

QUESTIONS AND ANSWERS

FOR PROPONENTS

Call for Proposals (CFP)

UN WOMEN NORTH MACEDONIA

CFP No. 01/2020 EVAW

Facilitating advocacy and expert level dialogue with the Government and Parliament to harmonize the national legislation with Istanbul Convention

CFP No. 02/2020 EVAW

Trainings for media professionals on gender sensitive reporting about issues related to violence against women, under Phase II of the regional programme "Ending Violence against Women: Implementing Norms, Changing Minds"

- 1. We would like to ask whether International NGOs can apply as well? We do have presence in Macedonia, hence local presence would not be an issue.**

Only Civil society organization legally registered in Republic of North Macedonia are eligible to apply.

- 2. We would like to ask whether Audited Statements for the entire organization is necessary or Audited Statements for programmes/projects could be considered as relevant?**

You are required to provide any Audited Statements the organization possesses, for the last three years to prove your administrative and financial capability.

- 3. Can the same applicant (civil society organization) apply to the two open calls?**

Yes.

- 4. Can the applicant (civil society organization) apply to the open calls together with other institutions? Can it be made a partnership with the Council of media ethics in Macedonia or the Agency for Audio and audiovisual arts services in the media which is a public body?**

Yes, the applicant (civil society organization) can apply to the announced Calls together with other institution (public body), but there is not allowed any payments to state institutions or civil servants.

- 5. Can we apply together with other civil society organization/s or must we apply as only one applicant?**

Yes, two/ or more civil society organizations can apply together on the announced Calls.
