1. BACKGROUND

The UNDP Country Programme (CPD 2018-2022) supports the implementation of the 2030 Agenda and Sustainable Development Goals within the framework of addressing the challenges of multiple transitions in Myanmar. The current Country Programme is built on the achievements of the previous programme but represents a shift towards more integrated programming at the national and sub-national levels and support to United Nations-wide initiatives to better address the interlinkages between peacebuilding and social cohesion, governance, environment and natural resources management, resilience, urbanization and balanced and inclusive growth.

The UNDP Myanmar Strategic Management Unit (SMU) drives new ways of working through partnerships, innovation, communications, design and data visualization; coordinates quality assurance of monitoring and evaluation as well as continuous project monitoring through defined indicators; supports programme teams and CO senior management in planning and management of thematic country programme and project evaluation(s) and follow up in implementation of recommendations; and promotes evaluation standards, quality assurance/control and capacity development in the Country Office by facilitating knowledge building and management. The team strives to bring new methodologies, energy and insights into the work of the entire Country Office.

UNDP uses a range of communication tools and products to portray the impact of the work it does. Key to this is this the UNDP Myanmar website.
