# Section 2. Instruction to Bidders

GENERAL PROVISIONS		
Introduction	1.1	Bidders shall adhere to all the requirements of this ITB, including any amendments made in writing by UNDP. This ITB is conducted in accordance with the UNDP Programme and Operations Policies and Procedures (POPP) on Contracts and Procurement which can be accessed at <u>https://popp.undp.org/SitePages/POPPBSUnit.aspx?TermID=254a9f96-b883-476a-8ef8-e81f93a2b38d</u>
	1.2	Any Bid submitted will be regarded as an offer by the Bidder and does not constitute or imply the acceptance of the Bid by UNDP. UNDP is under no obligation to award a contract to any Bidder as a result of this ITB.
	1.3	UNDP reserves the right to cancel the procurement process at any stage without any liability of any kind for UNDP, upon notice to the bidders or publication of cancellation notice on UNDP website.
	1.4	As part of the bid, it is desired that the Bidder registers at the United Nations Global Marketplace (UNGM) website ( <u>www.ungm.org</u> ). The Bidder may still submit a bid even if not registered with the UNGM. However, if the Bidder is selected for contract award, the Bidder must register on the UNGM prior to contract signature.
Fraud & Corruption, Gifts and Hospitality	1.5	UNDP strictly enforces a policy of zero tolerance on proscribed practices, including fraud, corruption, collusion, unethical or unprofessional practices, and obstruction of UNDP vendors and requires all bidders/vendors observe the highest standard of ethics during the procurement process and contract implementation. UNDP's Anti-Fraud Policy can be found at <a href="http://www.undp.org/content/undp/en/home/operations/accountability/audit/office_of_audit_andinvestigation.html#anti">http://www.undp.org/content/undp/en/home/operations/accountability/audit/office_of_audit_andinvestigation.html#anti</a>
	1.6	Bidders/vendors shall not offer gifts or hospitality of any kind to UNDP staff members including recreational trips to sporting or cultural events, theme parks or offers of holidays, transportation, or invitations to extravagant lunches or dinners.
	1.7	In pursuance of this policy, UNDP:
		(a) Shall reject a bid if it determines that the selected bidder has engaged in any corrupt or fraudulent practices in competing for the contract in question; (b) Shall declare a vendor ineligible, either indefinitely or for a stated period, to be awarded a contract if at any time it determines that the vendor has engaged in any corrupt or fraudulent practices in competing for, or in executing a UNDP contract.
	1.8	All Bidders must adhere to the UN Supplier Code of Conduct, which may be found at <u>http://www.un.org/depts/ptd/pdf/conduct_english.pdf</u>
Eligibility	1.9	A vendor should not be suspended, debarred, or otherwise identified as ineligible by any UN Organization or the World Bank Group or any other international Organization. Vendors are therefore required to disclose to UNDP whether they are subject to any sanction or temporary suspension imposed by

Without limitation on the generality of the above, Bidders, and any of their affiliates, shall be considered to have a conflict of interest with one or more parties in this solicitation process, if they:
		a) Are or have been associated in the past, with a firm or any of its affiliates which have been engaged by UNDP to provide services for the preparation of the design, specifications, Terms of Reference, cost analysis/estimation, and other documents to be used for the procurement of the goods and services in this selection process;
		b) Were involved in the preparation and/or design of the programme/project related to the goods and/or services requested under this ITB; or
		c) Are found to be in conflict for any other reason, as may be established by, or at the discretion of UNDP.
	1.12	In the event of any uncertainty in the interpretation of a potential conflict of interest, Bidders must disclose to UNDP, and seek UNDP's confirmation on whether or not such conflict exists.
	1.13	Similarly, the Bidders must disclose in their Bid their knowledge of the following:
		a) If the owners, part-owners, officers, directors, controlling shareholders, of the bidding entity or key personnel who are family members of UNDP staff involved in the procurement functions and/or the Government of the country or any Implementing Partner receiving goods and/or services under this ITB; and
		b) All other circumstances that could potentially lead to actual or perceived conflict of interest, collusion or unfair competition practices.
		Failure to disclose such an information may result in the rejection of the Bid or Bids affected by the non-disclosure.
	1.14	The eligibility of Bidders that are wholly or partly owned by the Government shall be subject to UNDP's further evaluation and review of various factors such as being registered, operated and managed as an independent business entity, the extent of Government ownership/share, receipt of subsidies, mandate and access to information in relation to this ITB, among others. # **Section 5:** Schedule of Requirements and Technical Specifications

The below table presents service delivery requirement criteria that will be used to technically evaluate each hotel/resort in order to screen the compliance with UNDP service requirement. While conducting this evaluation physical inspection may be conducted by UNDP evaluation team.

### - Requirements

The United Nations Development Programme Sierra Leone is looking for service providers for the provision of conference facilities; hotel accommodation and catering services in order to organize meetings in Freetown and, and others location in Sierra Leone. It is therefore important that UNDP identify strategic hotels and suppliers and engage them for the provision of conference facilities and hotel accommodation services through competitive bidding process.

In case there will be any workshops or trainings organized in Freetown, UNDP will primarily contract strategic hotels under Long term agreement without going through the procurement process each time. The strategic hotel will gain benefit from the volume of the services of UNDP and potentially by others UN agencies in Freetown, UNDP will authorize the other agencies to use this LTA under piggybacking process. This will be a win-win solution for both parties.
