Annexure- 1

Description of Requirements

| Context of the Requirement | UNDP has been working and partnering with different public private sector organizations in India since 1951 to strengthen systems and institutions and promote Inclusive Growth and Livelihoods as well as Sustainable Energy, Environment and Resilience, with a focused agenda to leave no one behind. UNDP India has been working on addressing the plastic pollution through its integrated plastic waste management (PWM) approach in more than 30 cities since 2018. The programme is working towards implementing a socio-technical model, which addresses two-fold challenges in the domain – management of plastic waste through recovery and recycling and mainstreaming Safai Sathis (waste-pickers) in formal system through focus intervention on improving livelihoods and enabling social protection linkage. The project has successfully collected 76,600 MTs of plastic waste since 2018 and reached out to more than 10,000 Safai Sathis and their family members through this intervention. The Social Protection Programme for Safai Saathi aims to enable access, facilitate effective and equitable administration of social protection programs, and increased livelihood resilience. The program will achieve this through awareness and an innovative and ‘whole-of-society’ approach to promote a more inclusive recovery in challenging circumstances, including a recovery that promotes gender equality. To achieve this, UNDP proposes a comprehensive strategy based on three (3) complementary outcomes: 

**Outcome 1:** Inclusive and equitable social protection systems that leave no one behind will contribute to poverty reduction, reduce vulnerability across India and support populations left behind due to geography, vulnerability to shocks, discrimination, socio-economic model and impact of various laws and policies. The inclusion of previously left behind populations will help respond to multidimensional vulnerability. 

**Outcome 2:** Social protection programs are effectively administered reaching those furthest behind through capacity building and evidence-based planning. Improved capacity, documentation, and an understanding of challenges (both policy and operations) will strengthen the integrity of the social protection system, keep social protection equitable, responsive, and geared to inclusive distribution of resources while increasing efficiency and effectiveness of delivery. 

**Outcome 3:** Increased livelihood resilience as gender, vulnerable and marginalized groups, climate-related and other disaster related contingencies are being mainstreamed into social protection programs. |

**Terms of Reference**

**Title:** Utthaan – Urban Social Protection Programme for Safai Sathis

**Objective:** Improve awareness and access to social security schemes for Safai Sathis

**Location:** Mumbai and Delhi

**Duration:** 6 months

---

**Background**

India is experiencing a health and development crisis on an unprecedented scale. The second wave of COVID-19 has seen record numbers of infections and deaths. Cases are spreading from urban centers to smaller cities and more remote areas threatening development and exacerbating social and economic inequalities and vulnerability.

The Government of India (GoI) supports vulnerable people through numerous social protection programs. However, the pandemic is challenging social protections with informal workers. They often represent the ‘missing middle’ not covered by social assistance programs nor health insurance.

India has over 40 lakh waste pickers (Safai Sathis) in its waste management system. Often, they work in informal employment and unhygienic environments with low wages and opportunities for financial exploitation. They face higher levels of stigma and discrimination. Despite providing an essential public health service for the country’s citizens, they have limited access to social protection programs due to limited access to government-issued ID cards, awareness, and affordability.

In 2020, UNDP surveyed approximately 9,000 Safai Sathis in 15 cities to better understand their access to social protection measures. While 90% of Safai Sathis have Aadhar cards, the survey showed severe gaps in coverage for other national identity documents and linkage with govt. schemes.

Gaps have impacted the Safai Sathis’ ability to access other social protection measures: only 5% of Safai Sathis having health cards and access to government schemes to 9% receiving a pension. Early evidence suggests Safai Sathis’ lack of social protection is becoming more evident during the pandemic of COVID-19, and they face increasing vulnerability due to this. The scale of the ongoing crisis requires significantly expanded efforts to protect lives and livelihoods while also ensuring sustainable pathway to recovery.

**About the Project**

UNDP India has been working on addressing the plastic pollution through its integrated plastic waste management (PWM) approach in more than 30 cities since 2018. The programme is working towards implementing a socio-technical model, which addresses two-fold challenges in the domain – management of plastic waste through recovery and recycling and mainstreaming Safai Sathis in formal system through focus intervention on improving livelihoods and enabling social protection linkage.

In 2020, UNDP’s Plastic Waste Management programme conducted an internal situational analysis with 35 Implementing Partners and 2,300 Safai Sathis to examine the impact of COVID-19 on waste management operations and the lives of Safai Sathis. The analysis revealed the top 5 needs of the Safai Sathis are:

1. Rations
2. Daily wages
3. Access to health care
4. Personal protective equipment
5. Insurance

Project “Utthaan – Rise with Resilience” was created as UNDP India’s COVID-19 response to support Safai Sathis access to social protection schemes and built more resilient communities.
The project seeks to support the Safai Saathis by supporting:

- Increased links to government schemes and supporting the organization of their work in line with the Solid Waste Management Rules (SWM), 2016 and PWM, 2018
- Greater financial security through the opening of bank accounts, use of Direct Bank Transfer (DBT) to receive wages and links to self-help groups (SHGs) for alternate sources of income
- Improved food security through improved access to ration cards
- Increased health security through enrolment in health and life insurance schemes; and
- Greater access to education for Safai Sathis’ children through government schemes.

In the project's initial phase, UNDP identified 15 cities to carry out the program and recruited 18 UNVs to support the implementation. Despite the COVID-19 situation and accompanying lockdowns, the following results have been achieved so far:

- Reached out to 9300 Safai Sathis and their family members. Total outreach- 45,000+
- Two facilitation centers – 1) Panaji, Goa in March 2021 and 2) Bhubaneshwar, Odisha in August 2021 where Safai Sathis have begun to receive their health cards and other linkages with the local Urban Local Bodies
- Capacity Building workshop for enabling staff of City Livelihood Centres (CLCs) of Tamil Nadu Urban Livelihoods Mission for providing linkages to Safai Sathis in Chennai with the social protection schemes.
- Linkages with Social Protection Schemes

Overall, this project seeks to build on the initial success of Phase 1 of Utthaan – Rise with Resilience and support greater access to social protection for Safai Sathis in 2 cities – Mumbai and Delhi.

Objectives

Empowering Safai Sathis through an inclusive and gender-sensitive social protection support programme by facilitating the following measures:

- Linkage to Government schemes for Health, Pension, Education, Financial Inclusion, and other Social Security schemes
- Access to National ID Cards (such as Aadhar, Voter, Ration Card) wherever required to enable access and benefit from the social security schemes.
- Capacity building of ULBs and stakeholders involved in the project

Scope of Work

The Service Provider will be required to work in close coordination with the UNDP team and project partners in Mumbai and New Delhi under the project.

The following activities are expected to be carried out by the technical Service Provider:

1. Preparatory Planning
   - The Service Provider must leverage its existing knowledge, experience, secondary data, and network to analyze the current levels of information and access to government schemes/programs in Mumbai (Maharashtra) and Delhi (NCR Region) while mapping the state and central schemes.
Develop a roll out strategy and detailed implementation plan including deployment of field staff, operations, and other procedures on conducting training of the community Mobiliser, awareness camps, convergence with line departments and training material/curriculum with key milestones.

**Deliverable 1:** Inception report including rollout strategy, detailed implementation plan, training details and timeline.

2. **Beneficiaries/households mapping**

   - Identify and Mobilize 4500 Safai Sathis (50% in Mumbai and 50% in Delhi) through campaigns, community meetings, door to door interactions etc. Mobilization should primarily focus on the communities identified by UNDP team and PWM implementation partners in Mumbai and Delhi.
   - Vulnerability mapping should be carried out in consultation with UNDP team for mobilized 4500 Safai Sathis. Minority, SC, STs, homeless, differently abled persons, widows, orphans, old aged, Antyodaya, COVID-19 impacted households and other such groups should be mapped and given priority for access to social entitlements.

**Deliverable 2:** Data of mapped 4500 Safai Sathis (50% in Mumbai and 50% in Delhi) to be submitted in MS Excel/MIS as per the agreed UNDP formats.

3. **Training and Capacity Building**

   - UNDP’s experience in strengthening convergence and social security suggests that a multidimensional approach is needed to mobilise and spread awareness amongst beneficiaries. In the past, UNDP projects have used a grassroot approach blended with technology and multimedia support. Community Mobiliser have helped in better handholding support to the Safai Sathis.
   - The mobilized Safai Sathis should be given information on various government schemes and eligibility through some creative measures like group sessions, meetings at SHG level, street plays, posters, videos, WhatsApp messages etc.
   - Awareness camps should be conducted in coordination and cooperation with the local ULB officials and UNDP partners.
   - The technical partner is expected to train minimum 6 community mobilisers identified by UNDP and its partners on facilitating social protection linkages, as part of capacity building of the grassroot community.
   - Resources should be deployed for both physical and digital training/sessions delivery.
   - To create awareness amongst the target group, appropriate awareness tools such as digital posters/creatives, social media messages, printed posters, small animation videos etc. should be prepared. It is expected that 30-40 customized creatives along with animation videos would be developed for awareness and training purposes.

**Deliverable 3:** Training of minimum 6 Community Mobilisers (3 in Delhi and 3 in Mumbai).

**Deliverable 5:** Submission of applications for 3000 Safai Sathis (1500 in Mumbai and 1500 in Delhi) from the mobilised group for accessing benefits. The hard copies of these forms should be reviewed monthly by UNDP Project Associate (Social Protection Program and Project Officer)

**Deliverables 6:** Actual linkages to at least 2 government schemes per safai sathi should be achieved for atleast 3000 applicants (1500 in Mumbai and 1500 in Delhi).

**Deliverable 7:** Data and supporting documents on each of the 3000 Safai Sathis (1500 in Mumbai and 1500 in Delhi) who have been linked with government program in MS Excel/MIS as per UNDP agreed formats.

GENERAL TERMS AND CONDITIONS FOR CONTRACTS

This Contract is between the United Nations Development Programme, a subsidiary organ of the United Nations established by the General Assembly of the United Nations (hereinafter “UNDP”), on the one hand, and a company or organization indicated in the Face Sheet of this Contract (hereinafter the “Contractor”), on the other hand.

1. LEGAL STATUS OF THE PARTIES: UNDP and the Contractor shall be referred to as a “Party” or, collectively, “Parties” hereunder, and:

   1.1 Pursuant, inter alia, to the Charter of the United Nations and the Convention on the Privileges and Immunities of the United Nations, the United Nations, including its subsidiary organs, has full juridical personality and enjoys such privileges and immunities as are necessary for the independent fulfillment of its purposes.

   1.2 The Contractor shall have the legal status of an independent contractor vis-à-vis UNDP, and nothing contained in or relating to the Contract shall be construed as establishing or creating between the Parties the relationship of employer and employee or of principal and agent. The officials, representatives, employees, or subcontractors of each of the Parties shall not be considered in any respect as being the employees or agents of the other Party, and each Party shall be solely responsible for all claims arising out of or relating to its engagement of such persons or entities.

2. OBLIGATIONS OF THE CONTRACTOR:

   2.1 The Contractor shall perform and complete the services described in the Terms of Reference and Schedule of Payments (hereinafter the “Services”), with due diligence and efficiency, and in accordance with this Contract. The Contractor shall also provide all technical and administrative support needed in order to ensure the timely and satisfactory performance of the Services.

   2.2 The Contractor represents and warrants the accuracy of any information or data provided to UNDP for the purpose of entering into this Contract, as well as the quality of the deliverables and reports foreseen under this Contract, in accordance with the highest industry and professional standards.

   2.3 All time limits contained in this Contract shall be deemed to be of the essence in respect of the performance of the provision of the Services.

3. LONG TERM AGREEMENT: If the Contractor is engaged by UNDP on the basis of a long-term agreement (“LTA”) as indicated in the Face Sheet of this Contract, the following conditions shall apply:

   3.1 UNDP does not warrant that any quantity of Services shall be ordered during the term of the LTA.

   3.2 Any UNDP business unit, including, but not limited to, a Headquarters unit, a Country Office or a Regional Centre, as well as any United Nations entity, may benefit from the retainer and order Services from the Contractor hereunder.

   3.3 The Contractor shall provide the Services, as and when requested by UNDP and reflected in a purchase order, which shall be subject to the terms and conditions stipulated in this Contract. For the avoidance of doubt, UNDP shall acquire no legal obligations towards the Contractor unless and until a
purchase order is issued.

3.4 The Services shall be at the Discount Prices annexed hereto. The prices shall remain in effect for a period of three years from the Starting Date stated in the Face Sheet of this Contract.

3.5 In the event of any advantageous technical changes and/or downward pricing of the Services during the term of the retainer, the Contractor shall notify UNDP immediately. UNDP shall consider the impact of any such event and may request an amendment to the retainer.

3.6 The Contractor shall report semi-annually to UNDP on the Services provided, unless otherwise specified in the Contract. Each report should be submitted to the UNDP Contact Person indicated in as indicated in the Face Sheet hereto, as well as to a UNDP business unit that has placed a purchase order for the Services during the reporting period.

3.7 The LTA shall remain in force for the maximum period of two years and may be extended by UNDP for one additional year by mutual agreement of the Parties.

4. PRICE AND PAYMENT:

4.1 FIXED PRICE: If Fixed Price is chosen as a payment method pursuant to the Face Sheet of this Contract, in full consideration for the complete and satisfactory provision of the Services, UNDP shall pay the Contractor a fixed amount indicated in the Face Sheet of this Contract.

4.1.1 The amount stated in the Face Sheet of this Contract is not subject to any adjustment or revision because of price or currency fluctuations, or the actual costs incurred by the Contractor in the performance of the Contract.

4.1.2 UNDP shall effect payments to the Contractor in the amounts and pursuant to the schedule of payments set forth in the Terms of Reference and Schedule of Payments, upon completion by the Contractor of the corresponding deliverable(s) and upon acceptance by UNDP of the original invoices submitted by the Contractor to the UNDP Contact Person indicated in the Face Sheet of this Contract, together with whatever supporting documentation that may be required by UNDP:

4.1.3 Invoices shall indicate a deliverable completed and the corresponding amount payable.

4.1.4 Payments effected by UNDP to the Contractor shall be deemed neither to relieve the Contractor of its obligations under this Contract nor as acceptance by UNDP of the Contractor’s provision of the Services.

4.2 COST REIMBURSEMENT: If Cost Reimbursement is chosen as a payment method pursuant to the Face Sheet of this Contract, in full consideration for the complete and satisfactory provision of the Services under this Contract, UNDP shall pay the Contractor an amount not exceeding the total amount stated in the Face Sheet of this Contract.

4.2.1 The said amount is the maximum total amount of reimbursable costs under this Contract. The breakdown of costs contained in the Financial Proposal, referred to in the Face Sheet to this Contract shall specify the maximum amount per each cost category that is reimbursable under this Contract. The Contractor shall specify in its invoices or financial reports (as required by UNDP) the amount of the actual reimbursable costs incurred in the provision of the Services.

4.2.2 The Contractor shall not provide the Services or equipment, materials and supplies that may result in any costs in excess of the amount stated in the Face Sheet of this Contract, or of the maximum amount per each cost category specified in the breakdown of costs contained in the Financial Proposal, without the prior written agreement of the UNDP Contact Person.

4.2.3 The Contractor shall submit original invoices or financial reports (as required by UNDP) for the Services provided in accordance with the schedule set forth in the Terms of Reference and
Schedule of Payments. Such invoices or financial reports shall indicate a deliverable or deliverables completed and the corresponding amount payable. They shall be submitted to the UNDP Contact Person, together with whatever supporting documentation of the actual costs incurred that is required in the Financial Proposal, or may be required by UNDP.

4.2.4 UNDP shall effect payments to the Contractor upon completion by the Contractor of the deliverable(s) indicated in the original invoices or financial reports (as required by UNDP) and upon acceptance of these invoices or financial reports by UNDP. Such payments shall be subject to any specific conditions for reimbursement specified in the breakdown of costs contained in the Financial Proposal.

4.2.5 Payments effected by UNDP to the Contractor shall be deemed neither to relieve the Contractor of its obligations under this Contract nor as acceptance by UNDP of the Contractor’s performance of the Services.

5. ADVANCE PAYMENT:

5.1 If an advance payment is due to the Contractor pursuant to the Face Sheet of this Contract, the Contractor shall submit an original invoice for the amount of that advance payment upon signature of this Contract by the Parties.

5.2 If an advance payment representing 20% or more of the total contract value, or amounting to US$30,000 or more, is to be made by UNDP upon signature of the Contract by the Parties, such payment shall be contingent upon receipt and acceptance by UNDP of a bank guarantee or a certified cheque for the full amount of the advance payment, valid for the duration of the Contract, and in a form acceptable to UNDP.

6. SUBMISSION OF INVOICEDS AND REPORTS:

6.1 All original invoices, financial reports and any other reports and supporting documentation required under this Contract shall be submitted by mail by the Contractor to UNDP Contact Person. and property. The Contractor shall (i) put in place an appropriate security plan and maintain the
security plan, taking into account the security situation in the country where the Services are being
provided; and (ii) assume all risks and liabilities related to the Contractor’s security, and the full
implementation of the security plan. UNDP reserves the right to verify whether such a plan is in place,
and to suggest modifications to the plan when necessary. Failure to maintain and implement an
appropriate security plan as required hereunder shall be deemed a breach of this contract.
Notwithstanding the foregoing, the Contractor shall remain solely responsible for the security of its
personnel and for UNDP’s property in its custody as set forth above.

9. ASSIGNMENT: The Contractor shall not assign, transfer, pledge or make other disposition of this
Contract or any part thereof, or any of the Contractor's rights, claims or obligations under this Contract
except with the prior written consent of UNDP.

10. SUBCONTRACTING: In the event the Contractor requires the services of sub-contractors, the

worker’s compensation, products liability and liability arising out of the use of patented inventions or

agents, servants or sub-contractors. The obligations under this Article do not lapse upon termination of this
Contract.

12. INSURANCE AND LIABILITY:

12.1 The Contractor shall provide and thereafter maintain insurance against all risks in respect of its
property and any equipment used for the execution of this Contract.

12.2 The Contractor shall provide and thereafter maintain all appropriate workmen's compensation
insurance, or its equivalent, with respect to its employees to cover claims for personal injury, disability

amount to cover third party claims for death or bodily injury, or loss of or damage to property, arising
from or in connection with the provision of Services under this Contract or the operation of any
vehicles, boats, airplanes or other equipment owned or leased by the Contractor or its agents, servants,

14. EQUIPMENT FURNISHED BY UNDP TO THE CONTRACTOR: Title to any equipment and supplies that may be furnished by UNDP to the Contractor for the performance of any obligations under the Contract shall rest with UNDP, and any such equipment shall be returned to UNDP at the conclusion of the Contract or when no longer needed by the Contractor. Such equipment, when returned to UNDP, shall be in the same condition as when delivered to the Contractor, subject to normal wear and tear, and the Contractor shall be liable to compensate UNDP for the actual costs of any loss of, damage to, or degradation of the equipment that is beyond normal wear and tear.

15. COPYRIGHT, PATENTS AND OTHER PROPRIETARY RIGHTS:

15.1 Except as is otherwise expressly provided in writing in the Contract, UNDP shall be entitled to all intellectual property and other proprietary rights including, but not limited to, patents, copyrights, and trademarks, with regard to products, processes, inventions, ideas, know-how, or documents and other materials which the Contractor has developed for UNDP under the Contract and which bear a direct relation to or are produced or prepared or collected in consequence of, or during the course of, the performance of the Contract. The Contractor acknowledges and agrees that such products, documents and other materials constitute works made for hire for UNDP.

15.2 To the extent that any such intellectual property or other proprietary rights consist of any intellectual property or other proprietary rights of the Contractor: (i) that pre-existed the performance by the Contractor of its obligations under the Contract, or (ii) that the Contractor may develop or acquire, or may have developed or acquired, independently of the performance of its obligations under the Contract, UNDP does not and shall not claim any ownership interest thereto, and the Contractor grants to UNDP a perpetual license to use such intellectual property or other proprietary right solely for the purposes of and in accordance with the requirements of the applicable law and of the Contract.

15.3 At the request of UNDP, the Contractor shall take all necessary steps, execute all necessary documents and generally assist in securing such proprietary rights and transferring or licensing them to UNDP in compliance with the requirements of the applicable law and of the Contract.

Not more than fifteen (15) days following the provision of such notice of force majeure or other changes in condition or occurrence, the affected Party shall also submit a statement to the other Party of estimated expenditures that will likely be incurred for the duration of change in condition or the event of force majeure. On receipt of the notice or notices required hereunder, the Party not affected by the occurrence of a cause constituting force majeure shall take such action as it reasonably considers to be appropriate or necessary in the circumstances, including the granting to the affected Party of a reasonable extension of time in which to perform any obligations under the Contract.

22 NON-EXCLUSIVITY: Unless otherwise specified in the Contract, UNDP shall have no obligation to purchase any minimum quantities of goods or services from the Contractor, and UNDP shall have no limitation on its right to obtain goods or services of the same kind, quality and quantity described in the Contract, from any other source at any time.

23 SETTLEMENT OF DISPUTES:

The decisions of the arbitral tribunal shall be based on general principles of international commercial law. The arbitral tribunal shall be empowered to order the return or destruction of goods or any property, whether tangible or intangible, or of any confidential information provided under the Contract, order the termination of the Contract, or order that any other protective measures be taken with respect to the goods, services or any other property, whether tangible or intangible, or of any confidential information provided under the Contract, as appropriate, all in accordance with the authority of the arbitral tribunal pursuant to Article 26 (“Interim measures”) and Article 34 (“Form and effect of the award”) of the UNCITRAL Arbitration Rules. The arbitral tribunal shall have no authority to award punitive damages. In addition, unless otherwise expressly provided in the Contract, the arbitral tribunal shall have no authority to award interest in excess of the London Inter-Bank Offered Rate (“LIBOR”) then prevailing, and any such interest shall be simple interest only. The Parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such dispute, controversy, or claim.

24 PRIVILEGES AND IMMUNITIES: Nothing in or relating to the Contract shall be deemed a waiver, express or implied, of any of the privileges and immunities of the United Nations, including its subsidiary organs.
25 TAX EXEMPTION:

25.4 Article II, Section 7, of the Convention on the Privileges and Immunities of the United Nations provides, inter alia, that the United Nations, including its subsidiary organs, is exempt from all direct taxes, except charges for public utility services, and is exempt from customs restrictions, duties, and charges of a similar nature in respect of articles imported or exported for its official use. In the event any governmental authority refuses to recognize the exemptions of UNDP from such taxes, restrictions, duties, or charges, the Contractor shall immediately consult with UNDP to determine a mutually acceptable procedure.

25.5 The Contractor authorizes UNDP to deduct from the Contractor’s invoices any amount representing such taxes, duties or charges, unless the Contractor has consulted with UNDP before the payment thereof and UNDP has, in each instance, specifically authorized the Contractor to pay such taxes, duties, or charges under written protest. In that event, the Contractor shall provide UNDP with written evidence that payment of such taxes, duties or charges has been made and appropriately authorized, and UNDP shall reimburse the Contractor for any such taxes, duties, or charges so authorized by UNDP and paid by the Contractor under written protest.

26 MODIFICATIONS: No modification or change in this Contract shall be valid and enforceable against UNDP unless executed in writing by the duly authorized representatives of the Parties.

27 AUDITS AND INVESTIGATIONS:

27.4 Each invoice paid by UNDP shall be subject to a post-payment audit by auditors, whether internal or external, of UNDP or by other authorized and qualified agents of UNDP at any time during the term of the Contract and for a period of three (3) years following the expiration or prior termination of the Contract. UNDP shall be entitled to a refund from the Contractor for any amounts shown by such audits to have been paid by UNDP other than in accordance with the terms and conditions of the Contract.

27.5 UNDP may conduct investigations relating to any aspect of the Contract or the award thereof, the obligations performed under the Contract, and the operations of the Contractor generally relating to performance of the Contract at any time during the term of the Contract and for a period of three (3) years following the expiration or prior termination of the Contract.

27.6 The Contractor shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Contractor’s obligation to make available its personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to UNDP access to the Contractor’s premises at reasonable times and on reasonable conditions in connection with such access to the Contractor’s personnel and relevant documentation. The Contractor shall require its agents, including, but not limited to, the Contractor’s attorneys, accountants or other advisers, to reasonably cooperate with any inspections, post-payment audits or investigations carried out by UNDP hereunder.

27.7 UNDP shall be entitled to a refund from the Contractor for any amounts shown by such audits or investigations to have been paid by UNDP other than in accordance with the terms and conditions of the Contract. The Contractor also agrees that, where applicable, donors to UNDP whose funding is the source of, in whole or in part, the funding for the procurement of Goods and/or Services which are the subject of this Contract, shall have direct recourse to the Contractor for the recovery of any funds determined by UNDP to have been used in violation of or inconsistent with this Contract.
28 LIMITATION ON ACTIONS:
