I. BACKGROUND

The Ghana Cocoa Board (COCOBOD), with funding from Mondelez International's Cocoa Life Programme has been implementing over the past seven (7) years a projects dubbed "Environmental Sustainability and Policy" (ESP Phase I) and "Environmentally Sustainable Production Practices in Cocoa Landscapes (ESP Phases II). The project phases have aimed at creating institutional systems, tools and policies to rehabilitate cocoa landscapes, helping farmers in the Cocoa Life Programme adopt environmentally sustainable and climate change resilient cocoa production practices and to conserve ecosystems and natural resources in cocoa landscapes.

For detailed information, please refer to Annex I- Terms of Reference (ToR)

II. SCOPE OF WORK, RESPONSIBILITIES AND DESCRIPTION

The evaluation report will assess the achievement of project results against what was expected to be achieved and draw lessons that can both improve the sustainability of benefits from this project, and aid in the overall enhancement of UNDP programming, especially considering that a potential third phase of the project is being discussed. This will be done by assessing project performance against expectations set out in the project's Logical Framework/Results Framework (see ToR Annex A), among others as agreed with UNDP and evaluation stakeholders at the inception phase. The evaluation report will promote accountability and transparency and assesses the extent of project accomplishments. It shall cover issues related to the various components of the project mentioned in paragraph 1 above. Recommendations from this evaluation will therefore be useful in sustaining the various results and interventions undertaken under this project. In addition, the evaluation must address how the intervention sought to strengthen the application of the rights-based approach and mainstream gender in during implementation.

For detailed information, please refer to Annex I- Terms of Reference (ToR)

III. REQUIREMENTS FOR EXPERIENCE AND QUALIFICATIONS

a. Academic Qualifications:

- A Master's degree or above in Natural Resource Management, Environmental Management/Science, Agricultural Science, Development Studies, or other closely related field – preferably related to the cocoa sector or similar commodities.

Experience:

- Minimum of 10 years of professional experience in the technical areas of the project, with demonstrated understanding of good policies and practices of climate smart agriculture or natural resource management

and governance, or working with farmers on delivery of extension services; knowledge of Ghanaian context would be an asset

- Recent experience with evaluating projects with result-based monitoring and evaluation methodologies and in applying SMART indicators .
- Knowledge and experience in UNDP project Evaluation

Important Note:

The Consultant is required to have the above mentioned professional and technical qualifications. Only the applicants who hold these qualifications will be shortlisted and contacted.

IV. DOCUMENTS TO BE INCLUDED WHEN SUBMITTING THE TECHNICAL PROPOSALS

Interested offeror/Individual Consultant (IC) must submit the following documents before the deadline stipulated in the IC Procurement Notice. Such documents are:

- Technical Proposal as per the prescribed format (see template in Annex II), which includes Duly Signed Offeror's Letter to UNDP Confirming Interest and Availability and Duly Signed Personal CV
- Financial Proposal as per prescribed format (see template in Annex III)

V. FINANCIAL PROPOSAL

LUMP-SUM CONTRACTS

The Financial Proposal shall specify a total lump-sum amount **all-inclusive**, and payment terms around specific and measurable (qualitative and quantitative) deliverables (i.e. whether payments fall in installments or upon completion of the entire contract). Payments are based upon output, i.e. upon delivery of the services specified in the TOR. In order to assist the requesting unit in the comparison of financial proposals, the financial proposal will include a breakdown of this lump-sum amount (including travel, per diems, and number of anticipated working days).

Travel:

- All envisaged travel costs must be included in the financial proposal. This includes all travel to join duty station/repatriation travel. In general, UNDP should not accept travel costs exceeding those of an economy class ticket. Should the IC wish to travel on a higher class he/she should do so using their own resources.

In the case of unforeseeable travel, payment of travel costs including tickets, lodging and terminal expenses should be agreed upon, between the respective Business Unit (BU) and Individual Consultant, prior to travel and will be reimbursed.

VI. EVALUATION

Upon the advertisement of the Procurement Notice, qualified Individual Consultant is expected to submit both the Technical and Financial Proposals. Accordingly; Individual Consultants will be evaluated based on Cumulative Analysis as per the following scenario:

- Responsive/compliant/acceptable, and
- Having received the highest score out of a pre-determined set of weighted technical and financial criteria specific to the solicitation. In this regard, the respective weight of the proposals are:
