The outbreak coincided with a change of government in the country, exacerbated by insufficient reform progress, a weakening health care system, an ageing population, a macroeconomic downturn, and a protracted armed conflict in eastern Ukraine. The COVID-19 pandemic has seriously affected all regions and local communities in Ukraine, in particular by further straining local budgets and worsening the results of long-term underinvestment in the health care system. Hence, to provide equal opportunities, improvement of quality and accessibility of administrative services to business entities and residents of Holoprystanska, Tiahynska, Kostiantynivska, Novokakhovska and Novooleksandrivska United Territorial Communities (UTCs) of Kherson region and Horodenka and Kolomyia Amalgamated Territorial Communities (ATCs) of Ivano-Frankivsk region.
