ANNEX 1: SCHEDULE OF REQUIREMENTS

The Economic Development Board (EDB) of Mauritius, in partnership with the United Nations Development Programme (UNDP), has prepared the SDG Investor Map-Mauritius as part of efforts to attract private capital to areas of high impact on sustainable development. The map is a market intelligence tool that showcases marketable Investment Opportunity Areas (IOAs) in the country, which are aligned with national priorities and SDG needs. The map will be uploaded on the global investor map platform (https://sdginvestorplatform.undp.org/) and will be utilized by private investors, domestic and foreign, to identify business opportunities and forge partnerships with public and private sector actors.

Ahead of the launch scheduled for the first week of September 2022, UNDP is initiating the production of a 5-minute video to provide insights into the map, showcasing the strategic investment opportunities Mauritius has to offer. The video will be published on the EDB and UNDP Websites, and other social media platforms. The services of an audio-visual service provider (hereinafter, consultant) is thus requested to undertake the preproduction, production and post-production of this corporate video with the editorial support of the UNDP Socio-Economic Development Unit and Communication Team.
