ANNEX 1: SCHEDULE OF REQUIREMENTS

Context of the requirement:

The 6.3 magnitude earthquake that hit Albania on 26 November 2019, has left 51 people dead and injured at least 913 others. Eleven municipalities situated in three prefectures (Tirana, Durrës and Lezha), have suffered to varying degrees from the earthquake with 202,291 people affected directly or indirectly. As indicated by the Post Disaster Need Assessment (PDNA), the education sector is one of the most affected by the November 26, 2019 earthquake. Damages were reported to 321 educational institutions (all types including dormitories) in the 11 affected municipalities, representing 24% of all educational establishments.

In this context, UNDP in collaboration with the Albanian Government are implemented the following programmes, as financial commitment during the International Donor's Conference, organized in Brussels on February 17, 2020. These programmes aim to accelerate the recovery process after the earthquake in 11 affected municipalities through repair/reconstruction of education facilities/community infrastructure damaged by the earthquake.

These Programmes are as follows:

- The “EU4Schools” is an initiative funded by European Union (EU) to accelerate the recovery process in the education sector, after the earthquake of November 26th, 2019, in Albania. “EU4Schools” is targeting educational facilities, including creches, pre-schools, primary education, secondary schools – including VET schools and respective dormitories in municipalities affected by the earthquake, such as: (i) Lezha, (ii) Tirana, (iii) Rogozhina, (iv) Mirdita (v) Vora, (vi) Shijak, (vii) Durres, (viii) Kruja, (ix) Kurbin, (x) Kamza and (xi) Kavaja.
- “Community Infrastructure Support” (CIS) Project is funded by the Government of Denmark and the Government of the United Kingdom for the repair/ reconstruction of three educational facilities including kindergartens and schools, located in the Municipality of Durres.

They aim to further support local and national governments in reducing social and economic losses, and to accelerate the recovery process through repairs and reconstruction of the targeted educational facilities.

Through this procurement process, UNDP Albania aims at obtaining offers for appliances for 9 (nine) creches and kindergartens that covers meals and award the contract to the Bidder with the lowest price substantially compliant offer.
