

ANNEX 1: SCHEDULE OF REQUIREMENTS

Note: Please note that the office intends to procure either one among three options (hybrid Van or Hybrid SUV or Electric Vehicle SUV) subject to ceiling of the office budget for this procurement.

Winning bidder must hand over the vehicles to the carrier or make them available for freight organized by UNDP within three months' time when the order is placed. UNDP may extend vehicles dispatch date based on the counter-offered by bidder in exceptional circumstances only, and failure to dispatch before those dates will result in termination of the contract for the supply of the vehicles with no obligation for UNDP to accept late delivery.

Technical Specifications :

Items to be provided*	Total Qty	Description of Goods	
Option-1		Electric Vehicle	
		Description	Specification
1	1 unit	Condition	New and unused hybrid/electric vehicle, manufactured in year 2021 or later
		Vehicle Type	SUV
		No. of Doors	4 -5 doors
		Seating Capacity	5 – 7 seater
		Engine Type	Pure Electric Motor
		Power	110 Kw – 160 Kw
		Battery Capacity	Between 50 and 65 KWh
		Transmission	Manual / Automatic
		Steering Type	<ul style="list-style-type: none"> Power Right Hand Drive (RHD) ¹
		Seat Covering	Easy cleaning textile/artificial leather/leather
		Brakes	<ul style="list-style-type: none"> Front and Rear Disk type ASR, ESP, ABS, EDS systems or equivalent
		Electrical System	<ul style="list-style-type: none"> 12 V minimum, one socket in the trunk Head light (Xenon preferable), Rear Lights, Turn signal lights Parking signal lights Front and rear anti-fog lights LED day running lights
		Charging	<ul style="list-style-type: none"> At least Level II charge and Direct-current Fast Charging (DCFC) capable Compatible with individual charging stations available in Samoa, including solar charging systems
		Exterior Color	White, or light blue
		Safety Features	<ul style="list-style-type: none"> Rating: 5-star Euro NCAP or equivalent

¹ Corrected from initial RFQ 20 Nov 2021. Should be RHD not LHD.

			<ul style="list-style-type: none"> • 3-point automatic safety belts with adjustable height • Airbags: Driver and Passenger, Rear seats and Curtain • Front seat headrests with traumatic damping mechanism • Immobilizer • Central locking with remote control and keys • Rear Park Assist sensors (Front optional) • Maximum speed alarm indicator (optional) • Additional arrangements will be an asset
		Essential Features/ Accessories	<ul style="list-style-type: none"> • Level II charge cord • Multimedia information panel • Front seats with adjustable height and lumbar support • Asymmetric adjustable rear seats • Front and rear electric windows lifters • Heated exterior mirrors with electric control • Windscreen wipers with intermittent function • Cruise control • Full Auto Air Conditioning (automatic climate control) • Illuminated luggage compartment • Outdoor temperature gauge • Front and rear floor mats • Audio system with USB and Bluetooth connection • Built-in GPS navigator • Warning triangle • Board tools and jack • Automatic Portable Fire extinguisher, or carbon dioxide / mechanical foam / based extinguisher • Tire repair kit or Full-Size Alloy Wheel & Tire • First aid kit • Domestic charging cable included
		Manual	One copy of the owners and operator's instruction and maintenance manual in English (electronic copy)
		Warranties	Minimum 3 years manufacturing defect on motors and minimum 5 years manufacturer warranty on battery

Items to be provided*	Total Qty	Description of Goods	
Option-2		Plug-in Hybrid Vehicle	
		Description	Specification
1	1 unit	Condition	New and unused hybrid/electric vehicle, manufactured in year 2021 or later
		Vehicle Type	Plug-in Hybrid SUV
		Exterior Color	White, or light blue
		Transmission	Automatic / Manual

		Driving Type	Right hand drive ²
		Fuel Type	Petrol
		Engine	<ul style="list-style-type: none"> Conventional engine capacity (cc): min. 2000 Combined engine power (hp): min. 200
		Steering	Electric assisted steering
		No. of Doors	4 -5 doors
		Seating Capacity	5 – 7 seater
		Seat Covering	Easy cleaning textile/artificial leather/leather
		Safety Features	<ul style="list-style-type: none"> Rating: 4 - 5 star Euro NCAP or equivalent 3-point automatic safety belts with adjustable height Airbags: Driver and Passenger, Rear seats and Curtain Front seat headrests with traumatic damping mechanism Immobilizer Central locking with remote control and keys Rear Park Assist sensors (Front optional) Maximum speed alarm indicator (optional) Additional arrangements will be an asset
		Brakes	<ul style="list-style-type: none"> Front and Rear Disk type ASR, ESP, ABS, EDS systems or equivalent
		Charging	<ul style="list-style-type: none"> Portable charging cable for standard outlets included Battery: Rechargeable Lithium-ion (Polymer) battery included in price Battery capacity at least 22kWh Compatible with individual charging stations available in Samoa, including solar charging systems High speed charging mode compatible
		Essential Features/Accessories	<ul style="list-style-type: none"> Multimedia information panel Front seats with adjustable height and lumbar support Asymmetric adjustable rear seats Front and rear electric window lifters Heated exterior mirrors with electric control Windscreen wipers with intermittent function Cruise control Full Auto Air Conditioning (automatic climate control) Illuminated luggage compartment Outdoor temperature gauge Front and rear floor mats Audio system with USB and Bluetooth connection Built-in GPS navigator Warning triangle Board tools and jack Automatic Portable Fire extinguisher, or carbon dioxide / mechanical foam / based extinguisher Tire repair kit or Full-Size Alloy Wheel & Tire First aid kit Domestic charging cable included

² Corrected from initial RFQ 20 Nov 2021. Should be RHD not LHD.

		Manual	One copy of the owners and operator's instruction and maintenance manual in English (electronic copy)
		Warranty	Min. 3 years or 100,000 km overall vehicle warranty

Items to be provided*	Total Qty	Description of Goods	
Option-3		Plug-in Hybrid Electric VAN	
		Description	Specification
1	1 unit	Condition	New and unused hybrid/electric vehicle, manufactured in year 2021 or later
		Vehicle Type	Plug-in Hybrid VAN
		Exterior Color	White, or light blue
		Transmission	Automatic / Manual
		Driving Type	Right hand drive ³
		Fuel Type	Petrol
		Engine	<ul style="list-style-type: none"> Conventional engine capacity (cc): min. 2000 Combined engine power (hp): min. 200
		Steering	Electric assisted steering
		No. of Doors	4 -5 doors
		Seating Capacity	7 -9 seater
		Seat Covering	Easy cleaning textile/artificial leather/leather
		Safety Features	<ul style="list-style-type: none"> Rating: 4-5 star Euro NCAP or equivalent 3-point automatic safety belts with adjustable height Airbags: Driver and Passenger, Rear seats and Curtain Front seat headrests with traumatic damping mechanism Immobilizer Central locking with remote control and keys Rear Park Assist sensors (Front optional) Maximum speed alarm indicator (optional) Additional arrangements will be an asset
		Brakes	<ul style="list-style-type: none"> Front and Rear Disk type ASR, ESP, ABS, EDS systems or equivalent
		Charging	<ul style="list-style-type: none"> Portable charging cable for standard outlets included Battery: Rechargeable Lithium-ion (Polymer) battery included in price Battery capacity at least 22kWh Compatible with individual charging stations available in Samoa, including solar charging systems High speed charging mode compatible

³ Corrected from initial RFQ 20 Nov 2021. Should be RHD not LHD.

		Essential Features/Accessories	<ul style="list-style-type: none"> • Multimedia information panel • Front seats with adjustable height and lumbar support • Asymmetric adjustable rear seats • Front and rear electric window lifters • Heated exterior mirrors with electric control • Windscreen wipers with intermittent function • Cruise control • Full Auto Air Conditioning (automatic climate control) • Illuminated luggage compartment • Outdoor temperature gauge • Front and rear floor mats • Audio system with USB and Bluetooth connection • Built-in GPS navigator • Warning triangle • Board tools and jack • Automatic Portable Fire extinguisher, or carbon dioxide / mechanical foam / based extinguisher • Tire repair kit or Full-Size Alloy Wheel & Tire • First aid kit • Domestic charging cable included
