1	<p>However, we are having difficulty finding 3 of the books listed which we believe they are no longer available.</p> <p>It's difficult to find alternatives for these books but I've contacted some publishers and they have made some suggestions. I have provided links to the titles on their websites. Please see the attached file.</p> <p>If you would like us to quote for one of any of these alternatives, those highlighted in yellow, please let me know and we can do that for you.</p> <p>Alternatively, we'll just quote for the other 3 currently available lines.</p>	<p>UNDP / UNESP realizes that some publications may no longer be in circulation, and / or superseded with a newer version. You may provide a alternative to the publication that your company cannot provide. Referencing to Annex 1, Technical Specifications, Statement of Compliance YES / NO, please indicate NO, then in the Deviation if any column, please insert your company's alternative (publication details, including, Title, Author/s, ISBN, if Qty's can be supplied).</p> <p>In Annex 2, FORM FOR SUBMITTING SUPPLIER'S QUOTATION, please include your alternative publication, under the Item number of the publication your company is suggesting the alternative.</p> <p>To assist the evaluation committee, please provide as many details of the alternative publication offered, including the publisher link to the offered alternative publication.</p>
