

Q & A-1
RFQ/UNDP/EU-106218 /039/2020

Assignment Name:

Liveaboard trip services to southeast Aru MPA (Maluku) for biophysical monitoring program

Closing Date:

23 July 2020 at 1700 hour (GMT+7)

TO ALL INTERESTED BIDDERS

1	Q	Refer to RFQ 039 Document, the period of charter service is changed to 3rd week of October 2020. There are no changes for the other items needed
	A	Yes, only rescheduled the trip period from August to 3 rd week of October 2020 based on the best weather condition. Other item no changing
2	Q	For the 8th Day program in RFQ document; page 9 from UNDP on day 8; Are there still diving or exploring activities? if we calculate the quotation on the 8th day in the morning (from 7pm) the group has already shipped to Dobo. Fyi, the distance from the location on the 8th day sailing to Dobo is 20 hours. And must also be arranged with the next flight from Dobo to Ambon
	A	<p>We set up the last diving in the day 7 of trip and the location are closing to Dobo in one way back to the based. We arrange day 8 full sailing back to Dobo. 3-4 diver from us as participant already have another agenda, so they spare time not directly flight consider the remining bubble and it is already more than 24 hours</p> <p>The survey for marine mammals not required diving, it only sighting survey From onboard during the sailing</p>

*Bidder is encouraged to carefully read the RFQ document before preparing the offer and to check regularly to UNDP website for any update/amendment to this tender document Through link: https://procurementnotices.undp.org/view_notice.cfm?notice_id=67660
