Annex-I

TERMS OF REFERENCE

1. BACKGROUND

The United Nations Office on Drugs and Crime (UNODC) in Pakistan (COPAK) has developed Country Programme-III (2021-2025) which is an integrated country programme approach that builds on the One-UN ethos, full support of the Government of Pakistan (GoP) and civil society and contribute to progress towards the Sustainable Development Goals (SDGs).

The threats of trafficking of illicit drugs and transnational organized crime, a fragile criminal justice system, international financial crimes, trafficking in persons and smuggling of migrants, cybercrime, terrorism, and the public health crises posed by drug use disorders and HIV/AIDS, all pose a challenge to sustainable and equitable development in Pakistan.

Terrorism can more easily take root and flourish in societies where basic elements of human security are weak. UNOOC's mandate to support the GoP and strengthen its ability to address the interconnected challenges of security, the rule of law, and health has resulted in a strong network of relationships and a reputation of providing needed expertise and evidence-based support to partners at multiple levels.

The Individual contractor acknowledges and agrees that any breach of any of the provisions hereof shall constitute a breach of an essential term of the Contract, and, in addition to any other legal rights or remedies available to any person, shall give rise to grounds for termination of the Contract. In addition, nothing herein shall limit the right of UNDP to refer any alleged breach of the foregoing standards of conduct to the relevant national authorities for appropriate legal action.
