❖ **Lump sum contracts:**
   The financial proposal shall specify a total lump sum amount, and payment terms around specific and measurable (qualitative and quantitative) deliverables (i.e. whether payments fall in installments or upon completion of the entire contract). Payments are based upon output, i.e. upon delivery of the services specified in the TOR.    The financial proposal will specify the daily fee, travel expenses and per diems quoted in separate line items, and payments are made to the Individual Consultant based on the number of days worked.

In general, in relation to airfares, UNDP should not accept travel costs exceeding those of an economy class ticket; the most direct route, full economy class ticket will be used for calculation of airfares when appropriate. Should the IC wish to travel on a higher class he/she should do so using their own resources.

   Due to the ongoing COVID19 pandemic travel restrictions, the International Consultant will work with a National Consultant and the International Consultant will operate remotely using tools to conduct virtual interviews and consultations.

   In the case of unforeseeable travel, payment of travel costs including tickets, lodging and terminal expenses should be agreed upon, between the respective business unit and Individual Consultant, prior to travel and will be reimbursed.
