Late application submission will be rejected. UNDP will not consider application submission by email.

4. FINANCIAL PROPOSAL

This is a Lump sum output-based contract. Therefore, the interested offerors are requested to submit **Final All-Inclusive Price** with cost breakdown

5. EVALUATION

Offerors will be evaluated based on the Cumulative analysis.

- Technical Qualification (100 points) weight; [70%]
- Financial/Price Proposal (100 points) weight; [30%]

A two-stage procedure is utilized in evaluating the proposals, with evaluation of the technical proposal being completed prior to any price proposal being compared. Only the price proposal of the Offerors who passed the minimum technical score of 70% of the obtainable score of 100 points in the technical qualification evaluation will be evaluated.

5. 1. Technical qualification evaluation criteria:

The total number of points allocated for the technical qualification component is 100. The technical qualification of the offeror/individual is evaluated based on following technical qualification:

Technical Evaluation Criteria	Obtainable Score
Master's degree in Climate Change, Environmental Management and Policy or Sciences, Engineering, Waste, Energy, Natural Resource Management, or other related fields	20
At least 7 years of working experience in analysis, policy support, design and project development in the field of climate change, waste, and energy in developing countries contexts. Prior working experience in Cambodia is a plus	30

Prior experiences in assisting developing countries in MRV related activities of Greenhouse Gas (GHG) emissions inventory and monitoring	30
Strong reporting and writing skill (demonstrated by at least one written sample: e.g. project proposal)	20
Total Obtainable Score:	100

Only the offeror who have attained a minimum of 70% of total points will be considered as technical qualified offeror.

5. 2. Financial/Price Proposal Comparison:

- Only the financial/price proposal of offeror who have attained a minimum of 70% score in the technical evaluation will be considered and evaluated.
- The total number of points allocated for the price component is 100.
- The maximum number of points will be allotted to the lowest price proposal that is opened/evaluated and compared among those technical qualified Offerors who have attained a minimum of 70% score in the technical evaluation. All other price proposals will receive points in inverse proportion to the lowest price. $[\text{Lowest Price} \times 100 / \text{Other Price under Consideration}] = \text{Points for Other Offerors' Price Component}$.

5.3. Selection Method and Award Criteria:

The award of the contract should be made to the individual consultant whose offer has been evaluated and determined as:

- Responsive/compliant/acceptable, and
- Having received the highest score out of a pre-determined set of weighted technical and financial criteria specific to the solicitation. The total score for each offeror will be calculated independently by this formula: $\text{Total Score} = \text{Technical Score} \times 0.7 + \text{Finance Score} \times 0.3$
