on the Cumulative analysis.

- Technical Qualification (100 points) weight; [70%]
- Financial/Price Proposal (100 points) weight; [30%]

A two-stage procedure is utilized in evaluating the proposals, with evaluation of the technical proposal being completed prior to any price proposal being compared. Only the price proposal of the

Offerors who passed the minimum technical score of 70% of the obtainable score of 100 points in the technical qualification evaluation will be evaluated.

5. 1. Technical qualification evaluation criteria:

The total number of points allocated for the technical qualification component is 100. The technical qualification of the offeror/individual is evaluated based on following technical qualification:

Technical Evaluation Criteria	Obtainable Score
Minimum 3 years of relevant professional experience in Gender and Governance	30
Solid experience in providing capacity development to government staff	40
Proven experience in the development of training manuals in relation to gender analysis and advocacy skills.	30
Total Obtainable Score	100

Only the offerors who have attained a minimum of 70% of total points will be considered as technical qualified offerors.

5. 2. Financial/Price Proposal Comparison:

- Only the financial/price proposal of offerors who have attained a minimum of 70% score in the technical qualification evaluation will be considered and evaluated. The total number of points allocated for the price component is 100. Below is the formula used for this evaluation:

$$\text{Rating for Financial Proposal} = (\text{Lowest Priced Offer} / \text{Price of the Offer Being Reviewed}) \times 100$$

5.3. Selection Method and Award Criteria:

The award of the contract should be made to the individual consultant whose offer has been evaluated and determined as:

- Responsive/compliant/acceptable, and
- Having received the highest score out of a pre-determined set of weighted technical and financial criteria specific to the solicitation. The total score for each offeror will be calculated independently by this formula: Total Score = Technical Qualification Score x 70% + Financial Score x 30%
