

Double Cabin 4x4 vehicle(s) for the Committee on Missing Persons in Cyprus
RFQ 115/2020
Clarifications no:1 dated 11 June 2020

	Question(s)	Answer(s)
1	We have a question regarding UNDP CYP RFQ 115/2020; is UNDP Cyprus willing to accept a manual transmission vehicle in place of automatic transmission?	Requirement for transmission is “Automatic with at least 5 gears.” as stated in the Annex I – Specifications.
2	With reference to the request for Quotation for two Double Cabin vehicles with Automatic Transmission, kindly note that there are no non-metallic white vehicles available within the requested delivery lead time.	There is no specific color requirement for the vehicle(s) requested.
