## SECTION 2. INSTRUCTION TO BIDDERS

### A. GENERAL PROVISIONS

#### 1. Introduction

1.1 Bidders shall adhere to all the requirements of this RFP, including any amendments in writing by UNDP. This RFP is conducted in accordance with the UNDP Programme and Operations Policies and Procedures (POPP) on Contracts and Procurement which can be accessed at https://popp.undp.org/SitePages/POPPBSUnit.aspx?TermID=254a9f96-b883-476a-8ef8-e81f93a2b38d

1.2 Any Proposal submitted will be regarded as an offer by the Bidder and does not constitute or imply the acceptance of the Proposal by UNDP. UNDP is under no obligation to award a contract to any Bidder as a result of this RFP.

1.3 As part of the bid, it is desired that the Bidder registers at the United Nations Global Marketplace (UNGM) website (www.ungm.org). The Bidder may still submit a bid even if not registered with the UNGM. However, if the Bidder is selected for contract award, the Bidder must register on the UNGM prior to contract signature.

#### 2. Fraud & Corruption, Gifts and Hospitality

2.1 UNDP strictly enforces a policy of zero tolerance on proscribed practices, including fraud, corruption, collusion, unethical or unprofessional practices, and obstruction of UNDP vendors and requires all bidders/vendors observe the highest standard of ethics during the procurement process and contract implementation. UNDP's Anti-Fraud Policy can be found at http://www.undp.org/content/undp/en/home/operations/accountability/audit/office_of_audit_andinvestigation.html#anti

2.2 Bidders/vendors shall not offer gifts or hospitality of any kind to UNDP staff members including recreational trips to sporting or cultural events, theme parks or offers of holidays, transportation, or invitations to extravagant lunches or dinners.

2.3 In pursuance of this policy, UNDP

   (a) Shall reject a proposal if it determines that the selected bidder has engaged in any corrupt or fraudulent practices in competing for the contract in question;

   (b) Shall declare a vendor ineligible, either indefinitely or for a stated period of time, to be awarded a contract if at any time it determines that the vendor has engaged in any corrupt or fraudulent practices in competing for, or in executing a UNDP contract.

2.4 All Bidders must adhere to the UN Supplier Code of Conduct, which may be found at https://www.un.org/Depts/ptd/about-us/un-supplier-code-conduct

#### 3. Eligibility

3.1 A vendor should not be suspended, debarred, or otherwise identified as ineligible by any UN Organization or the World Bank Group or any other international Organization. Vendors are therefore required to disclose to UNDP whether they are subject to any sanction or temporary suspension imposed by these organizations.

3.2 It is the Bidder’s responsibility to ensure that its employees, joint venture members, sub-contractors, service providers, suppliers and/or their employees meet the eligibility requirements as established by UNDP.
4. Conflict of Interests

4.1 Bidders must strictly avoid conflicts with other assignments or their own interests, and act without consideration for future work. Bidders found to have a conflict of interest shall be disqualified. Without limitation on the generality of the above, Bidders, and any of their affiliates, shall be considered to have a conflict of interest with one or more parties in this solicitation process, if they:

a) Are or have been associated in the past, with a firm or any of its affiliates which have been engaged by UNDP to provide services for the preparation of the design, specifications, Terms of Reference, cost analysis/estimation, and other documents to be used for the procurement of the goods and services in this selection process;

b) Were involved in the preparation and/or design of the programme/project related to the services requested under this RFP; or

c) Are found to be in conflict for any other reason, as may be established by, or at the discretion of UNDP.

4.2 In the event of any uncertainty in the interpretation of a potential conflict of interest, Bidders must disclose to UNDP, and seek UNDP’s confirmation on whether or not such a conflict exists.

4.3 Similarly, the Bidders must disclose in their proposal their knowledge of the following:

a) If the owners, part-owners, officers, directors, controlling shareholders, of the bidding entity or key personnel are family members of UNDP staff involved in the procurement functions and/or the Government of the country or any Implementing Partner receiving services under this RFP; and

b) All other circumstances that could potentially lead to actual or perceived conflict of interest, collusion or unfair competition practices.

Failure to disclose such an information may result in the rejection of the proposal or proposals affected by the non-disclosure.

4.4 The eligibility of Bidders that are wholly or partly owned by the Government shall be subject to UNDP’s further evaluation and review of various factors such as being registered, operated and managed as an independent business entity, the extent of Government ownership/share, receipt of subsidies, mandate and access to information in relation to this RFP, among others. Conditions that may lead to undue advantage against other Bidders may result in the eventual rejection of the Proposal.

B. PREPARATION OF PROPOSALS

5. General Considerations

5.1 In preparing the Proposal, the Bidder is expected to examine the RFP in detail. Material deficiencies in providing the information requested in the RFP may result in rejection of the Proposal.

6. Cost of Preparation of Proposal

6.1 The Bidder shall bear any and all costs related to the preparation and/or submission of the Proposal, regardless of whether its Proposal was selected or not. UNDP shall not be responsible or liable for those costs, regardless of the conduct or outcome of the procurement process.

30.1 The evaluation team shall review and evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference and other RFP documents, applying the evaluation criteria, sub-criteria, and point system specified in the Section 4 (Evaluation Criteria). A Proposal shall be rendered non-responsive at the technical evaluation stage if it fails to achieve the minimum technical score indicated in the BDS. When necessary and if stated in the BDS, UNDP may invite technically responsive bidders for a presentation related to their technical proposals. The conditions for the presentation shall be provided in the bid document where required.

30.2 In the second stage, only the Financial Proposals of those Bidders who achieve the minimum technical score will be opened for evaluation. The Financial Proposals corresponding to Technical Proposals that were rendered non-responsive shall remain unopened, and, in the case of manual submission, be returned to the Bidder unopened. For emailed Proposals and e-tendering submissions, UNDP will not request for the password of the Financial Proposals of bidders whose Technical Proposal were found not responsive.

30.3 The evaluation method that applies for this RFP shall be as indicated in the BDS, which may be either of two (2) possible methods, as follows: (a) the lowest priced method which selects the lowest evaluated financial proposal of the technically responsive Bidders; or (b) the combined scoring method which will be based on a combination of the technical and financial score.

30.4 When the BDS specifies a combined scoring method, the formula for the rating of the Proposals will be as follows:

Rating the Technical Proposal (TP):

\[
TP \text{ Rating} = \left( \frac{\text{Total Score Obtained by the Offer}}{\text{Max. Obtainable Score for TP}} \right) \times 100
\]

Rating the Financial Proposal (FP):

\[
FP \text{ Rating} = \left( \frac{\text{Lowest Priced Offer}}{\text{Price of the Offer Being Reviewed}} \right) \times 100
\]

Total Combined Score:

\[
\text{Combined Score} = (TP \text{ Rating}) \times (\text{Weight of TP, e.g. 70%}) + (FP \text{ Rating}) \times (\text{Weight of FP, e.g., 30%})
\]
## 31. Due Diligence

### 31.1 UNDP reserves the right to undertake a due diligence exercise, also called post qualification, aimed at determining to its satisfaction, the validity of the information provided by the Bidder. Such exercise shall be fully documented and may include, but need not be limited to, all or any combination of the following:

- **a)** Verification of accuracy, correctness and authenticity of information provided by the Bidder;
- **b)** Validation of extent of compliance to the RFP requirements and evaluation criteria based on what has so far been found by the evaluation team;
- **c)** Inquiry and reference checking with Government entities with jurisdiction on the Bidder, or with previous clients, or any other entity that may have done business with the Bidder;
- **d)** Inquiry and reference checking with previous clients on the performance on on-going or contracts completed, including physical inspections of previous works, as necessary;
- **e)** Physical inspection of the Bidder’s offices, branches or other places where business transpires, with or without notice to the Bidder;
- **f)** Other means that UNDP may deem appropriate, at any stage within the selection process, prior to awarding the contract.

## 32. Clarification of Proposals

### 32.1 To assist in the examination, evaluation and comparison of Proposals, UNDP may, at its discretion, ask any Bidder for a clarification of its Proposal.

### 32.2 UNDP’s request for clarification and the response shall be in writing and no change in the prices or substance of the Proposal shall be sought, offered, or permitted, except to provide clarification, and confirm the correction of any arithmetic errors discovered by UNDP in the evaluation of the Proposals, in accordance with RFP.

### 32.3 Any unsolicited clarification submitted by a Bidder in respect to its Proposal, which is not a response to a request by UNDP, shall not be considered during the review and evaluation of the Proposals.

## 33. Responsiveness of Proposal

### 33.1 UNDP’s determination of a Proposal’s responsiveness will be based on the contents of the Proposal itself. A substantially responsive Proposal is one that conforms to all the terms, conditions, TOR and other requirements of the RFP without material deviation, reservation, or omission.

### 33.2 If a Proposal is not substantially responsive, it shall be rejected by UNDP and may not subsequently be made responsive by the Bidder by correction of the material deviation, reservation, or omission.

## 34. Nonconformities, Reparable Errors and Omissions

### 34.1 Provided that a Proposal is substantially responsive, UNDP may waive any non-conformities or omissions in the Proposal that, in the opinion of UNDP, do not constitute a material deviation.

### 34.2 UNDP may request the Bidder to submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial nonconformities or omissions in the Proposal related to documentation requirements. Such omission shall not be related to any aspect of the price of the Proposal. Failure of the Bidder to comply with the request may result in the rejection of its Proposal.

### 34.3 For Financial Proposal that has been opened, UNDP shall check and correct arithmetical errors as follows:

- **a)** if there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion
of UNDP there is an obvious misplacement of the decimal point in the unit price; in which case the line item total as quoted shall govern and the unit price shall be corrected;

b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and

c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail.

34.4 If the Bidder does not accept the correction of errors made by UNDP, its Proposal shall be rejected.

### E. AWARD OF CONTRACT

| 35. Right to Accept, Reject, Any or All Proposals | 35.1 UNDP reserves the right to accept or reject any Proposal, to render any or all of the Proposals as non-responsive, and to reject all Proposals at any time prior to award of contract, without incurring any liability, or obligation to inform the affected Bidder(s) of the grounds for UNDP’s action. UNDP shall not be obliged to award the contract to the lowest priced offer. |
| 36. Award Criteria | 36.1 Prior to expiration of the proposal validity, UNDP shall award the contract to the qualified Bidder based on the award criteria indicated in the BDS. |
| 37. Debriefing | 37.1 In the event that a Bidder is unsuccessful, the Bidder may request a debriefing from UNDP. The purpose of the debriefing is to discuss the strengths and weaknesses of the Bidder’s submission, in order to assist the Bidder in improving its future proposals for UNDP procurement opportunities. The content of other proposals and how they compare to the Bidder’s submission shall not be discussed. |
| 38. Right to Vary Requirements at the Time of Award | 38.1 At the time of award of Contract, UNDP reserves the right to vary the quantity of services and/or goods, by up to a maximum twenty-five per cent (25%) of the total offer, without any change in the unit price or other terms and conditions. |
| 39. Contract Signature | 39.1 Within fifteen (15) days from the date of receipt of the Contract, the successful Bidder shall sign and date the Contract and return it to UNDP. Failure to do so may constitute sufficient grounds for the annulment of the award, and forfeiture of the Proposal Security, if any, and on which event, UNDP may award the Contract to the Second Ranked Bidder or call for new Proposals. |
| 40. Contract Type and General Terms and Conditions | 40.1 The types of Contract to be signed and the applicable UNDP Contract General Terms and Conditions, as specified in BDS, can be accessed at [http://www.undp.org/content/undp/en/home/procurement/business/how-we-buy.html](http://www.undp.org/content/undp/en/home/procurement/business/how-we-buy.html) |
| 41. Performance Security | 41.1 40.1 A performance security, if required in BDS, shall be provided in the amount specified in BDS and form available at [https://popp.undp.org/_layouts/15/WopiFrame.aspx?sourcedoc=/UNDP_POPP_DOCUMENT_LIBRARY/Public/PSU_Solicitation_Performance%20Guarantee%20Form.docx&action=default](https://popp.undp.org/_layouts/15/WopiFrame.aspx?sourcedoc=/UNDP_POPP_DOCUMENT_LIBRARY/Public/PSU_Solicitation_Performance%20Guarantee%20Form.docx&action=default) within fifteen (15) days of the contract signature by both parties. Where a performance security is required, the receipt of the performance security by UNDP shall be a condition for rendering the contract |
### 42. Bank Guarantee for Advanced Payment

**42.1** Except when the interests of UNDP so require, it is UNDP’s preference to make no advance payment(s) (i.e., payments without having received any outputs). If an advance payment is allowed as per BDS, and exceeds 20% of the total contract price, or USD 30,000, whichever is less, the Bidder shall submit a Bank Guarantee in the full amount of the advance payment in the form available at [https://popp.undp.org/_layouts/15/WopiFrame.aspx?sourcedoc=/UNDP_POPPDOCUMENT_LIBRARY/Public/PSU_Contract%20Management%20Payment%20and%20Taxes_Advanced%20Payment%20Guarantee%20Form.docx&action=default](https://popp.undp.org/_layouts/15/WopiFrame.aspx?sourcedoc=/UNDP_POPPDOCUMENT_LIBRARY/Public/PSU_Contract%20Management%20Payment%20and%20Taxes_Advanced%20Payment%20Guarantee%20Form.docx&action=default).

### 43. Liquidated Damages

**43.1** If specified in BDS, UNDP shall apply Liquidated Damages resulting from the Contractor’s delays or breach of its obligations as per the Contract.

### 44. Payment Provisions

**44.1** Payment will be made only upon UNDP’s acceptance of the work performed. The terms of payment shall be within thirty (30) days, after receipt of invoice and certification of acceptance of work issued by the proper authority in UNDP with direct supervision of the Contractor. Payment will be effected by bank transfer in the currency of contract.

### 45. Vendor Protest

**45.1** UNDP’s vendor protest procedure provides an opportunity for appeal to those persons or firms not awarded a contract through a competitive procurement process. In the event that a Bidder believes that it was not treated fairly, the following link provides further details regarding UNDP vendor protest procedures: [http://www.undp.org/content/undp/en/home/operations/procurement/business/protest-and-sanctions.html](http://www.undp.org/content/undp/en/home/operations/procurement/business/protest-and-sanctions.html).

### 46. Other Provisions

**46.1** In the event that the Bidder offers a lower price to the host Government (e.g. General Services Administration (GSA) of the federal government of the United States of America) for similar services, UNDP shall be entitled to same lower price. The UNDP General Terms and Conditions shall have precedence.

**46.2** UNDP is entitled to receive the same pricing offered by the same Contractor in contracts with the United Nations and/or its Agencies. The UNDP General Terms and Conditions shall have precedence.

SECTION 5. TERMS OF REFERENCE

Terms of Reference

Description of Service: Rental of six vehicles with driver services
Project: “EU4Schools Programme”
Duty Station: Tirana, Albania
Duration: 15 September 2021 – 15 May 2023

Background

The 6.3 magnitude earthquake that hit Albania on 26 November 2019, has left 51 people dead and injured at least 913 others. Eleven municipalities situated in three prefectures (Tirana, Durrës and Lezha), with an approximate population of 1,185,286 persons, have suffered to varying degrees from the earthquake with 202,291 people affected directly or indirectly. According to government sources, around 17,090 affected inhabitants had to vacate their homes. For the first time in recent history, the Government of Albania announced a State of Natural Emergency in the three prefectures. According to the Post Disaster Need Assessment (PDNA), damages were reported to 321 educational institutions (including crèches, pre-schools, basic schools, secondary schools, vocational and education training schools, high education schools and dormitories) in the 11 affected municipalities, representing 24% of all educational establishments. About 90% of damaged institutions are in the public sector. Furthermore, 60% of destroyed and damaged schools are in rural areas. In addition to infrastructure, the earthquake also damaged physical assets such as furniture, labs, ICT equipment, libraries, textbooks, and other learning materials.

“EU4Schools” Action, is funded by European Union, as response after the earthquake to support Albanian citizens in the most affected municipalities. It is focused in education sector and is part of the financial package committed by European Union during the donor conference, organised in Brussels on 17 February 2020. Through this EU support education facilities will be repaired and reconstructed in municipalities affected by the earthquake. The Action is funded by EU and will be implemented by UNDP in collaboration with Albanian Government.

The action aims to support national and local governments in reducing further social and economic losses, and to accelerate the recovery process through educational facility repairs and reconstruction. The specific objectives are: (i) To support repairing/retrofitting and rebuilding, including basic furnishing, of education facilities in municipalities affected by the earthquake according to international standards; (ii) To offer better education services in crèches, pre-schools, basic schools and secondary schools, for children and students, girls and boys, in areas affected by the earthquake; and (iii) To provide increased transparency, accountability and inclusiveness to the recovery process of education facilities.
