3. Related to *Window Four: Promoting social cohesion among the target communities*, could UNDP provide details regarding the project activities, no. of. beneficiaries targeted and their locations?

Answer:

Also detailed in above linked Annual Report. Activities under this sector include Community Based Initiatives, Conflict Analysis and Conflict Sensitivity Dialogue, Community Empowerment Mechanisms. Window 4 activities have been implemented in Haditha, Qaim, Anah, Touz Khurmatu, Mosul and the Ninewah Plains region. Activities are planned for Sinuni and Tel Afar.

4. Will the debriefing sessions after fieldwork be held remotely or in Iraq? If in Iraq, where will this be held?

Answer:

It was indicated in the TOR that the debriefings would happen in country (either Baghdad or Erbil) as is scheduled immediately following the field work, however this is at present a proposal and it could also be undertaken online.

5. Can consultants propose team structures different from the one outlined in the RFP document? Can we include additional team members for the project?

Answer:

Reference is made to the RFP document: Section 5-Terms of Reference, Point number 10 (Evaluation team composition and required competencies) which outline the minimum expected requirements of the Evaluation Team. A different team structure may be proposed so long as it includes the Key Positions and Tasks outlined in this Section.
