## **TERMS OF REFERENCE**

### **A. Project Title:** Strengthening Electoral and Legislative Processes (SELP)

### **B. Project Description**

UNDP is a key development partner supporting the Government of Pakistan in achieving its development objectives as well as in working towards the internationally agreed Sustainable Development Goals (SDGs). UNDP promotes transformational change by fostering strategic partnerships with national counterparts with the federal, provincial, and district governments, in addition to fostering partnerships with civil society, the private sector, and the local and international community. UNDP supports transformational change by providing technical assistance focusing on developing capacity within the national and local authorities, providing solutions with strong monitoring and evaluation tools, and delivering programs with maximum efficiency, transparency, and accountability.

One area of UNDP's work is in democratic governance, where we work to provide technical assistance to support the institutional development of the Election Commission of Pakistan (ECP), the Senate, in addition to the National and Provincial Assemblies. A core focus of program activities associated with parliamentary assistance has been in providing support to parliamentary committees, developing the capacity of the Members and Secretariat officials, and improving linkages with the public. The project also technically assists to effectively and proactively oversee the country's progress on development goals by closely working with and through parliamentary SDGs Taskforces (TF), Women's Parliamentary Caucuses (WPCs), and Young Parliamentarians' Forums (YPF) to enhance a broad array of cross-party forums and their functionality and voice within each legislative house. Collaboration and support to the Pakistan Institute for Parliamentary Services (PIPS) is also an important area of intervention for devising and implementing capacity building initiatives for institutional development of Pakistan's parliamentary houses, in addition to building the long-term sustainability of parliamentary assistance within Pakistan. UNDP also works with other international and national partners working in the area of parliamentary support to ensure a coordinated and value for money approach to support Pakistan's parliamentary processes. Following the outbreak of the global Coronavirus COVID-19 pandemic, these key government institutions have faced challenges in performing their functions not only in Pakistan but around the world. The pandemic also underlined the importance of governmental – particularly parliament – business continuity during crisis has proven to be important.

UNDP SELP envisions working specifically with the Provincial Assemblies of Khyber Pakhtunkhwa and Balochistan, and the Senate, to conduct a Parliamentary Business Continuity Assessment Studies. UNDP will also support the development of a guide on the oversight role of Committees during times of crisis, in addition, to support the provision of virtual communication tools for said legislative houses. These three activities form a part of the project activities to foster Business Continuity in times of crisis, building upon lessons learned during the COVID-19 pandemic with regard to parliamentary preparedness and responses.

In this regard, the project is looking to engage a parliamentary consultant to provide technical assistance to the program and parliamentary bodies on the aforementioned activities in addition to liaise and strengthen the linkages with relevant stakeholders, including leadership and officials of the national and provincial legislative houses and PIPS. The tasks may include responding to the requirements of the project and stakeholders such as drafting documents and terms of references, holding online meetings and coordination with parliamentary assemblies, specifically Senate, and Provincial Assemblies of KP and Balochistan – in addition to fora such as WPCs, YPF, SDGs TFs, and PIPS. The consultant will also be expected to coordinate with the project consultants, relevant stakeholders, and partners as necessary for briefings, in-person meetings, and strategic planning for partnership and to ensure smooth implementation of the project planned activities.

The consultant will be expected to draft weekly and monthly reports as and when required and interpret into Pashto and Urdu on ad hoc occasions during meetings. The consultant will have a predominant emphasis on the Provincial Assembly of Khyber Pakhtunkhwa, but also provide support with that of Balochistan and Senate, with consultancy advisory assistance to any support required to these two houses. This consultancy will be Islamabad based on a mix of in-person office requirements (following COVID-19 SoPs) and virtual work from home expectations. Travel to Quetta and Peshawar will be required during this consultancy. Associated travel and DSA costs will be paid as per UNDP policy to the consultant.

In this background and to support accomplishing the below referenced deliverables envisaged under this ToR, the project seeks the services of a **Parliamentary Consultant**. Activities envisaged to accomplish these deliverables under these ToRs are envisaged to be completed by Wednesday 31st March 2021, with an expected daily workday of Monday-Friday, with the prospect of weekends associated with travel (if needed), and an official workday expectation of 0900h to 1745h.

Payment will be made in four installments upon submission and acceptance of deliverables. The payment will be based on the financial proposal submitted by the applicant and agreed upon in the contract to be signed upon successful bidding.

**15. TAXATION:** Article II, section 7, of the Convention on the Privileges and Immunities of the United Nations provides, *inter alia*, that the United Nations, including its subsidiary organs, is exempt from all direct taxes, except charges for public utility services, and is exempt from customs restrictions, duties and charges of a similar nature in respect of articles imported or exported for its official use. In the event any governmental authority refuses to recognize the

exemptions of the United Nations from such taxes, restrictions, duties or charges, the Individual contractor shall immediately consult with UNDP to determine a mutually acceptable procedure. UNDP shall have no liability for taxes, duties or other similar charges payable by the Individual contractor in respect of any amounts paid to the Individual contractor under this Contract, and the Individual contractor acknowledges that UNDP will not issue any statements of earnings to the Individual contractor in respect of any such payments.

**16. AUDITS AND INVESTIGATIONS:** Each invoice paid by UNDP shall be subject to a post-payment audit by auditors, whether internal or external, of UNDP or by other authorized and qualified agents of UNDP at any time during the term of the Contract and for a period of two (2) years following the expiration or prior termination of the Contract. UNDP shall be entitled to a refund from the Individual contractor for any amounts shown by such audits to have been paid by UNDP other than in accordance with the terms and conditions of the Contract.

The Individual contractor acknowledges and agrees that, from time to time, UNDP may conduct investigations relating to any aspect of the Contract or the award thereof, the obligations performed under the Contract, and the operations of the Individual contractor generally relating to performance of the Contract. The right of UNDP to conduct an investigation and the Individual contractor's obligation to comply with such an investigation shall not lapse upon expiration or prior termination of the Contract. The Individual contractor shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Individual contractor's obligation to make available its personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to UNDP access to the Individual contractor's premises at reasonable times and on reasonable conditions in connection with such access to the Individual contractor's personnel and relevant documentation. The Individual contractor shall require its agents, including, but not limited to, the Individual contractor's attorneys, accountants or other advisers, to reasonably cooperate with any inspections, post-payment audits or investigations carried out by UNDP hereunder.

## **17. SETTLEMENT OF DISPUTES:**

**AMICABLE SETTLEMENT:** UNDP and the Individual contractor shall use their best efforts to amicably settle any dispute, controversy or claim arising out of the Contract or the breach, termination or invalidity thereof. Where the parties wish to seek such an amicable settlement through conciliation, the conciliation shall take place in accordance with the Conciliation Rules then obtaining of the United Nations Commission on International Trade Law ("UNCITRAL"), or according to such other procedure as may be agreed between the parties in writing.

**ARBITRATION:** Any dispute, controversy or claim between the parties arising out of the Contract, or the breach, termination, or invalidity thereof, unless settled amicably, as provided above, shall be referred by either of the parties to arbitration in accordance with the UNCITRAL Arbitration Rules then obtaining. The decisions of the arbitral tribunal shall be based on general principles of international commercial law. For all evidentiary questions, the arbitral tribunal shall be guided by the Supplementary Rules Governing the Presentation and Reception of Evidence in International Commercial Arbitration of the International Bar Association, 28 May 1983 edition. The arbitral tribunal shall be empowered to order the return or destruction of goods or any property, whether tangible or intangible, or of any confidential information provided under the Contract, order the termination of the Contract, or order that any other protective measures be taken with respect to the goods, services or any other property, whether tangible or intangible, or of any confidential information provided under the Contract, as appropriate, all in accordance with the authority of the arbitral tribunal pursuant to Article 26 ("Interim Measures of Protection") and Article 32 ("Form and Effect of the Award") of the UNCITRAL Arbitration Rules. The arbitral tribunal shall have no authority to award punitive damages. In addition, unless otherwise expressly provided in the Contract, the arbitral tribunal

shall have no authority to award interest in excess of the London Inter-Bank Offered Rate ("LIBOR") then prevailing, and any such interest shall be simple interest only. The parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such dispute, controversy or claim.

**18. LIMITATION ON ACTIONS:** Except with respect to any indemnification obligations in Article 9, above, or as are otherwise set forth in the Contract, any arbitral proceedings in accordance with Article 17, above, arising out of the Contract must be commenced within three (3) years after the cause of action has accrued.

The Parties further acknowledge and agree that, for these purposes, a cause of action shall accrue when the breach actually occurs, or, in the case of latent defects, when the injured Party knew or should have known all of the essential elements of the cause of action, or in the case of a breach of warranty, when tender of delivery is made, except that, if a warranty extends to future performance of the goods or any process or system and the discovery of the breach consequently must await the time when such goods or other process or system is ready to perform in accordance with the requirements of the Contract, the cause of action accrues when such time of future performance actually begins,

**19. PRIVILEGES AND IMMUNITIES:** Nothing in or relating to the Contract shall be deemed a waiver, express or implied, of any of the privileges and immunities of the United Nations, including its subsidiary organs.
