A. Background

Since 2018, UNDP in partnership with the Government of Lesotho, the Southern African Development Community and other partners, with funding from the UN Peacebuilding Fund have been implementing the Lesotho National Dialogue and Stabilisation Project (LNDSP). The LNDSP is in response to Lesotho’s cyclic political instability and a first step towards the implementation of comprehensive national reforms aimed at long-term stability and sustained peace and development. The Project was designed to achieve national consensus and trust building through multi-level dialogue on reforms, stabilize the security sector and effectively communicate the reforms process with gender mainstreamed in the entire process. Through this support, the multi-stakeholder national dialogue process was successfully completed in November 2019 resulting in the generation of a national consensus and agreement on reforms content as well as options for implementation. The process also initiated fundamental steps towards professionalizing the security sector and has catalysed adequate Development Partner support for implementation of the agreed reforms.

A key outcome of the dialogue process was the creation of a legal framework to safeguard the reforms implementation process and insulate it from possible interference by enacting the National Reforms Authority Act (NRA), 2019. The Act provides for the “establishment of the National Reforms Authority; management, coordination and leadership of the reforms process in the implementation of the resolutions and decisions of the Multi-Stakeholder National Dialogue Plenary II for the promotion of stakeholder consensus and national stability, unity and reconciliation”.

The NRA Act 2019 seeks to inter alia; a) establish the NRA as a successor to the National Dialogue Planning Committee; b) safeguard the national reforms; c) promote stakeholder consensus on national reforms and long-term stability, unity and reconciliation; effective and efficient management, coordination, oversight and strategic leadership in the national reforms process and; expedite national transformation of Lesotho through an independent, transparent and accountable structures of law reform process in the implementation of the resolutions and decisions of Plenary II. The NRA is composed of broad representation from all registered political parties, Government, civil society, faith-based organisations, academia, business and labour movements, women groups, youth and special interest groups. In compliance with the
provisions of the Act, a 59-member National Reforms Authority was inaugurated on 6th February 2020 and thereafter inducted on their roles and responsibilities.

The Authority is independent, transparent and accountable to both Houses of Parliament with its decisions being final and binding on all parties represented. To ensure effective and efficient discharge of its functions the Act provides for the establishment of the NRA Secretariat composed of the Chief Executive Officer, the Deputy Chief Executive Officer, seven thematic experts and other staff as may be necessary.

Pursuant to the provisions of Part II Section 13; 14 and 15 of the NRA Act, 2019, Government through the Ministry of Law, Constitutional Affairs and Human Rights in consultation with the NRA has requested UNDP for technical assistance in the setting up the NRA Secretariat.
