Nº	Question	Answer
1.	Should other taxes except for VAT be included in financial proposal?	In case the organization is not a VAT payer but pays other taxes in accordance with local legislation, these taxes must be included in proposal, but not separated. In case organization is a VAT payer, VAT should be excluded from proposal, since the project is registered as participant of international technical cooperation.
2.	It is required to provide samples of previous projects implemented by proposed staff. Please clarify.	Please provide full CVs including information about relevant projects and links to the projects or abstracts of reports prepared, to enable evaluation of service quality and experience.
3.	Is presentation of results and conference event as per TOR the same interconnected deliverable?	Presentation of results (possibly on-line event) and Conference for business entities are different deliverables to facilitate partnership.
4.	Are there limitations regarding on-line platforms?	No limitations, but you have to ensure sustainability of service provision
5.	Is it possible to provide proposal in consortium?	Yes, please ensure all participants of consortium to meet minimum requirements. Otherwise include the partner as subcontractor only.
