

Clarification: RFP-BD-2022-001

Queries		Response	
3. Objectives of the assignment Page #25	The primary objective of this assignment is to identify the scope of improvement and perform gap analysis in terms of international cloud compatibility for major technology components of a2i. In general	As per the scope mentioned in the RFP, it is mentioned that it is to identify the scope of improvement and perform gap analysis. Is Cloud migration also part of the scope?	Yes, as the platform are not host in cloud, to make compatible those platform migrations required.
8. Deliverables and Payment Schedule Page # 28	Inception Report 15 days	While the egov services resource requirements look to be standard, to prepare the migration construct we will have to assess each application and dependency. Is one to understand this assessment needs to be completed in 15 days?	Yes.
7. Cloud Resource Specifications Page # 27	Cloud Resource Specifications	Cloud Resource specification mentioned in this section, is it existing resources or future resource requirements after Migration?	Based on existing resource that specification prepared.
Generic	Operation & Maintenance	Is there any plan for O&M after the migration?	There is no plan to disclose what is relevant to this assignment.
Generic	Overall Plan	Since there is ambiguity in understanding the overall scope, Please share the complete plan with activities to be performed for 8 months duration.	The duration is 6 months. Where we would like to know a complete plan of how the assignment will be executed.
3. Objectives of the assignment Page #25	Scope of work says that “ To build a national digital health architecture and dashboard framework as well as develop a prototype. “	Therefore will these two services be greenfield and cloud native ?	Scope is defined to improvement and performance gap analysis in terms of international cloud compatibility.

Section 5.2 Responsibility of local ISCP service supplier	lists Responsibility of local ISCP service supplier.	AWS , GCP and AZURE have Availability zones in APAC but not in Bangladesh. Does this conflict with the idea of a “ local ICSP”?	Please refer to the minutes of the pre-bid meeting.
6. Duration of assignment, page # 27	Maximum expected duration of contract	On page 21 it is mentioned as 6 months, but on page #27 it mentioned as 8 months? Please clarify.	Please refer to the minutes of the pre-bid meeting.
