

Questions & Answers - Part 3
ITB-UNDP-PETRA-92266-008-2020

Assignment Name:

Procurement of Works: Construction of Health and School Facilities in Central Sulawesi

LOT 1 – Construction of School Facilities in Palu

LOT 2 – Construction of Health and School Facilities in Donggala District

LOT 3 – Construction of School Facilities in Parigi Moutong District

LOT 4 – Construction of School Facilities in Sigi Sidera & Bulupontu Jaya Districts

LOT 5 – Construction of Health and School Facilities in Sigi Biromaru & Kulawi Districts

TO ALL INTERESTED BIDDERS

- Q: Based on our previous experiences on similar nature and value of the projects, is it not over personnel for the skilled labour you requested considering the number of buildings to build?
- A: **No. The number of skilled personnel has been considered thoroughly between the design consultant and UNDP, considering the nature of buildings on the disaster-prone area and UNDP's responsibility to consider the environmental and social friendly principal.**
- Q: Are all proposed personals should be available on site during the project?
- A: **The proposed personnel should be available during the preparation and execution of his/her particular tasks. For example, a mechanical/electrical (M/E) engineer should be available when we discussed about the (M/E) material and the execution of M/E works.**
- Q: If we are the awardee of 3 LOTs, can we rearrange the number of skilled labour according to our needs and analysis? I.e. if we get 3 LOTs, can we put only 1 Project Manager because there are already 3 Site Managers?
- A: **In responding to the ITB, the bidders have to fulfil all requirements as mentioned in ITB including the number and qualification of personnel per LOT. If a bidder won more than one LOT, the re-arrangement of experts will be discussed later as long as it is not contradictory with UNDP requirement**
- Q: For the river stone material, does our vendor have to have Izin Usaha Pertambangan (IUP)?
- A: **Yes, the vendor should have all required permits.**
- Q: For the sand materials, does our vendor have to have Ijin Galian C?
- A: **Yes, the vendor should have all required permits.**
