This correspondence pertaining to the above-mentioned requirement should be considered as an integral part of the tender documents.

Below please find the UNDP clarification and an official reply (in **blue text**) to all inquiries raised by participant bidders.

Question: “In the TOR, under the Component 2 Task Table, the footnote of the sentence "Based on available data of GSO Enterp Census, NCIF’s study on top 500 firms and UNDP commissioned study on bottlenecks of SMEs to growth..." said that "*Information of these studies will be provided to all candidates*" (page 10 of the Request for Quotation). Could you kindly provide us such information?"

Answer:

This is a mistake in our process of TOR preparation. The sentence "*Information of these studies will be provided to all candidates*" (page 10 of the Request for Quotation) is hereby replaced by the following sentence:

*“Information of these studies will be provided to **the selected bidder**”*
