- Purpose of the Call for proposal

**Q and A session**

Q1. What is the maximum amount of grant an organization can apply for under this Grant competition?

Answer. The maximum amount equals USD 25,000.00

Q2. What is your vision for the project? Do you consider it as a pilot, or will sustainability be a priority?

Answer. Sustainability is a priority. You can find the above entry in the evaluation component in the text of the call for proposals.

Q3. How important is it to establish partnerships with Municipalities?

Answer. It is significant to establish a partnership, and subsequently we welcome it.

Q4. Is it possible for the ongoing project to receive this grant as an ancillary component?

Answer. It is technically possible; The main thing is to separate the costs to avoid double funding for the activities.

Q5. Is it possible to apply from other territorial units besides the target municipalities?

Answer. Applications can be received from any territorial unit. However, the project must be implemented within the indicated eight target municipalities.
