Bid Bulletin No. 1
RFQ 403/21 Model police station Initiative - Falluja Police station in Falluja city- Iarq

UNDP response to Request for clarifications
Q1) During pricing the BOQ of the above-mentioned bid, we have noticed in the paragraph of the split unit in each sheet that the required split is ceiling type while in the compliance sheet it was mentioned wall mounted type. Could you please specify which one is right because the type of the split will affect the price.

Response:
Kindly consider the wall mounted type.
