No	Reference	Clarification	Response
RFP_ST022022_Case_Management_System_For_Justice_System			
1	Page 33, Reference to e-payments platform (ability to file and pay online, fee assignment, payment processing)	Please specify the exact payment systems available that should be integrated with the CMS in scope of this contract.	Not required on Cycle 1
2	Pages 28-29, Reference to e-Docketing-ability to view case docket online and integrate with e-Calendar	Please elaborate more on this requirement.	This requirement is related to the system's ability to allow the procedural subjects, lawyers and parties, to access the system online and to allow the exportation of appointments related to the procedural activity to personal agendas.
3	Page 39, Reference to Utilization requirements Allow for verification of accounts	Please elaborate more on this requirement. If any integration is required, please indicate the exact systems and also specify if respective APIs are available.	Considering that e-payment will not be implemented in cycle 1, this requirement will not be necessary.
4	Page 40, Reference to The ability to Export Calendar items	Please elaborate more on this requirement.	This requirement concerns the ability of the system to allow the export of system calendar appointments to the personal calendar.
5	Please provide the exact list of integrations that are in scope of this contract.		Public Prosecutor's Office - Central Section of the MP - Sections of DIAP (District of Água Grande); Judicial Court - Central Section / Trial Courts / Criminal Courts / Sentence Execution Judge (District of Água Grande); Prison Establishment (District of Água Grande).
