

14 February 2022

Bid Bulletin 1
ITB-017-PHL-2022
Supply and Delivery of 5 units 4 x 4 A/T Brand New Pick-Up Trucks

Dear Bidders,

Please be informed that we received unquiries from interested bidders, table below shows the reponses to the inquiries.

Inquiries	Response
1. Please clarify if withholding tax of 1% or 5% will be deducted at the time of units being registered under the name of any government organization.	There will be no deduction of withholding tax. All taxes are to be paid by the selected supplier. nel These vehicles are being donated by UNDP to DICT therefore a deed of sale will not be necessary. The dealer should facilitate the registration under DICT, and UNDP will provide the necessary documents to the supplier so that the unit/s should be registered under DICT.
2. Third party insurance (TPL) – LTO requires the TPL to be for three years	It is acceptable if the TPL is valid for three years, DICT will handle the transfer of the TPL after its expiration.

Please be guided accordingly.

Thank you.
