

UNITED NATIONS DEVELOPMENT PROGRAMME

CLARIFICATION # 1

REFERENCE: PROG/2020/002 – Consultancy for energy sector capacity building

Date: August 21, 2020

We notify all interested bidders the following clarification to the request for proposal document:

Question #1

It is not stated in the RFP how many persons will be going through the training sessions. There is generally a cost to NABCEP for each individual (exams and certification). Can you provide the number of persons that are expected to be trained? Even an estimate. Deadline for submission:

Answer to Question #1

The training is expected to target a total number of 45 students

- 25 Solar PV Associate
- 20 Solar PV system inspector

End of clarification
