Existing Exit luminaries to be replaced. These shall be installed directly above the doors. The contractor shall ensure that all conduits are recessed into the wall.

See Note 3.

Notes:
1. Existing luminaries, power and associated controls to be retained.
2. Contractor shall investigate the existing emergency lighting provision and report these back to the engineer for final confirmation of any changes to type, number and location.
3. Exit signage shall be incorporated into the door frame. Contractor to coordinate this with the manufacturer.

LEGEND
- Lighting Fixture
- Emergency Exit Sign
- Denotes luminaries to be retained and relocated.
- New Installation
