UNITED NATIONS DEVELOPMENT PROGRAMME

EXPRESSIONS OF INTEREST – (EOI) for Individual Consultants for the Spotlight Initiative in Trinidad and Tobago

Background:

The Spotlight Initiative, a multi-year programme administered by the Multi-Partner Trust Fund Office, with the support of core UN Agencies will commence in January 2020. It aims at addressing all forms of violence against women and girls (VAWG), and harmful practices. It will follow a transformative and evidence-based approach, addressing unequal power relations between men and women and focusing on gender equality and women's empowerment, as well as ending impunity for VAWG. In line with the principles of the 2030 Agenda for Sustainable Development, the Initiative will follow a human rights-based approach and take into consideration the specific needs of women and girls who experience multiple and intersecting forms of discrimination and uphold the principle of 'leaving no one behind.'
