

**Call for Proposals from National NGOs/CSOs for Technical Support for the Implementation
of Community Driven Development (CDD) Interventions
in Paung in Mon State**

INSTRUCTIONS

Reference: 2022/UNDP-MMR/026

I. BACKGROUND AND RATIONALE:

The Enabling Community Recovery and Resilience (ENCORE) Project aims to shepherd the most vulnerable communities from the crisis to recovery and then to long-term development and resilience through a range of short-term, intermediate, and long-term interventions (Figure 2). The project shall work closely with these vulnerable communities to (i) address their most basic needs, (ii) restore livelihoods and strengthen/diversify them for increased sustainability, (iii) rehabilitate basic community infrastructure and upgrade them towards climate and disaster resilience, (iv) recover community resources and promote the use of renewable energy and climate-friendly technologies, while, at the same time, (v) continuously building community disaster preparedness.

ENCORE shall instil community-driven development (CDD) approaches in all its interventions, building on lessons from ongoing experiences and those gained from prominent community development projects in the country.² ENCORE's CDD stages include: (i) Community Entry, (ii) Rapid Needs Assessment and Planning; (iii) Preparation, review, and approval of the proposed community projects; (iv) Project Implementation and Monitoring; and (v) Completion Procedures. The project will also engage with local organisations, CSOs/CBOs, and informal leaders as governance actors and strengthen their institutional capacities to support responsive service delivery and participatory governance. ENCORE will employ a phased and incremental approach, initially working with a limited number of actors and locations, building on past work and relationships to establish credibility, build trust, navigate political risks, and then quickly build to scale.

In 2022, ENCORE will be pilot-tested in four townships (Chaungzon and Paung in Mon State, Thanatpin in Bago Region, and Nyaung U in Mandalay) for up to 9-12 months and then will be gradually rolled out to the rest of the target 52 townships across 11 States/Regions. Between 5 to 10 of the most vulnerable village tracts in each project township will be targeted for ENCORE's CDD interventions.

ENCORE will engage a local CSO as Township Implementing Partner (TIP) for each project township. This TOR is for the TIP for Paung Township, Mon State.

II. OBJECTIVES AND EXPECTED OUTPUTS/ DELIVERABLES

The specific objectives of this Call for Proposals are for NGOs/CSOs to:

1. Vulnerable communities are supported with their basic needs and in their efforts to recover from the crisis
2. The CDD approach is successfully tested in pilot townships
3. The pilot-testing yield documented lessons and good practices that are useful for finalising the design of the ENCORE Project

V. MANAGEMENT ARRANGEMENTS (Supervision, Teamwork and Administrative support):

- Kindly refer attached ToR (Annex-1).

VI. EVALUATION CRITERIA & METHODOLOGY

a) Proposals will be evaluated based on the following criteria:

- 1) Sound technical proposal that includes innovative and replicable inclusion mechanisms to maximize the value transfer to the beneficiaries.
- 2) High impact interventions directly targeting and responding to the needs established in the ToR (Annex 1).
- 3) Size of budget requested commensurate with the organization's proven administrative and financial management capacity.

Evaluation criteria is provided under Section-G of the ToR of this Call for proposal (**Annex1**).

b) Evaluation methodology: Quality based under Fixed Budget Selection (QB-FBS)

QB-FBS methodology implies that all proposals have the same maximum overall price (which cannot exceed a known fixed budget amount), focusing the selection on the quality of the proposal and the NGO/CSO proposed approach and methodology. NGO/CSO should provide their best technical proposal and financial breakdown (within the budget) in one single envelope (clearly stating proposed overheads). Evaluation of technical proposals shall be carried out in accordance with below outlined evaluation criteria, and the NGO/CSO which obtains the highest combined technical and financial score shall be selected. NGOs/CSOs exceeding the established fixed budget in their financial proposals will be rejected.

Proposals must translate community needs into implementable activities by the NGOs/CSOs. Under QB-FBS, assessment focuses on maximizing transfer of value to the beneficiary within a given budget.

c) Budget size and duration

- Invited and interested NGO/CSO will present a detailed itemized budget as required per financial proposal template of UNDP's CFP for this assignment, **Annex-3**
- The NGO/CSO is required to provide detail costs to implement the activities (including costs related to operational support, technical assistance, monitoring, and overhead, etc.). The NGO/CSO costed budget will be the basis of the "value for money" assessment of the proposal evaluation process.
- Proposal amount for this Call for Proposal, inclusive of project activity cost, professional fees, operational and overhead costs should be within the ceiling of MMK 29,500,000 (Myanmar Kyats One Hundred Twenty Nine Million Five Hundred Thousand). The amount requested in the proposal should be commensurate with the organization's administrative and financial management capabilities.
- In principle, project duration will be 8 months depending on actual start date.

VII. SELECTION PROCESS:

The UNDP will review proposals through a four-step process:

1. Review of RFI and CACHE, for minimum requirement and qualification
2. Scoring and ranking of the eligible proposals based on the assessment criteria outlined in the previous section to identify highest ranking proposal.
3. Round of clarification (if necessary) with the highest scored proposal; and
4. Responsible Party Agreement (RPA) signature/s.
