TERM OF REFERENCE**1. BACKGROUND**

The United Nations Office on Drugs and Crime (UNODC) Country Office for Pakistan (COPAK) is tasked with assisting Pakistan through its Country Programme (CP) II, 2016-20 with a focus on illicit trafficking and border management, criminal justice and drug demand reduction and HIV/AIDS. As part of the CP II, there is a significant need for showcasing the activities implemented by UNODC's Sub-Programme 2 (Criminal Justice and Legal Reforms) in partnership with the Government of Pakistan and the provincial governments.

The Criminal Justice and Legal Reforms Programme works as a strategic partner and advisor to the Government of Pakistan, supporting implementation of reforms across the entire chain of criminal justice institutions. The objective is to promote evidence-based programming to enhance the effectiveness, coordination and capacity of the criminal justice institutions towards administering fair, efficient and transparent access to justice and rule of law for the citizens. The Programme is supporting implementation of Rule of Law Roadmaps in the provinces of Sindh and Balochistan through setting up individual Delivery Units and Technical Working Groups.

The Criminal Justice and Legal Reforms Programme also promotes robust and preventive measures to foster effective AML/CFT regimes in Pakistan to disrupt and prosecute financial crimes. A gender-sensitive approach cuts across the criminal justice reforms led by SP-II to empower the vulnerable and the less privileged groups through awareness of legal rights and access to justice.

In order to support the ongoing activities, the Criminal Justice and Legal Reforms Programme requires the services of a 'Technical Capacity Building and Learning Expert' to provide technical support and professional input in the capacity building of primary stakeholders for institutionalizing effective reforms through programme learning, knowledge creation, documentation and improvement of programmatic products targeted at the policymakers and the practitioners of rule of law institutions.

2. MAIN OBJECTIVES OF THE ASSIGNMENT.

The purpose of the assignment is to provide the necessary support for the development and application of knowledge management tools and capacity building initiatives led by UNODC's Sub-Programme 2 and the staff of Delivery Units (both Balochistan and Sindh). These activities aim at providing institutional support to the Law Enforcement Agencies (LEAs), prosecution, the courts, the prison management, rule of law roadmaps as well as the anti-corruption agencies of Pakistan to bring about the relevant reforms in the rule of law chain of institutions. The Sub-Programme 2 projects range from strengthening the investigative capacity of the Police to the provision of legal aid to Under-trial Prisoners (UTPs), and technical guidance to the provincial governments in the implementation of a long-term Rule of Law Roadmaps strategy and action plans. The Programme's activities are mainly implemented in Punjab, Sindh and Balochistan. The Programme is also providing extensive capacity building support to integrate COVID-19 sensitive approaches to the operational dynamics of the criminal justice institutions to make them responsive to the emerging realities.

The incumbent will provide technical support to the development of relevant knowledge management and learning strategies that correspond to the evolving capacity building needs of the programme, making use of innovative learning platforms. S/he will also support development of content and its packaging into relevant formats in collaboration with relevant Programme Officers/subject matter experts and with partners; coordinate and facilitate webinars, support online training, and make use of evidence-based learning to engage stakeholders through dialogue and relevant advocacy strategies for improving the policy and operational environment of criminal justice institutions.

16. AUDITS AND INVESTIGATIONS:

Each invoice paid by UNDP shall be subject to a post-payment audit by auditors, whether internal or external, of UNDP or by other authorized and qualified agents of UNDP at any time during the term of the Contract and for a period of two (2) years following the expiration or prior termination of the Contract. UNDP shall be entitled to a refund from the Individual contractor for any amounts shown by such audits to have been paid by UNDP other than in accordance with the terms and conditions of the Contract.

The Individual contractor acknowledges and agrees that, from time to time, UNDP may conduct investigations relating to any aspect of the Contract or the award thereof, the obligations performed under the Contract, and the operations of the Individual contractor generally relating to performance of the Contract. The right of UNDP to conduct an investigation and the Individual contractor's obligation to comply with such an investigation shall not lapse upon expiration or prior termination of the Contract. The Individual contractor shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Individual contractor's obligation to make available its personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to UNDP access to the Individual contractor's premises at reasonable times and on reasonable conditions in connection with such access to the Individual contractor's personnel and relevant documentation. The Individual contractor shall require its agents, including, but not limited to, the Individual contractor's attorneys, accountants or other advisers, to reasonably cooperate with any inspections, post-payment audits or investigations carried out by UNDP hereunder.

17. SETTLEMENT OF DISPUTES:

AMICABLE SETTLEMENT: UNDP and the Individual contractor shall use their best efforts to amicably settle any dispute, controversy or claim arising out of the Contract or the breach, termination or invalidity thereof. Where the parties wish to seek such an amicable settlement through conciliation, the conciliation shall take place in accordance with the Conciliation Rules then obtaining of the United Nations Commission on International Trade Law ("UNCITRAL"), or according to such other procedure as may be agreed between the parties in writing.

ARBITRATION: Any dispute, controversy or claim between the parties arising out of the Contract, or the breach, termination, or invalidity thereof, unless settled amicably, as provided above, shall be referred by either of the parties to arbitration in accordance with the UNCITRAL Arbitration Rules then obtaining. The decisions of the arbitral tribunal shall be based on general principles of international commercial law. For all evidentiary questions, the arbitral tribunal shall be guided by the Supplementary Rules Governing the Presentation and Reception of Evidence in International Commercial Arbitration of the International Bar Association, 28 May 1983 edition. The arbitral tribunal shall be empowered to order the return or destruction of goods or any property, whether tangible or intangible, or of any confidential information provided under the Contract, order the termination of the Contract, or order that any other protective measures be taken with respect to the goods, services or any other property, whether tangible or intangible, or of any confidential information provided under the Contract, as appropriate, all in accordance with the authority of the arbitral tribunal pursuant to Article 26 ("Interim Measures of Protection") and Article 32 ("Form and Effect of the Award") of the UNCITRAL Arbitration Rules. The arbitral tribunal shall have no authority to award punitive damages. In addition, unless otherwise expressly provided in the Contract, the arbitral tribunal shall have no authority to award interest in excess of the London Inter-Bank Offered Rate ("LIBOR") then prevailing, and any such interest shall be simple interest only. The parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such dispute, controversy or claim.

18. PRIVILEGES AND IMMUNITIES: Nothing in or relating to the Contract shall be deemed a waiver, express or implied, of any of the privileges and immunities of the United Nations, including its subsidiary organs.
