5. EVALUATION

Offerors will be evaluated based on the Cumulative analysis.

- Technical Qualification (100 points) weight; [70%]
- Financial/Price Proposal (100 points) weight; [30%]

A two-stage procedure is utilized in evaluating the proposals, with evaluation of the technical proposal being completed prior to any price proposal being compared. Only the price proposal of the

Offerors who passed the minimum technical score of 70% of the obtainable score of 100 points in the technical qualification evaluation will be evaluated.

5. 1. Technical qualification evaluation criteria:

The total number of points allocated for the technical qualification component is 100. The technical qualification of the offeror/individual is evaluated based on following technical qualification:

Technical Evaluation Criteria	Obtainable Score
Bachelor's Degree (master's degree is preferable) in education, climate change, environment, or a related field	20
A minimum of 05 years of professional experience in developing educational materials relating to environment;	25
Prior experiences in development of communication and outreach materials (e.g. story books, complementary educational book, leaflets, booklets, etc.)	25
Excellent writing, and communication skills along with high-level skills in developing textbook, teaching plan and learning toolkits. (<i>to be assessed by a writing sample</i>)_	30
Total Obtainable Score:	100

Only the offeror who have attained a minimum of 70% of total points will be considered as technical qualified offeror.

5. 2. Financial/Price Proposal Comparison:

- Only the financial/price proposal of offeror who have attained a minimum of 70% score in the technical evaluation will be considered and evaluated.
- The total number of points allocated for the price component is 100.
- The maximum number of points will be allotted to the lowest price proposal that is opened/evaluated and compared among those technical qualified Offerors who have attained a minimum of 70% score in the technical evaluation. All other price proposals will receive points in inverse proportion to the lowest price. $[\text{Lowest Price} \times 100 / \text{Other Price under Consideration}] = \text{Points for Other Offerors' Price Component}$.

5.3. Selection Method and Award Criteria:

The award of the contract should be made to the individual consultant whose offer has been evaluated and determined as:

- Responsive/compliant/acceptable, and
- Having received the highest score out of a pre-determined set of weighted technical and financial criteria specific to the solicitation. The total score for each offeror will be calculated independently by this formula: $\text{Total Score} = \text{Technical Score} \times 0.7 + \text{Finance Score} \times 0.3$
