## TERMS OF REFERENCE

### **1. BACKGROUND.**

Container Control Programme (CCP) is a joint initiative between United Nations Office on Drugs and Crime (UNODC) and World Customs Organization (WCO). The Programme aims to assist interested governments in improving their Customs Enforcement performance. CCP Objective is to enhance beneficiaries' targeting capacities in intercepting illicit consignments with minimum interruption to the legitimate trade flow.

CCP does so by establishing dedicated inter-agency units called "Port Control Units (PCUs)" / "Air Cargo Control Units (ACCUs)" and training them on risk management, profiling, targeting, inspection techniques, trend analysis, and keeps adding on to their knowledge and experience based on local context and requirements. For achieving this, CCP is privileged to have a pool of experts, mostly ex Customs officers from around the world, each with years of experience on specific Enforcement topics. In CCP methodology, the collective experience of these experts is transferred to the relevant PCUs through training phases and mentorship. As of January 2021, CCP has 70 participating/beneficiary countries with 99 PCUs and 20 ACCUs across the World.

Pakistan is a participating member of the Container Control Programme since 2007. The very first Pakistan's PCU became operational in 2009 at Karachi Seaport and soon after that Port Qasim. Following the positive experience and the good results at the Karachi and Port Qasim PCUs, Pakistan volunteered to be the first country to expand the CCP profiling concept to their airports. In 2016, Karachi International airport hosted the first ACCU under Container Control Programme. Lahore and Islamabad International Airports joined in in the following years. Container Control Programme keeps fostering and developing the established PCUs/ACCUs through constant and regular mentorship, ad-on training, and exchange of experience among various Units.

In line with the Sustainable Development Goals (SDGs), in particular, Gender Equality (SDG 5) and Reduced Inequalities (SDG 10), a gender perspective is actively mainstreamed in all UNODC practices, policies, and programmes. Understanding the interrelationship between gender and threats relating to crime and security is vital to the overall effectiveness of any response. Applying a gender perspective to UNODC's work requires awareness of the gendered dimensions of any activity, which requires analysis, information, and consultations with both women and men. Ultimately integrating a gender perspective will result in a more balanced and representative approach, and thus a more effective response in UNODC's thematic areas of work.

According to the World Economic Forum, South Asia ranks second to last in the Global Gender Gap Index, with Pakistan ranking second to last globally.<sup>1</sup> On average, women in Pakistan earn 42% less than what men earn and even as educational/professional requirements increase, women's earnings only rise slightly.<sup>2</sup> Furthermore, less than 7% of managerial positions in Pakistan are held by women.<sup>3</sup> Ultimately, the gap between men and women in managerial positions is more than 90%.<sup>4</sup> A stronger focus on work—leveraging the talents of women and men alike—is needed to contain widening inequalities.

## **2. MAIN OBJECTIVES, RESPONSIBILITIES AND DESCRIPTION OF THE REQUIRED WORK.**

To address persistent inequality in the labour market, the Container Control Programme encourages training of equal numbers of men and women law enforcement officials. In 2015, the CCP Women's Network was established, which aims to actively promote women's roles in the Programme and foster an inclusive dialogue around female participation, leadership, empowerment, and freedom from discrimination in a sector often dominated by men.

The CCP tries to incorporate a gender perspective throughout the project cycle, and regularly evaluates the gender balance in PCUs, ACCUs, and training events to assess the impact of interventions. Although female PCU/ACCU officers generally remain under-represented in the Programme (between 0% and 60% depending on the individual Unit), we have seen sustained improvement, rising to an average of 16% compared to 11% in 2015.

In an effort to further improve the role of female officers at CCP units, the Programme intends to design, develop, and deliver a new awareness package on "Women Empowerment" for law enforcement officers as primary audience. This current announcement/vacancy calls for experienced interested individuals who can perform and deliver the below mentioned tasks and responsibilities.

The terms or conditions of any supplemental undertakings, licences or other forms of Contract concerning any goods or services to be provided under the Contract shall not be valid and enforceable against UNDP nor in any way shall constitute an Contract by UNDP thereto, unless any such undertakings, licences or other forms of Contract are the subject of a valid written undertaking by UNDP. No modification or change in the Contract shall be valid and enforceable against UNDP unless provided by means of a valid written amendment to the Contract signed by the Individual contractor and an authorized official or appropriate contracting authority of UNDP.

**11. ENCUMBRANCES AND LIENS:** The Individual contractor shall not cause or permit any lien, attachment or other encumbrance by any person to be placed on file or to remain on file in any public office or on file with UNDP against any monies due to the Individual contractor or to become due for any work done or against any goods supplied or materials furnished under the Contract, or by reason of any other claim or demand against the Individual contractor.

15. **TAXATION:** Article II, section 7, of the Convention on the Privileges and Immunities of the United Nations provides, *inter alia*, that the United Nations, including its subsidiary organs, is exempt from all direct taxes, except charges for public utility services, and is exempt from customs restrictions, duties and charges of a similar nature in respect of articles imported or exported for its official use. In the event any governmental authority refuses to recognize the exemptions of the United Nations from such taxes, restrictions, duties or charges, the Individual contractor shall immediately consult with UNDP to determine a mutually acceptable procedure. UNDP shall have no liability for taxes, duties or other similar charges payable by the Individual contractor in respect of any amounts paid to the Individual contractor under this Contract, and the Individual contractor acknowledges that UNDP will not issue any statements of earnings to the Individual contractor in respect of any such payments.

16. **AUDITS AND INVESTIGATIONS:**

Each invoice paid by UNDP shall be subject to a post-payment audit by auditors, whether internal or external, of UNDP or by other authorized and qualified agents of UNDP at any time during the term of the Contract and for a period of two (2) years following the expiration or prior termination of the Contract. UNDP shall be entitled to a refund from the Individual contractor for any amounts shown by such audits to have been paid by UNDP other than in accordance with the terms and conditions of the Contract.

The Individual contractor acknowledges and agrees that, from time to time, UNDP may conduct investigations relating to any aspect of the Contract or the award thereof, the obligations performed under the Contract, and the operations of the Individual contractor generally relating to performance of the Contract. The right of UNDP to conduct an investigation and the Individual contractor's obligation to comply with such an investigation shall not lapse upon expiration or prior termination of the Contract. The Individual contractor shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Individual contractor's obligation to make available its personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to UNDP access to the Individual contractor's premises at reasonable times and on reasonable conditions in connection with such access to the Individual contractor's personnel and relevant documentation. The Individual contractor shall require its agents, including, but not limited to, the Individual contractor's attorneys, accountants or other advisers, to reasonably cooperate with any inspections, post-payment audits or investigations carried out by UNDP hereunder.

#### **17. SETTLEMENT OF DISPUTES:**

**AMICABLE SETTLEMENT:** UNDP and the Individual contractor shall use their best efforts to amicably settle any dispute, controversy or claim arising out of the Contract or the breach, termination or invalidity thereof. Where the parties wish to seek such an amicable settlement through conciliation, the conciliation shall take place in accordance with the Conciliation Rules then obtaining of the United Nations Commission on International Trade Law ("UNCITRAL"), or according to such other procedure as may be agreed between the parties in writing.

**ARBITRATION:** Any dispute, controversy or claim between the parties arising out of the Contract, or the breach, termination, or invalidity thereof, unless settled amicably, as provided above, shall be referred by either of the parties to arbitration in accordance with the UNCITRAL Arbitration Rules then obtaining. The decisions of the arbitral tribunal shall be based on general principles of international commercial law. For all evidentiary questions, the arbitral tribunal shall be guided by the Supplementary Rules Governing the Presentation and Reception of Evidence in International Commercial Arbitration of the International Bar Association, 28 May 1983 edition. The arbitral tribunal shall be empowered to order the return or destruction of goods or any property, whether tangible or intangible, or of any confidential information provided under the Contract, order the termination of the Contract, or order that any other protective measures be taken with respect to the goods, services or any other property, whether tangible or intangible, or of any confidential information provided under the Contract, as appropriate, all in accordance with the authority of the arbitral tribunal pursuant to Article 26 ("Interim Measures of Protection") and Article 32 ("Form and Effect of the Award") of the UNCITRAL Arbitration Rules. The arbitral tribunal shall have no authority to award punitive damages. In addition, unless otherwise expressly provided in the Contract, the arbitral tribunal shall have no authority to award interest in excess of the London Inter-Bank Offered Rate ("LIBOR") then prevailing, and any such interest shall be simple interest only. The parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such dispute, controversy or claim.

**18. PRIVILEGES AND IMMUNITIES:** Nothing in or relating to the Contract shall be deemed a waiver, express or implied, of any of the privileges and immunities of the United Nations, including its subsidiary organs.
