ANNEX 1: SCHEDULE OF REQUIREMENTS

TERMS OF REFERENCE

Designing, lay outing, printing and packaging book of SP4N Roadmap

1. Background

The Korea International Cooperation Agency (KOICA) and the United Nations Development Programme (UNDP) in Indonesia are initiating a collaboration with the Ministry of Administrative and Bureaucratic Reform (KemenPAN-RB) to strengthen the capacity of Indonesia's e-Governance by enhancing the national complaint handling system, SP4N-LAPOR!. Since 2017, KOICA and UNDP have held extensive discussions with various stakeholders including the Government of Indonesia (GoI), mainly the Executive Office of the President (KSP), KemenPAN-RB, and Republic of Indonesia's Ombudsman Office (ORI). Subnational governments, such as the Special Region of Yogyakarta Province, Bandung City, Tangerang Regency, and Sleman Regency, are also key stakeholders involved in the project.

SP4N-LAPOR! was developed as an online complaint handling system to increase civic participation in the monitoring of government performance, programmes, and provision of public services.

KOICA and UNDP have developed to enhance SP4N-LAPOR! to address these urgent needs at national and subnational levels. This 4-year programme aims to strengthen SP4N-LAPOR! by building the capacity of responsible authorities at national and subnational levels to handle and manage citizen complaints more effectively and raise public awareness of the G2C system through strategic public campaigns.

The project will be directly implemented by UNDP in close coordination with KOICA and KemenPAN-RB. The programme's activities will have 3 major components. First, the project will support the development of a masterplan for an integrated national complaint handling system. Second, the project will work closely with the national and subnational governments to provide technical trainings to improve their capacity in utilizing the system. Third, the project will increase the awareness of SP4N-LAPOR! within government and the public more widely in accessing the system. In doing so, the project will take into account on promoting the Government to Citizens (G2C) system to marginalized groups in the society, including women, youth, and persons with disabilities to use SP4N-LAPOR! as a platform to raise their voice to have better access to public services.

As part of implementation of Output 1, which aims to ensure that the SP4N masterplan be able to be understood clearly and followed up by all of ministries, national level institutions, regional government and local government by developing action plan for their respective agencies, printing masterplan and its distribution to all of agencies is needed. Through a printing document which can be read and carefully explored in common way that it applies for all of level of government, it's aimed to facilitated all of relevant stakeholders on effectively understand the whole of the content of the document.

2. Objectives

The overall objective of the SP4N-LAPOR! project is to enhance the capacity of the SP4N institution at national level through both of national and local institution improvement by involving all of relevant actors including women, people with disability and marginalized groups.

This activity itself is aimed to provide hard copy or printed document of SP4N roadmap of 2020-2024 to all of sub national and local government as reference for roadmap action plan development.

The output of this activity or the service that the project expected for this activity are as below:

- a. the SP4N Roadmap printed as a book (including cover design and layout of content and editing) in 6.500 (six thousand and five hundred) copies;
- b. The printed books of roadmap are packaged and labeled with the recipients address in 548 packages and each package will contain 10 exemplars of book;

- c. The selected printing company will be responsible for the remaining 1.020 copies to be packaged that will be easily delivered to KemenPAN-RB. For each will contain 10 copies of book without address label.

3. Timeline, Duration, and Platforms

- The printed SP4N roadmap should be produced within 40 (forty) calendar days from the signing of contract by both parties.
- Design, layout and mock up will be reviewed by UNDP and KemenPAN-RB approximately in 10 (ten) calendar days upon receive the result.
- The printed SP4N roadmap should be packaged within 10 (ten) calendar days after the book have been printed and produced;

6. Duration of Assignment

The Duration of assignment for all of work is 60 (sixty) days calendar from the signing of the contract by both parties.

7. Risk and Assumptions

Assumptions:

- a.** Ministry of Administrative and Bureaucratic Reform of the Republic of Indonesia will promptly agree with the design and layout of the book;
- b.** Routine coordination to anticipate late delivery of activity between UNDP and service provider.

Risk:

1. Considering the recent global and national security threat of the outbreak COVID 19, the implementation of this activity might be postponed or canceled if the situation gets worse;
2. The printing material which is the Permen has already been finalized and officially promulgated by government, so that the printing material is a final document which does not necessarily need editing in term of substance or content. But, to anticipate the miss spelling or something that need to be edited in term of writing, thus, I add editing as part of work aside of design and layout of content.

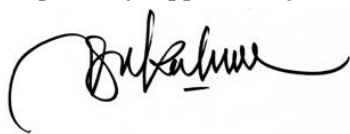

7. Report and Schedule of Payment
