

**Supplementary Response to Questions received following the Pre-proposal Meeting of the Request for proposal for hiring a technical firm to support development and maintenance of System Tools of কিশোর বাতায়ন (Konnect) for Chittagong Hill Tracts (CHT) learners and adolescents**

**REFERENCE: RFP-BD-2020-030**

**Please see the questions and responses furnished below**

<b>S/L</b>	<b>Quires</b>	<b>UNDP Response</b>
6.	<p>In Deliverables Section there mention 4 workshops with relevant stakeholders to understand effectiveness of designed feature and activities in section 14 and 18.</p> <p>Q1: Minimum and maximum participate no? Q2: Any details about trainer? Q3: Training place list?</p>	<p><b><u>Response to Question-6</u></b></p> <p>Q1. Workshop: 10-20 participants Q2. Trainer from both technical and domain team to demonstrate the system and its functionalities. Q3. Training venue: Khagrachhari, Rangamati and Bandarban (in case of emergency we can do it online)</p>
7.	<p>In Deliverables section 17 there is mention "Support setting up infrastructure and access points for the system tool".</p> <p>Q4: Computers with internet connection: How much computers with internet connection need and the specification of the hardware? Q5: TV monitor for remote class/ online class: The detail requirement (Screen size, Stand needed or not etc.) and quantity of this TV monitor? Q6: Hard drive per unit/club for data storage: The detail requirement (SSD or HD, Storage Size, Internal or External ETC) and quantity of this data storage? Q7: Trainer/facilitator engagement: How much Trainer/facilitator needed and the qualification of them? Q8: Remuneration for participants and organizer: How much participants and organizer? any Details of this participants and organizer and the remuneration process?</p>	<p><b><u>Answer to 7 [Q4/5/6/7/8]</u></b></p> <p>Support setting up infrastructure and access points for the system tools indicates that the vendor needs to provide technical support in terms of installing. But no hardware procurement is required. From other projects the hardware will be installed. But the selected vendor under this project will provide technical support to integrate Konnect UN CHT system within computers, tv or mobile devices and solutions so that the Konnect platforms and contents can be accessed from schools and learning centers.</p>
