

UNDP Expression of interest

UNDP Iraq invites interested legal entities (companies, INGOs, institutions) to apply for an Expression of Interest for the Development of design services including BOQs, technical specifications and drawings for ECO building by means of lime stabilize soil.

1. Background

The United Nations Development Programme (UNDP) has been present in Iraq since 1976. Since 2003, it has worked to support the Government and people of Iraq in their transition towards reconciliation, peace and stability.

The Funding Facility for Immediate Stabilization (FFIS) was established in response to the Government of Iraq's need to stabilize areas newly liberated from the Islamic State in Iraq and Levant (ISIL).

The FFIS supports four activity sets, each with a dedicated window. All activities will be decided in agreement with the Provincial Council and Governor, based on priorities identified at the local level through consultations.

- a. Window One: Public Works and Light Infrastructure Rehabilitation.
- b. Window Two: Livelihoods.
- c. Window Three: Capacity Support.
- d. Window Four: Community Reconciliation.

The Funding Facility for Expanded Stabilization (FFES) is an intermediate mechanism designed to quickly consolidate the gains made during immediate stabilization by generating large numbers of jobs in newly liberated cities and stabilizing the corridors between liberated districts. The focus of FFES is on the rehabilitation of large public institutions, including universities and public hospitals, which provide work for thousands of employees and incentivize families to remain in, rather than leave, liberated areas. Priority is also given to repairing the sections of the transport, electricity, sanitation and agricultural corridors that link liberated cities to each other. The FFES will fast-track implementation of a selected range of medium-sized, high-impact, low-cost, visible projects in liberated areas.

Both FFIS and FFES are overseen by a Steering Committee, chaired by the Prime Minister's Chief of Staff and DSRSG/RC/HC/RR. Key partners and counterparts are members. The Facilities are managed by UNDP, which also serves as the secretariat to the Steering Committee.

2. Objectives of EOI

The objective of this exercise is to identify potential firms/companies/INGOs having experience in the field of developing ECO building techniques. The interested firm/ organization /INGO having similar experience in ECO building will be further approached along with detailed TOR to carry out design service to develop the required technical specifications, B.o.Q, drawings and supervisions for the implementation of ECO building by means of lime stabilize soil.

Eligibility criteria (Yes/No)

- Proven track record in undertaking works of similar nature;
- Specialized in ECO building techniques and have proven experience in application of such techniques;
- Design at least 2 similar buildings in the last 10 years and provide evidence of past similar projects, including contact references
- Working experience in the security prone areas such as Iraq.

Submission details

Interested firms/vendors should submit:

- Company Profile, including printed brochures and product catalogues relevant to the services indicated in the EOI;
- Certificate of Incorporation/ Business Registration;
- Detailed list of works carried out of similar nature, including contact references;
- 2 complete samples of previous similar works (ECO building);
- Evidence documents on the application of Lime-Soil Stabilization method in development of ECO building design drawings;
- 2 references from the client on the successful implementation of similar projects in applying ECO building techniques.

Interested Companies/Consultants must provide information indicating that they are qualified to perform the services (publications, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc. to meet the above stated criteria.

The complete set of documents for the EOI (in English language) must be submitted.

Please note that this procurement process is being conducted through the online tendering system of UNDP. Bidders who wish to submit an information must be registered in the system. Visit this page for system user guides and videos in different languages: <https://www.undp.org/content/undp/en/home/operations/procurement/business/procurement-notices/resources/>

If already registered, go to <https://etendering.partneragencies.org> and sign in using your username and password. Use "Forgotten password" link if you do not remember your password. Do not create a new profile.

If you have never registered in the system before, you can register by visiting the above link, sign in with username below, and follow the instructions in the user guide:

Username: event.guest

Password: why2change

If you are interested to participate in this EOI it is strongly recommended that you log in and subscribe to the event using "Accept Invitation" feature so you can keep updated with Event

amendments including deadline. Note that in case of inconsistencies between information in eTendering system and other places/documents, the information in eTendering system prevails.

EOI received after the above deadline will not be considered.

EOI from suppliers failing to provide the requested information will be disregarded. Request for Proposal and any subsequent purchase order will be issued in accordance with the rule and procedures of UNDP.

This EOI does not constitute a solicitation and does not entail any commitment on the part of UNDP, either financial or otherwise. UNDP reserves the right to accept or reject any or all EOI without incurring any obligation to inform the affected applicant/s of the grounds.

If you need further information, please feel free to contact the following:

Focal Person in UNDP: Enkhmandakh Ishdorj, Procurement Analyst

Address: UNDP, Iraq

E-mail address: enkhmandakh@undp.org

UNDP looks forward to receiving your submission and thank you in advance for your interest in UNDP procurement opportunities.

Yours sincerely,

Piero Emanuele Franceschetti
Head of Service Center
