Amendment # 01 to RFQ-016-IND-2022
March 07, 2022

“Provision of Cafeteria Services – UN House - India”

Dear Bidders,

The following amendments are hereby made to the RFQ document “Provision of Cafeteria Services – UN House - India”.

Wherever appearing in the RFQ document, the total duration of Long-Term Agreement should be read as maximum of three (3) years. The successful vendors shall sign a Long-Term Agreement with UNDP for a period of one (1) year initially, renewable thereafter for two more years upon satisfactory evaluation of performance.

The last paragraph of Point No. ‘4.6 Vending Machines’ should be read as

We further expect the service provider to adapt its standard products and presentation as necessary on the occasion of special visitors, in close consultation with UN’s event/meeting organizers, while still maintaining pricing levels agreed in the contract. When additional services/products are required that clearly fall outside the product range defined in this ToR (and when these cannot be regarded as substitution of other elements) the service provider and event organisers will consult and agree.

All other terms and conditions of the RFP document, except as amended herein above, remain unaltered.

Procurement Unit, UNDP India
