

INDIVIDUAL CONSULTANT PROCUREMENT NOTICE

Date: 1st June 2022
Ref: UNDP-IC-2022-196

Country: Pakistan

Description of the assignment: Individual Contract: ***National Consultant* "Capacity Building of Punjab Bureau of Statistics staff on Price Inflation"**

Project name: MAPS for SDG's Support in Punjab

Period of assignment/services (if applicable): The duration of the contract is based on 60 working days effective from the date of the signing of the contract spread over a period of 03 months.

Important Note: Final selected IC will be required to provide a statement of health certificate along with proof of health insurance.

Duty Station: The Contractor's duty station for the contract duration is Lahore.

Please submit your Technical and Financial proposals **via email** to the following address: bids.pk@undp.org no later than **15th June 2022 at 12:30 PM (Pakistan Standard Time)**. Hand Delivery is not acceptable.

Important note for email submissions: Please put **"UNDP-IC-2022-196 National Consultant "Capacity Building of Punjab Bureau of Statistics staff on Price Inflation"** in the subject line. Further, our system will not accept emails those are more than 30 MB size. If required, segregate your emails to accommodate email data restrictions. For segregated emails please use sequence of emails like Email 1, Email 2 in the subject line. For attachment purposes please only use MS Word, Excel, Power Point or PDF formats.

If you request additional information, please write to pakistan.procurement.info@undp.org The team will provide necessary information within due date. However, any delay in providing such information will not be considered a reason for extending the submission date of your proposal. All/any query regarding the submission of the proposal may be sent prior to the deadline at the e-mail/address mentioned above.

Background:

In pursuance to United Nation's General Assembly Resolution on Agenda 2030, National Assembly of Pakistan passed a resolution declaring Sustainable Development Goals (SDGs) as National Goals for Pakistan in February 2016. As part of Pakistan's institutional arrangements under the "National Initiative on SDG", Planning & Development Board, Government of the Punjab established Punjab SDGs Support Unit in June 2016.

In the light of the lessons learned from MDGs era, the government of Punjab under the National initiative on Sustainable Development Goals (SDGs) established Punjab SDGs Project at Planning & Development Department (P&DD) in collaboration with United Nations Development Programme (UNDP). The overall purpose of SDGs Project is to support provincial government and line departments for mainstreaming SDGs at provincial and district level—integrating different dimensions of SDGs into planning and budgeting processes.

The role and the capacities of national and sub-national statistical systems are crucial for effective monitoring and reporting of 2030 Agenda on SDGs across social, economic and environmental dimensions of sustainable development. The era of MDGs in Pakistan witnessed weak statistical capacities at the national and sub-national level for timely collection, analysis and reporting on MDGs indicators. That is why for many of MDGs indicators, despite allocating resources, Pakistan could not measure the progress. This shows a lack of the statistical capacities for which a thorough review of statistical capacities is needed to ensure timely collection of reliable data on SDGs indicators to provide effective monitoring, reporting and performance management.

The 2030 Agenda on SDGs due to its ambitious nature, put a lot of burden on statistical capacities of the national as well as provincial governments to report on indicators. The Bureau of Statistics (BoS), Punjab is the key provincial statistical organization responsible for conducting large scale surveys across Punjab, collecting and analyzing data, and publishing reports. While the BoS, Punjab reports on some SDGs indicators for the province, out of the 161 SDGs indicators relevant to Punjab data exists for 103 indicators. It is, therefore, crucial to build the statistical capacities of the BoS, Punjab for efficient and effective data collection on SDGs indicators. One such important training need is on provincial level price inflation which has cross-cutting impact on several SDGs goals, targets and indicators through its effect on the economy. It impacts several targets of Goal 1 (No Poverty), namely, Target 1.1 on absolute poverty as inflation pushes people clustered around the poverty line into poverty, Target 1.2 on halving the proportion of population living in poverty in all its dimensions since inflation impacts the standard of living of the people, and Target 1.3 on coverage of social protection systems since the real value of any cash transfer made to the target group is diminished as a result of inflation. It also impacts several targets of Goal 2, namely, Target 2.2 which aims to end all forms of malnutrition through its impact on food inflation which reduces the access of the poor to nutritious food, and Target 2.3 which aims to double the income of small-scale food producer as inflation diminishes the real value of income of the people.

Therefore, measuring inflation at the provincial level is of paramount importance since inflation provides important insight on the state of the economy. Stable inflation is an integral component of sound macro-economic policies. The rising food prices have pushed up inflation not only in Pakistan but across the region.¹ The link between growth and inflation is well documented phenomena. High inflation effects the poor more than the rich, while low inflation can have negative impact on growth.

¹ https://www.finance.gov.pk/survey/chapters_14/07_Inflation.pdf

Various parameters are used to measure inflation like Consumer Price Index (CPI), Wholesale Price Index (WPI) and Sensitive Price Index (SPI).² The CPI measures the average change in prices over time that consumers pay for a basket of goods and services. Changes in the CPI are used to assess price changes associated with the cost of living.³ The WPI measures and tracks the changes in the prices of goods in the stages before the retail level. It refers to goods that are sold in bulk and traded between entities or businesses.⁴ The SPI is a weekly inflationary indicator that measures the change in the cost of fixed basket of goods and services purchased by the households in the country.⁵

CPI measures the rate of price inflation as experienced and perceived by households in their role as consumers. It is also widely used as a proxy for a general index of inflation for the economy as a whole, partly because of the frequency and timeliness with which it is produced. It has become a key statistic for purposes of economic policy-making. It is often specified in legislation and in a wide variety of private contracts as the appropriate measure of inflation for the purposes of adjusting payments (such as wages, rents, interest and social security benefits) for the effects of inflation. It can therefore have substantial and wide-ranging financial implications for governments and businesses, as well as for households.⁶

WPI is an important measure to monitor the dynamic movement of prices at the wholesale level. In the real world, prices keep on changing. WPI acts as a deflator of various nominal macroeconomic variables including Gross Domestic Product (GDP). The WPI based inflation estimates serve as an important determinant, in formulation of trade, fiscal and other economic policies by the Government. WPI is used for the purpose of escalation clauses in the supply of raw materials, machinery and construction work. Business firms in search of effective methods for coping with changes in prices often employ price adjustment (escalation) clauses in long-term sales and purchase contracts.⁷

Given the importance of inflation as an economic indicator and its cross-cutting impact on the SDGs, the Punjab SDGs Unit aims to build the capacity of the BoS, Punjab in computing provincial level inflation. Provincial level statistics like inflation and GDP computations will further facilitate in computing SDG indicators at the provincial level and in localizing of SDG Agenda.

Therefore, the Punjab SDGs Unit intends to hire the services of a consultant experienced in the computations of price inflation at the provincial level to build the capacity of the BoS, Punjab officers.

The objective of this consultancy is to build the capacity of BoS, Punjab to measure inflation at the provincial level using the statistical software STATA, supplemented with a strong theoretical background into the components of these price indices. The consultant will focus on the theoretical background of price statistics, selection of baskets of goods, cities selection, weight computations and the use of STATA to measure these price statistics.

The detailed steps in the training include the following:

Phase-I Pre-learning assessment/ Literature Review

- Review of background documents related to the BoS, Punjab to understand the data collection, monitoring and analyses processes followed currently to conduct inflation computations. Review the price inflation computations and process followed by Pakistan Bureau of Statistics to understand the data collection, computations, and monitoring and

analyses processes conducted at the Federal level. Based on this preliminary review, the trainer will design a comprehensive training needs assessment document for discussion, review, and approval.

Phase-II Training Needs Assessment

- The trainer will conduct the training needs assessment of the officers of BoS, Punjab. For the purpose of conducting the training needs assessment, the consultant will conduct in-person interviews with key statistical officers of the BoS, Punjab. During these interviews, the consultant will determine their specific training needs.
- As a part of the training needs assessment, the trainer will design the proposed contents of training (divided into day-wise training schedule) and submit for review and approval

Phase-III Training Material Development

- The trainer shall design all the training material and submit in hard and soft copy for review and approval. The trainer will specifically train the participants on the following points, including but not limited to:

Consumer Price Index (CPI)

The Consultant will provide an introduction to, and overview of, the theoretical background and importance of CPI; relevant theory, basic concepts and definitions, purpose of CPI, process for the selection of a basket of goods; salient features of elementary aggregates, their selection criteria, construction and weights; calculation of elementary price indices including frequency of price collection, and handling missing price indices; sampling procedure and survey method used to collect and process the price data; adjusting for quality change; item substitution, sample space and new products; derivation of weights; errors and biases; and computation of the index using statistical software STATA as well as its publication and dissemination of statistics.⁸

Wholesale Price Index (WPI):

The training will entail detailed description on the theoretical background and importance of WPI; salient features and selection criteria of items of baskets; coverage of cities and markets; methods of derivation of weights; methodology of data collection; sampling procedure and survey method used to collect and process the price data, frequency of price collection; errors and biases, and computation of WPI using statistical software STATA, as well as its publication and dissemination of statistics. Other factors including data management, and procedure for estimation of non-response and data substitution etc. may be discussed.⁹

Sensitive Price Index

The Sensitive Price Index measures price changes of essential items on weekly basis. It is computed on weekly basis to assess the price movements of essential items at shorter interval of time so as to review the current price situation in the country. In Pakistan, the SPI comprises of 51 necessary commodities which are being collected from 50 markets in 17 cities of the country.¹⁰

⁸ https://www.ilo.org/wcmsp5/groups/public/---dgreports/---stat/documents/presentation/wcms_331153.pdf

⁹ <https://pdf4pro.com/download/manual-on-wholesale-price-index-base-3162e.html>

¹⁰ https://www.pc.gov.pk/uploads/report/SPI_01-10-20.pdf

The training will entail detailed description on the theoretical background and importance of SPI; salient features and selection criteria of items of baskets; coverage of cities and markets; sampling procedure and survey method used to collect and process the price data, methods of derivation of weights; frequency of price collection and computation of SPI using statistical software STATA as well as its publication and dissemination of statistics.

Phase-IV Training Exercise

- The trainer will organize a training sessions comprising of five days. The number of participants in this training session will be determined based upon the nominations received from BoS, Punjab.
- The trainer will provide training material to all the training participants including the printed training material
- The trainer will ensure that all participants submit the assigned training exercises and provide a report of their learning curve including the pre- and post-training assessment
- The trainer will design training certificate as per the approved format of the UNDP and provide printed & signed certificates to training participants upon successful completion of the training

A. Expected Outputs and Deliverables

Deliverables/ Outputs	Estimated Duration to Complete	Target Due Dates	Review and Approvals Required
Pre-learning assessment/Literature Review	15 days	Oct 2022	Project Manager, and ARR
Training need assessment report with recommendations.	15 days	Oct 2022	Project Manager, and ARR
Training Manual/Module, training material	15 days	Nov 2022	Project Manager, and ARR.
Training of BoS, Punjab staff on price inflation and post-learning assessment report	15 days	Nov 2022	Project Manager, and ARR.
Total	60 days	Oct 2022 - Nov 2022	

B. Scope of Price Proposal and Schedule of Payments

Deliverable	Description	Payment Percentage
1	Pre-learning assessment/Literature Review	20%

2	Training need assessment report with recommendations.	20%
3	Training Manual/Module, training material	30%
4	Training of BoS, Punjab staff on price inflation and post-learning assessment report	30%

C. REQUIREMENTS FOR EXPERIENCE AND QUALIFICATIONS

Institutional Arrangement:

The consultant will be reporting to Project Manager, SDG Support Unit and Assistant Resident Representative, Development Policy Unit, UNDP. The consultant will work in close coordination with DG Punjab BoS and other staff members of Punjab SDGs Unit. Punjab SDGs Unit will provide technical, logistical and coordination support. All reports/documents/progress update will be submitted to the Project Manager, Punjab SDG Unit and UNDP, as per agreed timeframe against the deliverables.

Required Qualifications

The successful candidate will have the following qualification:

- The candidate should possess at least a Master's degree in Economics, Statistics, Data Analytics, or a related field from a well-reputed university
- At least 10 years of prior experience of conducting trainings in statistical software STATA
- Technical proposal presenting the detailed methodology of the assignment along with tentative timeline
- Demonstrated knowledge of Price Inflation computations, including, CPI, WPI, and SPI. This can be reflected through published research in credible reports and journals.
- Demonstrated experience of conducting trainings on price inflation. Experience of conducting trainings with the government will be an added advantage.

D. DOCUMENTS TO BE INCLUDED WHEN SUBMITTING THE PROPOSALS.

Interested individual consultants must submit the following documents/information to demonstrate their qualifications:

- Duly accomplished **Letter of Confirmation of Interest and Availability** using the template provided by UNDP;
- Personal CV** indicating all experience from similar projects, as well as the contact details (email and telephone number) and at least three (3) professional references;
- Brief description** of why the IC considers himself/herself as the most suitable candidate for the assignment, and a methodology, on how he/she will complete the assignment.
- Financial Proposal** that indicates the all-inclusive fixed total contract price for the assignment.

E. EXPECTED PERIOD OF CONSULTANCY

Duration of the Work:

- a) 60 working days effective from the date of the signing of the contract spread over a period of 3 months.

Duty Station:

The Contractor's duty station for the contract duration is Home-based/Lahore.

Please note that in case of travel outside duty station, the travel cost shall be paid by UNDP on actual basis and may not be incorporated in the financial proposal.

All travel costs anticipated/ planned as per the TORs should be incorporated in the financial proposal along with breakdown of each location.

F. FINANCIAL PROPOSAL

Lump sum contracts

- a) All proposals must be expressed on lumpsum basis. Use the breakdown table to provide your cost breakdown.
- b) Proposals must be in the local currency i.e. PKR
- c) **Provide evidence/proof of your consultancy rate as well.**

G. EVALUATION

The Individual consultant(s) will be evaluated based on the following methodologies:
Cumulative analysis. The award of the contract should be made to the individual consultant whose offer has been evaluated and determined as:

- a) Responsive/compliant/ acceptable, against the qualification criteria (YES/NO) mentioned below:
- b) Having received the highest score out of a pre-determined set of weighted technical and financial criteria specific to the solicitation.
- Technical Criteria weight; [70%]
 - Financial Criteria weight; [30%]

The candidates who meet the requirements mentioned in Qualification criteria will be considered for technical evaluation. Only candidates obtaining a minimum of 70% (49 out of 70) points would be considered for the financial evaluation.

Criteria	Weight	Max points
Qualification Criteria		
The candidate should possess at least a Master's degree in Economics, Statistics, Data Analytics, or a related field from a well-reputed university.	Yes/No	
At least 10 years of prior experience of conducting trainings in statistical software STATA.	Yes/No	

Technical Competencies	70	
Technical proposal presenting the detailed methodology of the assignment along with tentative timeline.	40	
Demonstrated knowledge of Price Inflation computations, including, CPI, WPI, and SPI. This can be reflected through published research in credible reports and journals.	15	
Demonstrated experience of conducting trainings on price inflation. Experience of conducting trainings with the government will be an added advantage.	15	
<u>Financial (Lower Offer/Offer*100)</u>	30	
<u>Total Score</u>	<i>Technical score 70 + 30 Financial</i>	

Weight per Technical Competence	
Weak: Below 70%	The individual consultant has demonstrated a WEAK capacity for the analyzed competence
Satisfactory: 70-75%	The individual consultant has demonstrated a SATISFACTORY capacity for the analyzed competence
Good: 76-85%	The individual consultant has demonstrated a GOOD capacity for the analyzed competence
Very Good: 86-95%	The individual consultant has demonstrated a VERY GOOD capacity for the analyzed competence
Outstanding: 96-100%	The individual consultant has demonstrated an OUTSTANDING capacity for the analyzed competence

Note: UNDP is committed to achieving workforce diversity in terms of gender, nationality and culture. Individuals from minority groups, indigenous groups and persons with disabilities are equally encouraged to apply. All applications will be treated with the strictest confidence.

ANNEX

ANNEX I - TERMS OF REFERENCES (TOR)

ANNEX II- INDIVIDUAL CONSULTANT GENERAL TERMS AND CONDITIONS

ANNEX III- PROPOSAL SUBMISSION FORM

ANNEX IV- CONFIRMING INTEREST AND AVAILABILITY

ANNEX V- FINANCIAL PROPOSAL

ANNEX VI- Statement of Health

Your submission should also include Detail CV including assignments completed, years of experience and detailed TORs under each job.

Terms of Reference (ToRs)
Capacity Building of Punjab Bureau of Statistics staff on Price Inflation
(Individual Consultant)

A. Project Title: Mainstreaming, Acceleration and Policy Support for SDGs in Punjab

B. Background

In pursuance to United Nation's General Assembly Resolution on Agenda 2030, National Assembly of Pakistan passed a resolution declaring Sustainable Development Goals (SDGs) as National Goals for Pakistan in February 2016. As part of Pakistan's institutional arrangements under the "National Initiative on SDG", Planning & Development Board, Government of the Punjab established Punjab SDGs Support Unit in June 2016.

In the light of the lessons learned from MDGs era, the government of Punjab under the National initiative on Sustainable Development Goals (SDGs) established Punjab SDGs Project at Planning & Development Department (P&DD) in collaboration with United Nations Development Programme (UNDP). The overall purpose of SDGs Project is to support provincial government and line departments for mainstreaming SDGs at provincial and district level—integrating different dimensions of SDGs into planning and budgeting processes.

C. Rationale and Objective

The role and the capacities of national and sub-national statistical systems are crucial for effective monitoring and reporting of 2030 Agenda on SDGs across social, economic and environmental dimensions of sustainable development. The era of MDGs in Pakistan witnessed weak statistical capacities at the national and sub-national level for timely collection, analysis and reporting on MDGs indicators. That is why for many of MDGs indicators, despite allocating resources, Pakistan could not measure the progress. This shows a lack of the statistical capacities for which a thorough review of statistical capacities is needed to ensure timely collection of reliable data on SDGs indicators to provide effective monitoring, reporting and performance management.

The 2030 Agenda on SDGs due to its ambitious nature, put a lot of burden on statistical capacities of the national as well as provincial governments to report on indicators. The Bureau of Statistics (BoS), Punjab is the key provincial statistical organization responsible for conducting large scale surveys across Punjab, collecting and analyzing data, and publishing reports. While the BoS, Punjab reports on some SDGs indicators for the province, out of the 161 SDGs indicators relevant to Punjab data exists for 103 indicators. It is, therefore, crucial to build the statistical capacities of the BoS, Punjab for efficient and effective data collection on SDGs indicators. One such important training need is on provincial level price inflation which has cross-cutting impact on several SDGs goals, targets and indicators through its effect on the economy. It impacts several targets of Goal 1 (No Poverty), namely, Target 1.1 on absolute poverty as inflation pushes people clustered around the poverty line into poverty, Target 1.2 on halving the proportion of population living in poverty in all its dimensions since inflation impacts the standard of living of the people, and Target 1.3 on coverage of social protection systems since the real value of any cash transfer made to the target group is diminished as a result of inflation. It also impacts several targets of Goal 2, namely, Target 2.2 which aims to end all forms of

malnutrition through its impact on food inflation which reduces the access of the poor to nutritious food, and Target 2.3 which aims to double the income of small-scale food producer as inflation diminishes the real value of income of the people.

Therefore, measuring inflation at the provincial level is of paramount importance since inflation provides important insight on the state of the economy. Stable inflation is an integral component of sound macro-economic policies. The rising food prices have pushed up inflation not only in Pakistan but across the region.¹¹ The link between growth and inflation is well documented phenomena. High inflation effects the poor more than the rich, while low inflation can have negative impact on growth.

Various parameters are used to measures inflation like Consumer Price Index (CPI), Wholesale Price Index (WPI) and Sensitive Price Index (SPI).¹² The CPI measures the average change in prices over time that consumers pay for a basket of goods and services. Changes in the CPI are used to assess price changes associated with the cost of living.¹³ The WPI measures and tracks the changes in the prices of goods in the stages before the retail level. It refers to goods that are sold in bulk and traded between entities or businesses.¹⁴ The SPI is a weekly inflationary indicator that measures the change in the cost of fixed basket of goods and services purchased by the households in the country.¹⁵

CPI measures the rate of price inflation as experienced and perceived by households in their role as consumers. It is also widely used as a proxy for a general index of inflation for the economy as a whole, partly because of the frequency and timeliness with which it is produced. It has become a key statistic for purposes of economic policy-making. It is often specified in legislation and in a wide variety of private contracts as the appropriate measure of inflation for the purposes of adjusting payments (such as wages, rents, interest and social security benefits) for the effects of inflation. It can therefore have substantial and wide-ranging financial implications for governments and businesses, as well as for households.¹⁶

WPI is an important measure to monitor the dynamic movement of prices at the wholesale level. In the real world, prices keep on changing. WPI acts as a deflator of various nominal macroeconomic variables including Gross Domestic Product (GDP). The WPI based inflation estimates serve as an important determinant, in formulation of trade, fiscal and other economic policies by the Government. WPI is used for the purpose of escalation clauses in the supply of raw materials, machinery and construction work. Business firms in search of effective methods for coping with changes in prices often employ price adjustment (escalation) clauses in long-term sales and purchase contracts.¹⁷

Given the importance of inflation as an economic indicator and its cross-cutting impact on the SDGs, the Punjab SDGs Unit aims to build the capacity of the BoS, Punjab in computing provincial level inflation. Provincial level statistics like inflation and GDP computations will further facilitate in computing SDG indicators at the provincial level and in localizing of SDG Agenda.

Therefore, the Punjab SDGs Unit intends to hire the services of a consultant experienced in the computations of price inflation at the provincial level to build the capacity of the BoS, Punjab officers.

D. Scope of Work

The objective of this consultancy is to build the capacity of BoS, Punjab to measure inflation at the provincial level using the statistical software STATA, supplemented with a strong theoretical background into the components of these price indices. The consultant will focus on the theoretical background of price statistics, selection of baskets of goods, cities selection, weight computations and the use of STATA to measure these price statistics.

The detailed steps in the training include the following:

Phase-I Pre-learning assessment/ Literature Review

- Review of background documents related to the BoS, Punjab to understand the data collection, monitoring and analyses processes followed currently to conduct inflation computations. Review the price inflation computations and process followed by Pakistan Bureau of Statistics to understand the data collection, computations, and monitoring and analyses processes conducted at the Federal level. Based on this preliminary review, the trainer will design a comprehensive training needs assessment document for discussion, review, and approval.

Phase-II Training Needs Assessment

- The trainer will conduct the training needs assessment of the officers of BoS, Punjab. For the purpose of conducting the training needs assessment, the consultant will conduct in-person interviews with key statistical officers of the BoS, Punjab. During these interviews, the consultant will determine their specific training needs.
- As a part of the training needs assessment, the trainer will design the proposed contents of training (divided into day-wise training schedule) and submit for review and approval

Phase-III Training Material Development

- The trainer shall design all the training material and submit in hard and soft copy for review and approval. The trainer will specifically train the participants on the following points, including but not limited to:

Consumer Price Index (CPI)

The Consultant will provide an introduction to, and overview of, the theoretical background and importance of CPI; relevant theory, basic concepts and definitions, purpose of CPI, process for the selection of a basket of goods; salient features of elementary aggregates, their selection criteria, construction and weights; calculation of elementary price indices including frequency of price collection, and handling missing price indices; sampling procedure and survey method used to collect and process the price data; adjusting for quality change; item substitution, sample space and new products; derivation of weights;

errors and biases; and computation of the index using statistical software STATA as well as its publication and dissemination of statistics.¹⁸

Wholesale Price Index (WPI):

The training will entail detailed description on the theoretical background and importance of WPI; salient features and selection criteria of items of baskets; coverage of cities and markets; methods of derivation of weights; methodology of data collection; sampling procedure and survey method used to collect and process the price data, frequency of price collection; errors and biases, and computation of WPI using statistical software STATA, as well as its publication and dissemination of statistics. Other factors including data management, and procedure for estimation of non-response and data substitution etc. may be discussed.¹⁹

Sensitive Price Index

The Sensitive Price Index measures price changes of essential items on weekly basis. It is computed on weekly basis to assess the price movements of essential items at shorter interval of time so as to review the current price situation in the country. In Pakistan, the SPI comprises of 51 necessary commodities which are being collected from 50 markets in 17 cities of the country.²⁰

The training will entail detailed description on the theoretical background and importance of SPI; salient features and selection criteria of items of baskets; coverage of cities and markets; sampling procedure and survey method used to collect and process the price data, methods of derivation of weights; frequency of price collection and computation of SPI using statistical software STATA as well as its publication and dissemination of statistics.

Phase-IV Training Exercise

- The trainer will organize a training sessions comprising of five days. The number of participants in this training session will be determined based upon the nominations received from BoS, Punjab.
- The trainer will provide training material to all the training participants including the printed training material
- The trainer will ensure that all participants submit the assigned training exercises and provide a report of their learning curve including the pre- and post-training assessment
- The trainer will design training certificate as per the approved format of the UNDP and provide printed & signed certificates to training participants upon successful completion of the training

F. Institutional Arrangements

The consultant will be reporting to Project Manager, SDG Support Unit and Assistant Resident Representative, Development Policy Unit, UNDP. The consultant will work in close coordination with DG Punjab BoS and other staff members of Punjab SDGs Unit. Punjab SDGs Unit will provide technical, logistical and coordination support. All reports/documents/progress update will be submitted to the Project Manager, Punjab SDG Unit and UNDP, as per agreed timeframe against the deliverables.

G. Duration of the Assignment: 60 working days (spread over three Months)

H. Duty Station: Lahore

INDIVIDUAL CONSULTANT GENERAL TERMS AND CONDITIONS

GENERAL CONDITIONS OF CONTRACT FOR THE SERVICES OF INDIVIDUAL CONTRACTORS

1. LEGAL STATUS: The Individual contractor shall have the legal status of an independent contractor vis-à-vis the United Nations Development Programme (UNDP), and shall not be regarded, for any purposes, as being either a “staff member” of UNDP, under the UN’ Staff Regulations and Rules, or an “official” of UNDP, for purposes of the Convention on the Privileges and Immunities of the United Nations, adopted by the General Assembly of the United Nations on 13 February 1946. Accordingly, nothing within or relating to the Contract shall establish the relationship of employer and employee, or of principal and agent, between UNDP and the Individual contractor. The officials, representatives, employees or subcontractors of UNDP and of the Individual contractor, if any, shall not be considered in any respect as being the employees or agents of the other, and UNDP and the Individual contractor shall be solely responsible for all claims arising out of or relating to its engagement of such persons or entities.

2. STANDARDS OF CONDUCT: In General: The Individual contractor shall neither seek nor accept instructions from any authority external to UNDP in connection with the performance of its obligations under the Contract. Should any authority external to UNDP seek to impose any instructions on the Contract regarding the Individual contractor’s performance under the Contract, the Individual contractor shall promptly notify UNDP and shall provide all reasonable assistance required by UNDP. The Individual contractor shall not take any action in respect of its performance of the Contract or otherwise related to its obligations under the Contract that may adversely affect the interests of UNDP, and the Individual contractor shall perform its obligations under the Contract with the fullest regard to the interests of UNDP. The Individual contractor warrants that it has not and shall not offer any direct or indirect benefit arising from or related to the performance of the Contract or the award thereof to any representative, official, employee or other agent of UNDP. The Individual contractor shall comply with all laws, ordinances, rules and regulations bearing upon the performance of its obligations under the Contract. In the performance of the Contract the Individual contractor shall comply with the standards of conduct set in the Secretary General’s Bulletin ST/SGB/2002/9 of 18 June 2002, entitled “Regulations Governing the Status, Basic Rights and Duties of Officials other than Secretariat Officials, and Expert on Mission”. The individual contractor must comply with all Security Directives issued by UNDP. Failure to comply with such security directives is grounds for termination of the Individual contractor for cause.

Prohibition of Sexual Exploitation and Abuse: In the performance of the Contract, the Individual contractor shall comply with the standards of conduct set forth in the Secretary-General's bulletin ST/SGB/2003/13 of 9 October 2003, concerning "Special measures for protection from sexual exploitation and sexual abuse". In particular, the Individual contractor shall not engage in any conduct that would constitute sexual exploitation or sexual abuse, as defined in that bulletin.

The Individual contractor acknowledges and agrees that any breach of any of the provisions hereof shall constitute a breach of an essential term of the Contract, and, in addition to any other legal rights or remedies available to any person, shall give rise to grounds for termination of the Contract. In addition, nothing herein shall limit the right of UNDP to refer any alleged breach of the foregoing standards of conduct to the relevant national authorities for appropriate legal action.

3. TITLE RIGHTS, COPYRIGHTS, PATENTS AND OTHER PROPRIETARY RIGHTS: Title to any equipment and supplies that may be furnished by UNDP to the Individual contractor for the performance of any obligations under the Contract shall rest with UNDP, and any such equipment shall be returned to UNDP at the conclusion of the Contract or when no longer needed by the Individual contractor. Such equipment, when returned to UNDP, shall be in the same condition as when delivered to the Individual contractor, subject to normal wear and tear, and the Individual contractor shall be liable to compensate UNDP for any damage or degradation of the equipment that is beyond normal wear and tear.

UNDP shall be entitled to all intellectual property and other proprietary rights, including, but not limited to, patents, copyrights and trademarks, with regard to products, processes, inventions, ideas, know-how or documents and other materials which the Individual contractor has developed for UNDP under the Contract and which bear a direct relation to or are produced or prepared or collected in consequence of, or during the course of, the performance of the Contract, and the Individual contractor acknowledges and agrees that such products, documents and other materials constitute works made for hire for UNDP. However, to the extent that any such intellectual property or other proprietary rights consist of any intellectual property or other proprietary rights of the Individual contractor: (a) that pre-existed the performance by the Individual contractor of its obligations under the Contract, or (b) that the Individual contractor may develop or acquire, or may have developed or acquired, independently of the performance of its obligations under the Contract, UNDP does not and shall not claim any ownership interest thereto, and the Individual contractor grants to UNDP a perpetual licence to use such intellectual property or other proprietary right solely for the purposes of and in accordance with the requirements of the Contract. At the request of UNDP, the Individual contractor shall take all necessary steps, execute all necessary documents and generally assist in securing such proprietary rights and transferring or licensing them to UNDP in compliance with the requirements of the applicable law and of the Contract. Subject to the foregoing provisions, all maps, drawings, photographs, mosaics, plans, reports, estimates, recommendations, documents and all other data compiled by or received by the Individual contractor under the Contract shall be the property of UNDP, shall be made available for use or inspection by UNDP at reasonable times and in reasonable places, shall be treated as confidential and shall be delivered only to UNDP authorized officials on completion of work under the Contract

4. CONFIDENTIAL NATURE OF DOCUMENTS AND INFORMATION: Information and data that are considered proprietary by either UNDP or the Individual contractor or that are delivered or disclosed by one of them ("Discloser") to the other ("Recipient") during the course of performance of the Contract, and that are designated as confidential ("Information"), shall be held in confidence and shall be handled as follows. The Recipient of such Information shall use the same care and discretion to avoid disclosure, publication or dissemination of the Discloser's Information as it uses with its own similar information that it does not wish to disclose, publish or disseminate, and the Recipient may otherwise use the Discloser's Information solely for the purpose for which it was disclosed. The Recipient may disclose confidential Information to any other party with the Discloser's prior written consent, as well as to the Recipient's employees, officials, representatives and agents who have a need to know such confidential Information solely for purposes of performing obligations under the Contract. Subject to and without any waiver of the privileges and immunities of UNDP, the Individual contractor may disclose Information to the extent required by law, *provided that* the Individual

contractor will give UNDP sufficient prior notice of a request for the disclosure of Information in order to allow UNDP to have a reasonable opportunity to take protective measures or such other action as may be appropriate before any such disclosure is made. UNDP may disclose Information to the extent as required pursuant to the Charter of the United Nations, resolutions or regulations of the General Assembly or its other governing bodies, or rules promulgated by the Secretary-General. The Recipient shall not be precluded from disclosing Information that is obtained by the Recipient from a third party without restriction, is disclosed by the Discloser to a third party without any obligation of confidentiality, is previously known by the Recipient, or at any time is developed by the Recipient completely independently of any disclosures hereunder. These obligations and restrictions of confidentiality shall be effective during the term of the Contract, including any extension thereof, and, unless otherwise provided in the Contract, shall remain effective following any termination of the Contract.

5. TRAVEL, MEDICAL CLEARANCE AND SERVICE INCURRED DEATH, INJURY OR ILLNESS: If the Individual contractor is required by UNDP to travel beyond commuting distance from the Individual contractor's usual place of residence, and upon prior written agreement, such travel shall be at the expense of UNDP. Such travel shall be at economy care when by air.

UNDP may require the Individual contractor to submit a Statement of Good Health from a recognized physician prior to commencement of work in any offices or premises of UNDP or before engaging in any travel required by UNDP or connected with the performance of the Contract. The Individual contractor shall provide such a Statement of Good Health as soon as practicable following such request, and prior to engaging in any such travel, and the Individual contractor warrants the accuracy of any such Statement, including, but not limited to, confirmation that the Individual contractor has been fully informed regarding the requirements for inoculations for the country or countries to which travel may be authorized.

In the event of the death, injury or illness of the Individual contractor which is attributable to the performance of services on behalf of UNDP under the terms of the Contract while the Individual contractor is traveling at UNDP expense or is performing any services under the Contract in any offices or premises of UNDP, the Individual contractor or the Individual contractor's dependants, as appropriate, shall be entitled to compensation equivalent to that provided under the UNDP insurance policy, available upon request.

6. PROHIBITION ON ASSIGNMENT; MODIFICATIONS: The Individual contractor may not assign, delegate, transfer, pledge or make any other disposition of the Contract, of any part thereof, or of any of the rights, claims or obligations under the Contract except with the prior written authorization of UNDP, and any attempt to do so shall be null and void. The terms or conditions of any supplemental undertakings, licences or other forms of Contract concerning any goods or services to be provided under the Contract shall not be valid and enforceable against UNDP nor in any way shall constitute an Contract by UNDP thereto, unless any such undertakings, licences or other forms of Contract are the subject of a valid written undertaking by UNDP. No modification or change in the Contract shall be valid and enforceable against UNDP unless provided by means of a valid written amendment to the Contract signed by the Individual contractor and an authorized official or appropriate contracting authority of UNDP.

7. SUBCONTRACTORS: In the event that the Individual contractor requires the services of subcontractors to perform any obligations under the Contract, the Individual contractor shall obtain the prior written approval of UNDP for any such subcontractors. UNDP may, in its sole discretion, reject any proposed subcontractor or require such subcontractor's removal without having to give any justification therefore, and such rejection shall not entitle the Individual contractor to claim any delays in the performance, or to assert any excuses for the non-performance, of any of its obligations under the Contract. The Individual contractor shall be solely responsible for all services and obligations performed by its subcontractors. The terms of any subcontract shall be subject to, and shall be construed in a manner that is fully in accordance with, all of the terms and conditions of the Contract.

8. USE OF NAME, EMBLEM OR OFFICIAL SEAL OF THE UNITED NATIONS: The Individual contractor shall not advertise or otherwise make public for purposes of commercial advantage or goodwill that it has a contractual relationship with UNDP, nor shall the Individual contractor, in any manner

whatsoever, use the name, emblem or official seal of UNDP, or any abbreviation of the name of UNDP, in connection with its business or otherwise without the written permission of UNDP.

9. INDEMNIFICATION: The Individual contractor shall indemnify, defend, and hold and save harmless UNDP, and its officials, agents and employees, from and against all suits, proceedings, claims, demands, losses and liability of any kind or nature, including, but not limited to, all litigation costs and expenses, attorney's fees, settlement payments and damages, based on, arising from, or relating to: (a) allegations or claims that the use by UNDP of any patented device, any copyrighted material or any other goods or services provided to UNDP for its use under the terms of the Contract, in whole or in part, separately or in combination, constitutes an infringement of any patent, copyright, trademark or other intellectual property right of any third party; or (b) any acts or omissions of the Individual contractor, or of any subcontractor or anyone directly or indirectly employed by them in the performance of the Contract, which give rise to legal liability to anyone not a party to the Contract, including, without limitation, claims and liability in the nature of a claim for workers' compensation.

10. INSURANCE: The Individual contractor shall pay UNDP promptly for all loss, destruction or damage to the property of UNDP caused by the Individual contractor, or of any subcontractor, or anyone directly or indirectly employed by them in the performance of the Contract. The Individual contractor shall be solely responsible for taking out and for maintaining adequate insurance required to meet any of its obligations under the Contract, as well as for arranging, at the Individual contractor's sole expense, such life, health and other forms of insurance as the Individual contractor may consider to be appropriate to cover the period during which the Individual contractor provides services under the Contract. The Individual contractor acknowledges and agrees that none of the insurance arrangements the Individual contractor may make shall, in any way, be construed to limit the Individual contractor's liability arising under or relating to the Contract.

11. ENCUMBRANCES AND LIENS: The Individual contractor shall not cause or permit any lien, attachment or other encumbrance by any person to be placed on file or to remain on file in any public office or on file with UNDP against any monies due to the Individual contractor or to become due for any work done or against any goods supplied or materials furnished under the Contract, or by reason of any other claim or demand against the Individual contractor.

12. FORCE MAJEURE; OTHER CHANGES IN CONDITIONS: In the event of and as soon as possible after the occurrence of any cause constituting *force majeure*, the Individual contractor shall give notice and full particulars in writing to UNDP of such occurrence or cause if the Individual contractor is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under the Contract. The Individual contractor shall also notify UNDP of any other changes in conditions or the occurrence of any event, which interferes or threatens to interfere with its performance of the Contract. Not more than fifteen (15) days following the provision of such notice of *force majeure* or other changes in conditions or occurrence, the Individual contractor shall also submit a statement to UNDP of estimated expenditures that will likely be incurred for the duration of the change in conditions or the event. On receipt of the notice or notices required hereunder, UNDP shall take such action as it considers, in its sole discretion, to be appropriate or necessary in the circumstances, including the granting to the Individual contractor of a reasonable extension of time in which to perform any obligations under the Contract.

In the event of and as soon as possible after the occurrence of any cause constituting *force majeure*, the Individual contractor shall give notice and full particulars in writing to UNDP of such occurrence or cause if the Individual contractor is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under the Contract. The Individual contractor shall also notify UNDP of any other changes in conditions or the occurrence of any event, which interferes or threatens to interfere with its performance of the Contract. Not more than fifteen (15) days following the provision of such notice of *force majeure* or other changes in conditions or occurrence, the Individual contractor shall also submit a statement to UNDP of estimated expenditures that will likely be incurred for the duration of the change in conditions or the event. On receipt of the notice or notices required hereunder, UNDP shall take such action as it considers, in its sole discretion, to be appropriate or necessary in the circumstances, including the granting to the Individual contractor of a reasonable extension of time in which to perform any obligations under the Contract.

Force majeure as used herein means any unforeseeable and irresistible act of nature, any act of war (whether declared or not), invasion, revolution, insurrection, or any other acts of a similar nature or force, *provided that* such acts arise from causes beyond the control and without the fault or negligence of the Individual contractor. The Individual contractor acknowledges and agrees that, with respect to any obligations under the Contract that the Individual contractor must perform in or for any areas in which UNDP is engaged in, preparing to engage in, or disengaging from any peacekeeping, humanitarian or similar operations, any delay or failure to perform such obligations arising from or relating to harsh conditions within such areas or to any incidents of civil unrest occurring in such areas shall not, in and of itself, constitute *force majeure* under the Contract

13. TERMINATION: Either party may terminate the Contract, in whole or in part, upon giving written notice to the other party. The period of notice shall be five (5) days in the case of Contracts for a total period of less than two (2) months and fourteen (14) days in the case of contracts for a longer period. The initiation of conciliation or arbitral proceedings, as provided below, shall not be deemed to be a "cause" for or otherwise to be in itself a termination of the Contract. UNDP may, without prejudice to any other right or remedy available to it, terminate the Contract forthwith in the event that: (a) the Individual contractor is adjudged bankrupt, or is liquidated, or becomes insolvent, applies for moratorium or stay on any payment or repayment obligations, or applies to be declared insolvent; (b) the Individual contractor is granted a moratorium or a stay or is declared insolvent; the Individual contractor makes an assignment for the benefit of one or more of its creditors; (c) a Receiver is appointed on account of the insolvency of the Individual contractor ; (d) the Individual contractor offers a settlement in lieu of bankruptcy or receivership; or (e) UNDP reasonably determines that the Individual contractor has become subject to a materially adverse change in its financial condition that threatens to endanger or otherwise substantially affect the ability of the Individual contractor to perform any of its obligations under the Contract.

In the event of any termination of the Contract, upon receipt of notice of termination by UNDP, the Individual contractor shall, except as may be directed by UNDP in the notice of termination or otherwise in writing: (a) take immediate steps to bring the performance of any obligations under the Contract to a close in a prompt and orderly manner, and in doing so, reduce expenses to a minimum; (b) refrain from undertaking any further or additional commitments under the Contract as of and following the date of receipt of such notice; (c) deliver all completed or partially completed plans, drawings, information and other property that, if the Contract had been completed, would be required to be furnished to UNDP thereunder; (d) complete performance of the work not terminated; and (e) take any other action that may be necessary, or that UNDP may direct in writing, for the protection and preservation of any property, whether tangible or intangible, related to the Contract that is in the possession of the Individual contractor and in which UNDP has or may be reasonably expected to acquire an interest.

In the event of any termination of the Contract, UNDP shall only be liable to pay the Individual contractor compensation on a pro rata basis for no more than the actual amount of work performed to the satisfaction of UNDP in accordance with the requirements of the Contract. Additional costs incurred by UNDP resulting from the termination of the Contract by the Individual contractor may be withheld from any amount otherwise due to the Individual contractor from UNDP..

14. NON-EXCLUSIVITY: UNDP shall have no obligation respecting, and no limitations on, its right to obtain goods of the same kind, quality and quantity, or to obtain any services of the kind described in the Contract, from any other source at any time.

15. TAXATION: Article II, section 7, of the Convention on the Privileges and Immunities of the United Nations provides, *inter alia*, that the United Nations, including its subsidiary organs, is exempt from all direct taxes, except charges for public utility services, and is exempt from customs restrictions, duties and charges of a similar nature in respect of articles imported or exported for its official use. In the event any governmental authority refuses to recognize the exemptions of the United Nations from such taxes, restrictions, duties or charges, the Individual contractor shall immediately consult with UNDP to determine a mutually acceptable procedure. UNDP shall have no liability for taxes, duties or other similar charges payable by the Individual contractor in respect of any amounts paid to the

Individual contractor under this Contract, and the Individual contractor acknowledges that UNDP will not issue any statements of earnings to the Individual contractor in respect of any such payments.

16. AUDITS AND INVESTIGATIONS: Each invoice paid by UNDP shall be subject to a post-payment audit by auditors, whether internal or external, of UNDP or by other authorized and qualified agents of UNDP at any time during the term of the Contract and for a period of two (2) years following the expiration or prior termination of the Contract. UNDP shall be entitled to a refund from the Individual contractor for any amounts shown by such audits to have been paid by UNDP other than in accordance with the terms and conditions of the Contract.

The Individual contractor acknowledges and agrees that, from time to time, UNDP may conduct investigations relating to any aspect of the Contract or the award thereof, the obligations performed under the Contract, and the operations of the Individual contractor generally relating to performance of the Contract. The right of UNDP to conduct an investigation and the Individual contractor's obligation to comply with such an investigation shall not lapse upon expiration or prior termination of the Contract. The Individual contractor shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Individual contractor's obligation to make available its personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to UNDP access to the Individual contractor's premises at reasonable times and on reasonable conditions in connection with such access to the Individual contractor's personnel and relevant documentation. The Individual contractor shall require its agents, including, but not limited to, the Individual contractor's attorneys, accountants or other advisers, to reasonably cooperate with any inspections, post-payment audits or investigations carried out by UNDP hereunder.

17. SETTLEMENT OF DISPUTES:

AMICABLE SETTLEMENT: UNDP and the Individual contractor shall use their best efforts to amicably settle any dispute, controversy or claim arising out of the Contract or the breach, termination or invalidity thereof. Where the parties wish to seek such an amicable settlement through conciliation, the conciliation shall take place in accordance with the Conciliation Rules then obtaining of the United Nations Commission on International Trade Law ("UNCITRAL"), or according to such other procedure as may be agreed between the parties in writing.

ARBITRATION: Any dispute, controversy or claim between the parties arising out of the Contract, or the breach, termination, or invalidity thereof, unless settled amicably, as provided above, shall be referred by either of the parties to arbitration in accordance with the UNCITRAL Arbitration Rules then obtaining. The decisions of the arbitral tribunal shall be based on general principles of international commercial law. For all evidentiary questions, the arbitral tribunal shall be guided by the Supplementary Rules Governing the Presentation and Reception of Evidence in International Commercial Arbitration of the International Bar Association, 28 May 1983 edition. The arbitral tribunal shall be empowered to order the return or destruction of goods or any property, whether tangible or intangible, or of any confidential information provided under the Contract, order the termination of the Contract, or order that any other protective measures be taken with respect to the goods, services or any other property, whether tangible or intangible, or of any confidential information provided under the Contract, as appropriate, all in accordance with the authority of the arbitral tribunal pursuant to Article 26 ("Interim Measures of Protection") and Article 32 ("Form and Effect of the Award") of the UNCITRAL Arbitration Rules. The arbitral tribunal shall have no authority to award punitive damages. In addition, unless otherwise expressly provided in the Contract, the arbitral tribunal shall have no authority to award interest in excess of the London Inter-Bank Offered Rate ("LIBOR") then prevailing, and any such interest shall be simple interest only. The parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such dispute, controversy or claim.

18. LIMITATION ON ACTIONS: Except with respect to any indemnification obligations in Article 9, above, or as are otherwise set forth in the Contract, any arbitral proceedings in accordance with Article

17, above, arising out of the Contract must be commenced within three (3) years after the cause of action has accrued.

The Parties further acknowledge and agree that, for these purposes, a cause of action shall accrue when the breach actually occurs, or, in the case of latent defects, when the injured Party knew or should have known all of the essential elements of the cause of action, or in the case of a breach of warranty, when tender of delivery is made, except that, if a warranty extends to future performance of the goods or any process or system and the discovery of the breach consequently must await the time when such goods or other process or system is ready to perform in accordance with the requirements of the Contract, the cause of action accrues when such time of future performance actually begins,

19. **PRIVILEGES AND IMMUNITIES:** Nothing in or relating to the Contract shall be deemed a waiver, express or implied, of any of the privileges and immunities of the United Nations, including its subsidiary organs.

Proposal Submission form

Dear Sir/Madam,

Having examined the Solicitation Documents, the receipt of which is hereby duly acknowledged, I undersigned, offer to provide individual consulting services to UNDP Pakistan in accordance with the Price Schedule and TORs attached herewith and made part of this proposal.

I undertake, if my proposal is accepted, to commence and complete delivery of all services specified in the contract within the time frame stipulated.

I agree to abide by this proposal for a period of **90 days** from the date fixed for opening of proposal in the invitation for proposal, and it shall remain binding upon us and may be accepted at any time before the expiration of that period.

I understand that you are not bound to accept any proposal you may receive.

Dated: this -----day of -----2022

CONFIRMING INTEREST AND AVAILABILITY
FOR THE INDIVIDUAL CONTRACTOR (IC) ASSIGNMENT**

Date _____

Knut Ostby, Resident Representative
United Nations Development Programme
Islamabad

Dear Sir:

I hereby declare that:

- A) I have read, understood and hereby accept the Terms of Reference describing the duties and responsibilities of *[indicate title of assignment]* under the *[state project title]*;
- B) I have also read, understood and hereby accept UNDP's General Conditions of Contract for the Services of the Individual Contractors;
- C) I hereby propose my services and I confirm my interest in performing the assignment through the submission of my CV which I have duly signed and attached hereto as Annex 1;
- D) In compliance with the requirements of the Terms of Reference, I hereby confirm that I am available for the entire duration of the assignment, and I shall perform the services in the manner described in my proposed approach/methodology which I have attached hereto as Annex 3 *[delete this item if the TOR does not require submission of this document]*;
- E) I hereby propose to complete the services based on the following payment rate: *[please check the box corresponding to the preferred option]*:
 - ☐ An all-inclusive daily fee of *[state amount in words and in numbers indicating currency]*
 - ☐ A total lump sum of *[state amount in words and in numbers, indicating exact currency]*, payable in the manner described in the Terms of Reference.
- F) For your evaluation, the breakdown of the abovementioned all-inclusive amount is attached hereto as Annex 2;
- G) I recognize that the payment of the abovementioned amounts due to me shall be based on my delivery of outputs within the timeframe specified in the TOR, which shall be subject to UNDP's review, acceptance and payment certification procedures;
- H) This offer shall remain valid for a total period of _____ days *[minimum of 90 days]* after the submission deadline;
- I) I confirm that I have no first degree relative (mother, father, son, daughter, spouse/partner, brother or sister) currently employed with any UN agency or office *[disclose the name of the relative, the UN office employing the relative, and the relationship if, any such relationship exists]*;
- J) If I am selected for this assignment, I shall *[please check the appropriate box]*:

- ☐ Sign an Individual Contract with UNDP;
- ☐ Request my employer *[state name of company/organization/institution]* to sign with UNDP a Reimbursable Loan Agreement (RLA), for and on my behalf. The contact person and details of my employer for this purpose are as follows:

K) I hereby confirm that *[check all that applies]*:

- ☐ At the time of this submission, I have no active Individual Contract or any form of engagement with any Business Unit of UNDP;
- ☐ I am currently engaged with UNDP and/or other entities for the following work:

Assignment	Contract Type	UNDP Business Unit / Name of Institution/Company	Contract Duration	Contract Amount

- ☐ I am also anticipating conclusion of the following work from UNDP and/or other entities for which I have submitted a proposal:

Assignment	Contract Type	Name of Institution/ Company	Contract Duration	Contract Amount

- L) I fully understand and recognize that UNDP is not bound to accept this proposal, and I also understand and accept that I shall bear all costs associated with its preparation and submission and that UNDP will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the selection process.
- M) ***If you are a former staff member of the United Nations recently separated, please add this section to your letter:*** I hereby confirm that I have complied with the minimum break in service required before I can be eligible for an Individual Contract.
- N) I also fully understand that, if I am engaged as an Individual Contractor, I have no expectations nor entitlements whatsoever to be re-instated or re-employed as a staff member.

- O) Are any of your relatives employed by UNDP, any other UN organization or any other public international organization?

YES ☐ NO ☐ the answer is "yes", give the following information:

Name	Relationship	Name of International Organization

- P) Do you have any objections to our making enquiries of your present employer?

YES ☐ NO ☐

- Q) Are you now, or have you ever been a permanent civil servant in your government's employ?

YES ☐ NO ☐ If answer is "yes", WHEN?

- R) REFERENCES: List three persons, not related to you, who are familiar with your character and qualifications.

Full Name	Email Address	Business or Occupation

- S) Have you been arrested, indicted, or summoned into court as a defendant in a criminal proceeding, or convicted, fined or imprisoned for the violation of any law (excluding minor traffic violations)?

YES ☐ NO ☐ If "yes", give full particulars of each case in an attached statement.

I certify that the statements made by me in answer to the foregoing questions are true, complete and correct to the best of my knowledge and belief. I understand that any misrepresentation or material omission made on a Personal History form or other document requested by the Organization may result in the termination of the service contract or special services agreement without notice.
