CONSULTANT PROCUREMENT NOTICE

19514-2022: INDIVIDUAL CONTRACT for “GCP Commodities Adviser (Coffee)”.

Date: March 21st, 2022

Description of the Assignment:

UNDP’s support to sustainable coffee production and trade goes back several decades, and includes early support to major certification organizations, coffee supply-chains, coffee farmers and sustainable productive landscapes. UNDP currently develops and implements a portfolio of projects that support sustainable, green and deforestation free coffee. This commitment makes UNDP one of the major international development agencies which promote sustainable coffee production and consumption.

UNDP is particularly focused on the need for systemic change in coffee producing countries dominated by artisanal smallholder family farmers with low technification and productivity, and insufficient sustainability or quality differentiation. These ‘low-efficiency’ origins lack competitive advantage compared with high-efficiency origins which are competitive at a much lower price point, and some of which have and can further increase production and productivity significantly, increasing vulnerability and risk in the sector in terms of future coffee availability, sourcing options, origin diversity and related coffee qualities. Sector transformation is imperative in many of these countries.

To build competitiveness, ‘low-efficiency’ producing countries must not only improve farmers’ yields and improve quality to access specialty markets, offer sustainably produced products, strengthen farmer organization etc., but also undertake more complex transition processes to increase farm-size, diversify or phase out coffee farming in lower altitudes with support to conversion into other crops, increase resilience to climate change and reduce carbon emissions to contribute to the countries’ climate change commitments. Overall, they must overcome succession challenges by making coffee production an attractive livelihood option for younger generations of farmers. UNDP remains committed to supporting producer countries in this transition process.

UNDP’s Green Commodities Programme (GCP), within UNDP’s Food and Agricultural Commodity Systems (FACS) Practice, supports systemic change in commodity sectors around the world, including, among others, the palm oil sector in Indonesia, the cashmere sector in Mongolia, the soy and cattle sectors in Paraguay, and the coffee sector in Peru, where UNDP has supported a multi-stakeholder dialogue process that led to the formulation of Peru’s National Coffee Action Plan.

The GCP works to enable multi-stakeholder processes because the problems facing commodity sectors are too
large and complex for any single stakeholder group to address. Systemic change requires the participation and effective collaboration of all actors. UNDP GCP recently launched The Effective Collaborative Action (ECA) guide, which is methodology that builds on the foundation of 10 years’ experience in transforming food and agricultural commodity systems.

Over the decade our work has evolved from dialogue and collective action (and our methodology on National Commodity Platforms) to Changing Systems through Collaborative Action. And we are broadening the application from support to commodity production to the transformation of food systems. Given the interest in systemic change in the global coffee sector UNDP’s Green Commodities Programme wishes to strengthen its team with a Commodities Adviser (Coffee).

B. PROJECT DESCRIPTION OR BACKGROUND

UNDP currently develops and implements a portfolio of projects that support sustainable, green and deforestation-free coffee. This commitment makes UNDP one of the major international development agencies which promote sustainable coffee production and consumption.

Overall, they must overcome succession challenges by making coffee production an attractive livelihood option for younger generations of farmers. UNDP remains committed to supporting producer countries in this transition process.
UNDP’s Green Commodities Programme (GCP), within UNDP’s Food and Agricultural Commodity Systems (FACS) Practice, supports systemic change in commodity sectors around the world, including, among others, the palm oil sector in Indonesia, the cashmere sector in Mongolia, the soy and cattle sectors in Paraguay, and the coffee sector in Peru, where UNDP has supported a multi-stakeholder dialogue process that led to the formulation of Peru’s National Coffee Action Plan. The GCP works to enable multi-stakeholder processes because the problems facing commodity sectors are too large and complex for any single stakeholder group to address. Systemic change requires the participation and effective collaboration of all actors. UNDP GCP recently launched The Effective Collaborative Action (ECA) guide, which is methodology that builds on the foundation of 10 years’ experience in transforming food and agricultural commodity systems. Over the decade our work has evolved from dialogue and collective action (and our methodology on National Commodity Platforms) to Changing Systems through Collaborative Action. And we are broadening the application from support to commodity production to the transformation of food systems.

Given the interest in systemic change in the global coffee sector UNDP’s Green Commodities Programme wishes to strengthen its team with a Commodities Adviser (Coffee). The Adviser would support several coffee-themed activities:

International Coffee Organization’s (ICO) Coffee Public-Private Task Force (CCPTF)
In partnership with the Global Coffee Platform, the Green Commodities Programme has supported the ICO’s CPPTF process as facilitators of the Technical Workstream (TWS) 3 Forum: “Sector Transformation in Coffee Exporting Countries”. The process is outlined in Annex 1 to this document. Together with the other CPPTF TWS, the TWS 3 Forum contributes to the CPPTF Roadmap and will support systemic change in the coffee sector by fostering dialogue and collaboration through new or strengthened multi-stakeholder platform structures. The TW3 Forum generated expressions of interest in nationally led multi-stakeholder processes on behalf of several exporting country coffee leaders as well as from potential international partners.

During 2022, UNDP and the Global Coffee Platform will deepen stakeholder engagement in select exporting countries and facilitate the co-design of new or strengthened existing collaborative action platforms or structures. In coordination with the CPPTF Secretariat, UNDP and the Global Coffee Platform will present proposals for donor funding which will support the implementation of the corresponding activities.

The dialogue with national stakeholders and international partners should lead to a firm commitment to systemic change and willingness to take joint action, by forming coalitions between country representatives and the responsible public institutions in producer countries, global coffee companies, civil society organizations, donor agencies, financing institutions and other key stakeholders interested in improving the livelihood of millions of farmer families while conserving the fragile ecosystems in coffee production landscapes.

UNDP Green Commodities Community: Collaborative action in the coffee sector
Since 2015 UNDP’s Green Commodities Community has provided a space for learning and networking between commodity practitioners and stakeholders in UNDP’s projects and partnerships. The GCC connects project teams and national project counterparts with international experts and support organizations.

UNDP’s growing involvement in coffee not only includes the ICO CPPTF process described above (which may lead to several national project interventions in the coming years), but also a portfolio of coffee-focused projects funded by the Global Environment Facility and other donors. New coffee project includes GEF FOLUR projects in several countries (including Indonesia, Ethiopia, Peru and Guatemala). Finally, through the partnership with the Global Coffee Platform UNDP is engaging with existing national coffee platform teams in several exporting countries.

The GCC has decided to establish a designated space for coffee within its digital platform, to allow for cross-country, inter-project learning and exchange of experiences. The digital space will focus on sector transformation in the coffee
exporting countries and will thereby complement other existing spaces which tend to be dominated by global actors. The GCC’s coffee space (its official name TBD) will allow for effective interaction and pre-competitive collaboration between producing countries, and it will be managed in partnership with the Global Coffee Platform and in collaboration with the ICO CPPTF. The Adviser will support the design and operationalization of this space, both in terms of development and managing content as well as developing its membership.

C. PURPOSE

The purpose of the position is to support systemic change processes in coffee exporting countries through multi-stakeholder dialogue and collaboration, as well as to foster learning and exchange between stakeholders, projects, platforms and sustainability initiatives in coffee exporting countries, as well as their global partners.

D. SCOPE OF WORK

Below are the key elements of the commodity advisor role:

International Coffee Organization’s Coffee Public-Private Task Force – country work:

- A stakeholder mapping and baseline assessment of approximately 5 exporting countries.
- Manage the national stakeholder engagement and relationship building processes in key exporting countries and coordinate with key stakeholders (including, UNDP country offices and regional advisers and team leaders, Global Coffee Platform national teams, key counterpart institutions and stakeholders, EU missions and other potential donors and partners).
- Coordinate relationships with ICO and CPPTF Secretariat, as well as other Technical Workstream leads, and ensure participation in joint processes.
- Co-design and support processes to develop or strengthen national multistakeholder platforms in several exporting countries, using the ECA methodology and in close collaboration with the Global Coffee Platform. The processes will involve leading national stakeholders, potential global partners, such as donors, companies, or expert NGOs, as well as ICO CPPTF coordinators and facilitators.
- Support formulation of proposals for donor and company funding, based on the co-designing process, that will allow implementation of national collaborative process to transform national coffee sectors, as well as other CPPTF Roadmap priorities.

UNDP Green Commodities Community Platform:

- Assess the existing coffee dialogue platforms and knowledge hubs including their target groups and main content focus/objectives. Identify gaps and opportunities for a UNDP-facilitated platform with target audience groups (who are our clients?) and content focus/objectives.
- Prepare the set-up of the Coffee Space. Detailed lists of potential invitees, what are the topics and how will we cover them
- Membership recruitment and launch. Facilitation and coordinate interaction between members.

1. LEGAL STATUS
The Individual contractor shall have the legal status of an independent contractor vis-à-vis the United Nations Development Programme (UNDP), and shall not be regarded, for any purposes, as being either a “staff member” of UNDP, under the UN’ Staff Regulations and Rules, or an “official” of UNDP, for purposes of the Convention on the Privileges and Immunities of the United Nations, adopted by the General Assembly of the United Nations on 13 February 1946. Accordingly, nothing within or relating to the Individual Contract shall establish the relationship of employer and employee, or of principal and agent, between UNDP and the Individual contractor. The officials, representatives, employees or subcontractors of UNDP and of the Individual contractor, if any, shall not be considered in any respect as being the employees or agents of the other, and UNDP and the Individual contractor shall be solely responsible for all claims arising out of or relating to its engagement of such persons or entities.

2. STANDARDS OF CONDUCT
In General: The Individual contractor shall neither seek nor accept instructions from any authority external to UNDP in connection with the performance of its obligations under the Individual Contract. Should any authority external to UNDP seek to impose any instructions on the Individual Contract regarding the Individual contractor’s performance under the Individual Contract, the Individual contractor shall promptly notify UNDP and shall provide all reasonable assistance required by UNDP. The Individual contractor shall not take any action in respect of its performance of the Individual Contract or otherwise related to its obligations under the Individual Contract that may adversely affect the interests of UNDP, and the Individual contractor shall perform its obligations under the Individual Contract with the fullest regard to the interests of UNDP. The Individual contractor warrants that it has not and shall not offer any direct or indirect benefit arising from or related to the performance of the Individual Contract or the award thereof to any representative, official, employee or other agent of UNDP. The Individual contractor shall comply with all laws, ordinances, rules and regulations bearing upon the performance of its obligations under the Individual Contract. In the performance of the Individual Contract the Individual contractor shall comply with the standards of conduct set in the Secretary General’s Bulletin ST/SGB/2002/9 of 18 June 2002, entitled “Regulations Governing the Status, Basic Rights and Duties of Officials other than Secretariat Officials, and Expert on Mission”.

The individual contractor must comply with all Security Directives issued by UNDP. Failure to comply with such security directives is grounds for termination of the Individual contractor for cause.

Prohibition of Sexual Exploitation and Abuse: In the performance of the Individual Contract, the Individual contractor shall comply with the standards of conduct set forth in the Secretary-General’s bulletin ST/SGB/2003/9 of 18 June 2003, concerning “Special measures for protection from sexual exploitation and sexual abuse”. In particular, the Individual contractor shall not engage in any conduct that would constitute sexual exploitation or sexual abuse, as defined in that bulletin.

The Individual contractor acknowledges and agrees that any breach of any of the provisions hereof shall constitute a breach of an essential term of the Individual Contract, and, in addition to any other legal rights or remedies available to any person, shall give rise to grounds for termination of the Individual Contract. In addition, nothing herein shall limit the right of UNDP to refer any alleged breach of the foregoing standards of conduct to the relevant national authorities for appropriate legal action.

3. TITLE RIGHTS, COPYRIGHTS, PATENTS AND OTHER PROPRIETARY RIGHTS
Title to any equipment and supplies that may be furnished by UNDP to the Individual contractor for the performance of any obligations under the Individual Contract shall rest with UNDP, and any such equipment shall be returned to UNDP at the
conclusion of the Individual Contract or when no longer needed by the Individual contractor. Such equipment, when returned
to UNDP, shall be in the same condition as when delivered to the Individual contractor, subject to normal wear and tear, and
the Individual contractor shall be liable to compensate UNDP for any damage or degradation of the equipment that is beyond
normal wear and tear.

UNDP shall be entitled to all intellectual property and other proprietary rights, including, but not limited to, patents, copyrights
and trademarks, with regard to products, processes, inventions, ideas, know-how or documents and other materials which the
Individual contractor has developed for UNDP under the Individual Contract and which bear a direct relation to or are
produced or prepared or collected in consequence of, or during the course of, the performance of the Individual Contract, and
the Individual contractor acknowledges and agrees that such products, documents and other materials constitute works made
for hire for UNDP.

However, to the extent that any such intellectual property or other proprietary rights consist of any intellectual property or
other proprietary rights of the Individual contractor: (a) that pre-existed the performance by the Individual contractor of its
obligations under the Individual Contract, or (b) that the Individual contractor may develop or acquire, or may have developed
or acquired, independently of the performance of its obligations under the Individual Contract, UNDP does not and shall not
claim any ownership interest thereto, and the Individual contractor grants to UNDP a perpetual license to use such intellectual
property or other proprietary right solely for the purposes of and in accordance with the requirements of the Contract. At the
request of UNDP, the Individual contractor shall take all necessary steps, execute all necessary documents and generally
assist in securing such proprietary rights and transferring or licensing them to UNDP in compliance with the requirements of
the applicable law and of the Individual Contract. Subject to the foregoing provisions, all maps, drawings, photographs,
mosaics, plans, reports, estimates, recommendations, documents and all other data compiled by or received by the Individual
contractor under the Individual Contract shall be the property of UNDP, shall be made available for use or inspection by
UNDP at reasonable times and in reasonable places, shall be treated as confidential and shall be delivered only to UNDP
authorized officials on completion of work under the Individual Contract.

4. CONFIDENTIAL NATURE OF DOCUMENTS AND INFORMATION

Information and data that are considered proprietary by either UNDP or the Individual contractor or that are delivered or
disclosed by one of them (“Discloser”) to the other (“Recipient”) during the course of performance of the Individual Contract,
and that are designated as confidential (“Information”), shall be held in confidence and shall be handled as follows. The
Recipient of such Information shall use the same care and discretion to avoid disclosure, publication or dissemination of the
Discloser’s Information as it uses with its own similar information that it does not wish to disclose, publish or disseminate,
and the Recipient may otherwise use the Discloser’s Information solely for the purpose for which it was disclosed.

The Recipient may disclose confidential Information to any other party with the Discloser’s prior written consent, as well as
to the Recipient’s employees, officials, representatives and agents who have a need to know such confidential Information
solely for purposes of performing obligations under the Individual Contract. Subject to and without any waiver of the
privileges and immunities of UNDP, the Individual contractor may disclose Information to the extent required by law,
provided that the Individual contractor will give UNDP sufficient prior notice of a request for the disclosure of Information
in order to allow UNDP to have a reasonable opportunity to take protective measures or such other action as may be
appropriate before any such disclosure is made. UNDP may disclose Information to the extent as required pursuant to the
Charter of the United Nations, resolutions or regulations of the General Assembly or its other governing bodies, or rules
promulgated by the Secretary-General. The Recipient shall not be recluded from disclosing Information that is obtained by
the Recipient from a third party without restriction, is disclosed by the Discloser to a third party without any obligation of
confidentiality, is previously known by the Recipient, or at any time is developed by the Recipient completely independently
of any disclosures hereunder. These obligations and restrictions of confidentiality shall be effective during the term of the
Individual Contract, including any extension thereof, and, unless otherwise provided in the Individual Contract, shall remain
effective following any termination of the Individual Contract.

5. TRAVEL, MEDICAL CLEARANCE AND SERVICE-INCURRED DEATH, INJURY OR ILLNESS

If the Individual contractor is required by UNDP to travel beyond commuting distance from the Individual contractor’s usual
place of residence, and upon prior written agreement, such travel shall be at the expense of UNDP. Such travel shall be at
economy fare when by air. UNDP may require the Individual contractor to submit a Statement of Good Health from a
recognized physician prior to commencement of work in any offices or premises of UNDP or before engaging in any travel
required by UNDP or connected with the performance of the Individual Contract.

The Individual contractor shall provide such a Statement of Good Health as soon as practicable following such request, and
prior to engaging in any such travel, and the Individual contractor warrants the accuracy of any such Statement, including,
but not limited to, confirmation that the Individual contractor has been fully informed regarding the requirements for
inoculations for the country or countries to which travel may be authorized.

In the event of the death, injury or illness of the Individual contractor which is attributable to the performance of services on
behalf of UNDP under the terms of the Individual Contract while the Individual contractor is traveling at UNDP expense or
is performing any services under the Individual Contract in any offices or premises of UNDP, the Individual contractor or the Individual contractor’s dependents, as appropriate, shall be entitled to compensation equivalent to that provided under the UNDP insurance policy, available upon request.

6. PROHIBITION ON ASSIGNMENT; MODIFICATIONS
The Individual contractor may not assign, delegate, transfer, pledge or make any other disposition of the Individual Contract, of any part thereof, or of any of the rights, claims or obligations under the Individual Contract except with the prior written authorization of UNDP, and any attempt to do so shall be null and void. The terms or conditions of any supplemental undertakings, licenses or other forms of Individual Contract concerning any goods or services to be provided under the Individual Contract shall not be valid and enforceable against UNDP nor in any way shall constitute an Individual Contract by UNDP thereto, unless any such undertakings, licenses or other forms of Individual Contract are the subject of a valid written undertaking by UNDP.

No modification or change in the Individual Contract shall be valid and enforceable against UNDP unless provided by means of a valid written amendment to the Individual Contract signed by the Individual contractor and an authorized official or appropriate contracting authority of UNDP.

7. SUBCONTRACTORS
In the event that the Individual contractor requires the services of subcontractors to perform any obligations under the Individual Contract, the Individual contractor shall obtain the prior written approval of UNDP for any such subcontractors. UNDP may, in its sole discretion, reject any proposed subcontractor or require such subcontractor’s removal without having to give any justification therefore, and such rejection shall not entitle the Individual contractor to claim any delays in the performance, or to assert any excuses for the non-performance, of any of its obligations under the Individual Contract. The Individual contractor shall be solely responsible for all services and obligations performed by its subcontractors. The terms of any subcontract shall be subject to, and shall be construed in a manner that is fully in accordance with, all of the terms and conditions of the Individual Contract.

8. USE OF NAME, EMBLEM OR OFFICIAL SEAL OF THE UNITED NATIONS
The Individual contractor shall not advertise or otherwise make public for purposes of commercial advantage or goodwill that it has a contractual relationship with UNDP, nor shall the Individual contractor, in any manner whatsoever, use the name, emblem or official seal of UNDP, or any abbreviation of the name of UNDP, in connection with its business or otherwise without the written permission of UNDP.

9. INDEMNIFICATION
The Individual contractor shall indemnify, defend, and hold and save harmless UNDP, and its officials, agents and employees, from and against all suits, proceedings, claims, demands, losses and liability of any kind or nature, including, but not limited to, all litigation costs and expenses, attorney’s fees, settlement payments and damages, based on, arising from, or relating to: (a) allegations or claims that the use by UNDP of any patented device, any copyrighted material or any other goods or services provided to UNDP for its use under the terms of the Individual Contract, in whole or in part, separately or in combination, constitutes an infringement of any patent, copyright, trademark or other intellectual property right of any third party; or (b) any acts or omissions of the Individual contractor, or of any subcontractor or anyone directly or indirectly employed by them in the performance of the Individual Contract, which give rise to legal liability to anyone not a party to the Individual Contract, including, without limitation, claims and liability in the nature of a claim for workers’ compensation.

10. INSURANCE
The Individual contractor shall pay UNDP promptly for all loss, destruction or damage to the property of UNDP caused by the Individual contractor, or of any subcontractor, or anyone directly or indirectly employed by them in the performance of the Individual Contract. The Individual contractor shall be solely responsible for taking out and for maintaining adequate insurance required to meet any of its obligations under the Individual Contract, as well as for arranging, at the Individual contractor’s sole expense, such life, health and other forms of insurance as the Individual contractor may consider to be appropriate to cover the period during which the Individual contractor provides services under the Individual Contract. The Individual contractor acknowledges and agrees that none of the insurance arrangements the Individual contractor may make shall, in any way, be construed to limit the Individual contractor’s liability arising under or relating to the Individual Contract.

11. ENCUMBRANCES AND LIENS
The Individual contractor shall not cause or permit any lien, attachment or other encumbrance by any person to be placed on file or to remain on file in any public office or on file with UNDP against any monies due to the Individual contractor or to become due for any work done or against any goods supplied or materials furnished under the Individual Contract, or by reason of any other claim or demand against the Individual contractor.
12. FORCE MAJEURE; OTHER CHANGES IN CONDITIONS
In the event of and as soon as possible after the occurrence of any cause constituting force majeure, the Individual contractor shall give notice and full particulars in writing to UNDP of such occurrence or cause if the Individual contractor is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under the Individual Contract. The Individual contractor shall also notify UNDP of any other changes in conditions or the occurrence of any event, which interferes or threatens to interfere with its performance of the Individual Contract. Not more than fifteen (15) days following the provision of such notice of force majeure or other changes in conditions or occurrence, the Individual contractor shall also submit a statement to UNDP of estimated expenditures that will likely be incurred for the duration of the change in conditions or the event. On receipt of the notice or notices required hereunder, UNDP shall take such action as it considers, in its sole discretion, to be appropriate or necessary in the circumstances, including the granting to the Individual contractor of a reasonable extension of time in which to perform any obligations under the Individual Contract.

If the Individual contractor is rendered permanently unable, wholly or in part, by reason of force majeure to perform its obligations and meet its responsibilities under the Individual Contract, UNDP shall have the right to suspend or terminate the Individual Contract on the same terms and conditions as are provided for below, under “Termination”, except that the period of notice shall be five (5) days instead of any other period of notice. In any case, UNDP shall be entitled to consider the Individual contractor permanently unable to perform its obligations under the Individual Contract in the case of the Individual contractor’s suffering any period of suspension in excess of thirty (30) days. Force majeure as used herein means any unforeseeable and irresistible act of nature, any act of war (whether declared or not), invasion, revolution, insurrection, or any other acts of a similar nature or force, provided that such acts arise from causes beyond the control and without the fault or negligence of the Individual contractor. The Individual contractor acknowledges and agrees that, with respect to any obligations under the Individual Contract that the Individual contractor must perform in or for any areas in which UNDP is engaged in, preparing to engage in, or disengaging from any peacekeeping, humanitarian or similar operations, any delay or failure to perform such obligations arising from or relating to harsh conditions within such areas or to any incidents of civil unrest occurring in such areas shall not, in and of itself, constitute force majeure under the Individual Contract.

13. TERMINATION
Either party may terminate the Individual Contract, in whole or in part, upon giving written notice to the other party. The period of notice shall be five (5) days in the case of Individual Contracts for a total period of less than two (2) months and fourteen (14) days in the case of contracts for a longer period. The initiation of conciliation or arbitral proceedings, as provided below, shall not be deemed to be a “cause” for or otherwise to be in itself a termination of the Individual Contract.

UNDP may, without prejudice to any other right or remedy available to it, terminate the Individual Contract forthwith in the event that: (a) the Individual contractor is adjudged bankrupt, or is Article II, section 7, of the Convention on the Privileges and Immunities of the United Nations provides, inter alia, that the United Nations, including its subsidiary organs, is exempt from all direct taxes, except charges for public utility services, and is exempt from custom duties and charges of a similar nature in respect of articles imported or exported for its official use. In the event any governmental authority refuses to recognize the exemptions of the United Nations from such taxes, restrictions, duties or charges, the Individual contractor shall immediately consult with UNDP to determine a mutually acceptable procedure. UNDP shall have no liability for taxes, duties or other similar charges payable by the Individual contractor in respect of any amounts paid to the Individual contractor under this Individual Contract, and the Individual contractor acknowledges that UNDP will not issue any statements of earnings to the Individual contractor in respect of any such payments. Liquidated, or becomes insolvent, applies for moratorium or stay on any payment or repayment obligations, or applies to be declared insolvent; (b) the Individual contractor is granted a moratorium or a stay or is declared insolvent; the Individual contractor makes an assignment for the benefit of one or more of its creditors; (c) a Receiver is appointed on account of the insolvency of the Individual contractor; (d) the Individual contractor offers a settlement in lieu of bankruptcy or receivership; or (e) UNDP reasonably determines that the Individual contractor has become subject to a materially adverse change in its financial condition that threatens to endanger or otherwise substantially affect the ability of the Individual contractor to perform any of its obligations under the Individual Contract.

In the event of any termination of the Individual Contract, upon receipt of notice of termination by UNDP, the Individual contractor shall, except as may be directed by UNDP in the notice of termination or otherwise in writing: (a) take immediate steps to bring the performance of any obligations under the Individual Contract to a close in a prompt and orderly manner, and in doing so, reduce expenses to a minimum; (b) refrain from undertaking any further or additional commitments under the Individual Contract as of and following the date of receipt of such notice; (c) deliver all completed or partially completed plans, drawings, information and other property that, if the Individual Contract had been completed, would be required to be furnished to UNDP thereunder; (d) complete performance of the work not terminated; and (e) take any other action that may be necessary, or that UNDP may direct in writing, for the protection and
preservation of any property, whether tangible or intangible, related to the Individual Contract that is in the possession of the Individual contractor and in which UNDP has or may be reasonably expected to acquire an interest. In the event of any termination of the Individual Contract, UNDP shall only be liable to pay the Individual contractor compensation on a pro rata basis for no more than the actual amount of work performed to the satisfaction of UNDP in accordance with the requirements of the Individual Contract. Additional costs incurred by UNDP resulting from the termination of the Individual Contract by the Individual contractor may be withheld from any amount otherwise due to the Individual contractor from UNDP.

14. NON-EXCLUSIVITY
UNDP shall have no obligation respecting, and no limitations on, its right to obtain goods of the same kind, quality and quantity, or to obtain any services of the kind described in the Individual Contract, from any other source at any time.

15. TAXATION
Article II, section 7, of the Convention on the Privileges and Immunities of the United Nations provides, *inter alia*, that the United Nations, including its subsidiary organs, is exempt from all direct taxes, except charges for public utility services, and is exempt from customs restrictions, duties and charges of a similar nature in respect of articles imported or exported for its official use. In the event any governmental authority refuses to recognize the exemptions of the United Nations from such taxes, restrictions, duties or charges, the Individual contractor shall immediately consult with UNDP to determine a mutually acceptable procedure. UNDP shall have no liability for taxes, duties or other similar charges payable by the Individual contractor in respect of any amounts paid to the Individual contractor under this Contract, and the Individual contractor acknowledges that UNDP will not issue any statements of earnings to the Individual contractor in respect of any such payments.

16. AUDIT AND INVESTIGATION
Each invoice paid by UNDP shall be subject to a post-payment audit by auditors, whether internal or external, of UNDP or by other authorized and qualified agents of UNDP at any time during the term of the Individual Contract and for a period of two (2) years following the expiration or prior termination of the Individual Contract. UNDP shall be entitled to a refund from the Individual contractor for any amounts shown by such audits to have been paid by UNDP other than in accordance with the terms and conditions of the Individual Contract.

The Individual contractor acknowledges and agrees that, from time to time, UNDP may conduct investigations relating to any aspect of the Individual Contract or the award thereof, the obligations performed under the Individual Contract, and the operations of the Individual contractor generally relating to performance of the Individual Contract. The right of UNDP to conduct an investigation and the Individual contractor’s obligation to comply with such an investigation shall not lapse upon expiration or prior termination of the Individual Contract. The Individual contractor shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Individual contractor’s obligation to make available its personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to UNDP access to the Individual contractor’s premises at reasonable times and on reasonable conditions in connection with such access to the Individual contractor’s personnel and relevant documentation. The Individual contractor shall require its agents, including, but not limited to, the Individual contractor’s attorneys, accountants or other advisers, to reasonably cooperate with any inspections, post-payment audits or investigations carried out by UNDP hereunder.

17. SETTLEMENT OF DISPUTES
*Amicable Settlement*: UNDP and the Individual contractor shall use their best efforts to amicably settle any dispute, controversy or claim arising out of the Individual Contract or the breach, termination or invalidity thereof. Where the parties wish to seek such an amicable settlement through conciliation, the conciliation shall take place in accordance with the Conciliation Rules then obtaining of the United Nations Commission on International Trade Law ("UNCITRAL"), or according to such other procedure as may be agreed between the parties in writing.

*Arbitration*: Any dispute, controversy or claim between the parties arising out of the Individual Contract, or the breach, termination, or invalidity thereof, unless settled amicably, as provided above, shall be referred by either of the parties to arbitration in accordance with the UNCITRAL Arbitration Rules then obtaining. The decisions of the arbitral tribunal shall be based on general principles of international commercial law. For all evidentiary questions, the arbitral tribunal shall be guided by the Supplementary Rules Governing the Presentation and Reception of Evidence in International Commercial Arbitration of the International Bar Association, 28 May 1983 edition. The arbitral tribunal shall be empowered to order the return or destruction of goods or any property, whether tangible or intangible, or of any confidential information provided under the Individual Contract, order the termination of the Individual Contract, or order that any other protective measures be taken with respect to the goods, services or any other property, whether tangible or intangible, or of any confidential information provided under the Individual Contract, as appropriate, all in accordance with the authority of the arbitral tribunal.
pursuant to Article 26 ("Interim Measures of Protection") and Article 32 ("Form and Effect of the Award") of the UNCITRAL Arbitration Rules. The arbitral tribunal shall have no authority to award punitive damages. In addition, unless otherwise expressly provided in the Individual Contract, the arbitral tribunal shall have no authority to award interest in excess of the London Inter-Bank Offered Rate ("LIBOR") then prevailing, and any such interest shall be simple interest only. The parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such dispute, controversy or claim.

18. LIMITATION ON ACTIONS:
Except with respect to any indemnification obligations in Article 7, above, or as are otherwise set forth in the Individual Contract, any arbitral proceedings in accordance with Article 17 above, arising out of the Individual Contract must be commenced within three years after the cause of action has accrued.

The Parties further acknowledge and agree that, for these purposes, a cause of action shall accrue when the breach actually occurs, or, in the case of latent defects, when the injured Party knew or should have known all of the essential elements of the cause of action, or in the case of a breach of warranty, when tender of delivery is made, except that, if a warranty extends to future performance of the goods or any process or system and the discovery of the breach consequently must await the time when such goods or other process or system is ready to perform in accordance with the requirements of the Individual Contract, the cause of action accrues when such time of future performance actually begins.

19. PRIVILEGES AND IMMUNITIES
Nothing in or relating to the Individual Contract shall be deemed a waiver, express or implied, of any of the privileges and immunities of the United Nations, including its subsidiary organs.
UNDP does not tolerate harassment and/or abuse of authority at the workplace or in connection with work in any form. Such behavior or conduct is contrary to the Charter of the United Nations, the Staff Rules and to the Standards of Conduct for the International Civil Service Staff Rule 1.2 (e) provides that:

"Any form of discrimination or harassment, including sexual or gender harassment, as well as physical or verbal abuse at the workplace or in connection with work, is prohibited."

Staff members and non-staff personnel exhibiting such behavior or conduct may be subject to administrative, disciplinary or contractual measures, as appropriate.

**A. SEXUAL HARASSMENT**

Sexual harassment (SH) is any improper and unwelcome conduct by staff member or non-staff personnel against another staff member or non-staff personnel in the workplace. Being about impact, not intent, it includes:

- Any unwelcome sexual advance;
- Request for sexual favor;
- Verbal or physical conduct or gesture of a sexual nature;
- Any other behavior of a sexual nature (including pornography, sexually colored remarks) that has or that might reasonably be expected or be perceived to cause offense or humiliation to another.

Harassment may be present in the form of words, gestures, electronic communication forms, or other actions that annoy, alarm, abuse, demean, intimidate, belittle, or cause personal humiliation or embarrassment to another, or cause an intimidating, hostile or offensive work environment.

II. Abuse of Authority

The abuse of authority is the improper use of a position of influence, power or authority by staff member or non-staff personnel against another staff member or non-staff personnel or a group thereof. This is particularly serious when the person in question uses his or her influence, power or authority to arbitrarily influence the career or employment conditions.

Abuse of authority can include a one-time incident or a series of incidents. It may also consist of conduct that creates a hostile or offensive work environment, which includes, but is not limited to, the use of intimidation, threats, blackmail or coercion.

III. Protection Against Retaliation

Retaliation by a staff member against staff member or non-staff personnel as a result of good faith report of workplace harassment or abuse of authority or good faith cooperation with a preliminary assessment or investigation into an allegation of workplace harassment or abuse of authority, is prohibited.

Retaliation constitutes misconduct, which if established, will lead to disciplinary action and/or transfer to other functions in the same or a different office.

- Sexual activity with a child (a person under the age of 18);
