
Minutes of the Pre-Bidding Meeting for ItB22/02491

EU4MD/ Construction of water supply network in Buzduganii de Jos village, Valea Mare commune, Ungheni district

as of 25 August 2022, 11:00,
Online via Zoom platform
<https://undp.zoom.us/j/82976620568>

Agenda:

- I. Presentation and description of procedures
- II. Questions and answers

I. Presentation and description of procedures

The Pre-bidding conference was opened by *Mr. Grigore Cernenchii, Procurement Coordinator EU4Moldova Programme*, who welcomed the participants and introduced the members of UNDP team present at the meeting.

He has made an overall presentation of the tender's conditions and requirements, specifically focusing on Sections 3, 4 and 6. While *Mr Vitalie Vieru, Project Officer/Infrastructure, EU4Moldova Programme*, made a presentation of Section 5. Scope of Works.

The **Section 3: Bid Data Sheet** conditions were highlighted as follows:

- The bid must be presented in English language, apart from documents that are issued or approved by the national authorities (e.g. Certificate of Business Registration, Financial Balance Sheets etc.);
- Incomplete bids or bids for parts of works are not accepted. The bid must be submitted for all the works required by the ITB. In case a bidder lacks experience for part of works, they may consider creating a consortium/association or subcontracting a specialized company for specific works. Bidders must ensure that the **limit for subcontracting is 30% out of the total bid price. If this limit will be exceeded, UNDP may reject the bid;**
- On 29 August 2022, 11:00 – 15:00 (Moldova time), interested bidders are encouraged to visit the site, so as to be able to prepare a complete and reliable all-inclusive bid;
- Bids must be valid for a period not shorter than 90 days. This is the period UNDP is obliged to take a decision and inform the bidders on the tender results. Bidders were encouraged to keep patience until an e-mail informing on the tender results will be sent;
- Bidding under this tender does require submitting a Bid Security in the amount of USD 5,183;
- Performance Security is required in the amount of 10% of the contract amount. The template for Bid Security is presented in Section 6, FORM H: Form for Performance Security of the solicitation document. Performance Security shall be provided by the selected bidder within (15) days upon issuance of letter of intent/contract and before issuance of the notice to proceed;
- Bids and priced BoQs must be submitted in US Dollars. Also, this will be the currency of the contract, performance and maintenance securities;
- Referring to the online submission via e-tendering platform, please, pay attention to the video

guides, that are available below the announcement. In case your browser does not visualize the videos below announcement, the links to video-instruction are also presented in the announcement. If following strictly the guidelines you will succeed. ;

In case, after registering into the e-tendering system, **you encounter problems in logging in** with your personal ID and password, as recommended in the video, try first clearing the browser history and cookies, and then try to log in again. If the problem persists, please write to grigore.cernenchii@undp.org and we will try to solve the issue;

In case you encounter problems in accessing some system buttons, please, try using another Internet browser. The Atlas e-Tendering System is designed for **Internet Explorer browser**;

In case you are not registered, you may access the system by using ID "event.guest" and password "why2change" in order to view the bidding event and the supporting documents, however, this will not allow you to bid, unless registered;

- All the clarifications must be submitted not later than 5 days before the tender deadline. In case your questions will be considered relevant for other bidders, the questions, with their respective answers (without disclosing the source of questions) may be published for the use by other bidders. By this the "Fairness, integrity and transparency" procurement principle is respected – all the bidders have access to the same information;
- In case of any updates, amendments or deadline extension the information will be made public on eTendering and websites: <https://sc.undp.md/viewtenders2/>, <http://procurement-notices.undp.org/>, <https://www.ungm.org/Public/Notice>.

Referring to **Section 4. Evaluation Criteria**, Grigore Cernenchii underlined that this section reflects the ELIGIBILITY and QUALIFICATION requirements to be met by the bidders. Mr. Cernenchii highlighted only few of them:

- Minimum 5 (five) years of experience in Road construction (Roads and airstrips; Bridges) contracts as Lead Company.
- Minimum 3 (three) finalized contracts implemented over the last 5 (five) years in a cumulative value of USD 500,000 (five hundred thousand) equivalent in the field of construction and landscaping works of similar value, nature and complexity. The value of at least 1 contract shall not be less than USD 200,000 equivalent. For JV/Consortium/Association, Lead Company should meet requirement.
- Minimum average annual turnover of USD 400,000 equivalent for the last 3 years. For JV/Consortium/Association, Lead Company should meet requirement.
- The minimum key personnel is mandatory:
 - one (1) certified water and sewage specialist;
 - one (1) certified foreman in the field of electrical installations and networks;
 - one (1) certified foreman in the field of civil works one.

For the key personnel the respective CV (as per template in Section 6, Form E) and professional attestation certificates, valid at the date of bid submission must be presented.

- Bidders must demonstrate their capacities to implement and commission all the works within the proposed timeframe.

Section 5a: Scope of Works was presented by Mr Vitalie Vieru, the Project Officer/Infrastructure, EU4Moldova Programme, who acknowledged that:

The content of works related to **“Construction of water supply network in Buzduganii de Jos village, Valea Mare commune, Ungheni district”** envisages the following types of works:

Building the new artesian well, water disinfection station and water tower with V=15m³, H=12m.

Execution compartments:

- - Water network. System tA1;
- - Drilling the well;
- - Artesian well TH+SAC;
- - Station for water disinfection with sodium hypochlorite. Building works, position 2;
- - Station for water disinfection with sodium hypochlorite. Technology, position 2;
- - Heating and ventilation;
- - Station for disinfection with sodium hypochlorite – Equipment;
- - Technical water tank position 3;
- - Water tower V=25 m³ H=12m Platform B;
- - Individual connections – 260 pieces;
- - Electricity supply;
- - Landscaping Platform A;
- - Landscaping Platform B.

Underground manholes equipped with fillets will be envisaged in all the nodes of the main aqueduct, the size being established based on the size of the component fittings.

Automated aeration taps shall be assembled in the manholes in the highest points of the drinking water supply.

The installation for water disinfection with sodium hypochlorite will be a cabin with the size (LxBxH): 3500x2400x2800 mm, where the chlorination system will be mounted: dosing pump with included accessories, electromagnetic flowmeter, controller and analyzer for chlorine with LCD display, tank for chemical for NaOCl.

Drinking water tower with the volume V=15 m³, H=12 m, will be placed on Platform B on the territory of Buzduganii de Jos locality.

Water supply and distribution networks will be made of PE100 SDR26 PN6 pipes with diameter 90mm, 75 mm, 63mm, 50mm, mounted in open ditch with no sand bedding. The pipes' joining method will be the electro-welding bushing or head-to-head welding.

The construction and landscaping works shall be carried out in line with the provisions of the project documentation No. 42-21 “Water supply network in Buzduganii de Jos village, Valea Mare commune, Ungheni district”, developed by the design company “HIDROPROIECT” SRL based on the Urbanism Certificate No. 10 of 23.06.2021.

The contract will cover the following activities:

- *procurement and delivery to the construction site of materials and services, which are necessary for performing successfully the works;*
- *preparing the construction site for storing materials and executing works;*

-
- *performing construction works and territory landscaping;*
 - *launching into operation the performed construction works, and carrying out performance tests (if needed).*

All the volumes are indicated in the BoQs attached to the ITB.

Section 5b was further presented by Mr. Cernenchii, who pointed out the followings:

- The contract is based on unit price, and the final price of the Contract will be determined on the basis of actual quantities of work and materials utilized in the complete and satisfactory performance of the Works. Satisfactory certification will be issued by the Engineer and the unit prices contained in the Contractor's financial proposal.
- **Bidders shall quote reasonable bid prices with an acceptable margin of deviation in comparison to the local market prices at the time of bids preparation. In case of unbalances pricing (i.e. despite an acceptable total evaluated price, the price of one of more BoQ line items is significantly over- or under-priced), UNDP have the right to reject the unbalanced bid if it determines that the lack of balance does pose an unacceptable risk to UNDP).**
- With regard to Final Completion of works and validity of Performance Security - UNDP will issue a certificate of final completion of works upon expiration of the Defects Liability Period. This period lasts 12 months and starts on the date the Certificate of Substantial Completion is issued by the UNDP Engineer. Performance Security shall be valid until a date - 30 days from the date of issue by UNDP of a certificate of final completion. It will be returned to the contractor within 30 days of final completion of the contract and after receipt of the maintenance guarantee, including any warranty obligation.

Bidders are encouraged to follow this template when presenting CV of the key personnel listed under Section 4. Evaluation Criteria. Please, ensure that the CV reflects not only incumbent's qualifications and experience, but also provides names and contact details of at least 2 reference persons. UNDP reserves the right to contact those persons into the purpose of due diligence exercise. Please, pay attention to the fact that CV's must be signed only by the referred persons and not bidder's director or administrator.

- **Form F** together with the priced BoQs will form Bidder's Financial Proposal. Both must be calculated in US dollars currency. According to contract provisions, **the unit prices are fixed and are not subject to any variation whatsoever** (currency fluctuation, increase of market prices, increase of any taxes etc.), that is why bidders are encouraged to rethink and include all the costs associated with any risks for the implementation of this contract. In case of deviations between unit prices submitted in the bid and those reported after works completion, UNDP will not accept such deviations and may terminate the contract immediately. When calculating prices in US\$, Bidders may use the exchange rate they think will cover all the costs associated with the contract implementation. **Bidders must not necessarily use the UN operational rate of exchange** (to check the UN operational rate of exchange (changes monthly), please, follow the link <https://treasury.un.org/operationalrates/OperationalRates.php>), **however, in this case, they must ensure that Form F clearly indicates the used exchange rate.**

Also, pay attention to the fact that the **financial proposal shall be VAT 0%**. The envisaged project is of technical assistance and falls under international treaties to which Moldova is a party and as a confirmation, the Contractor will be provided with confirming letter. This means that not only the contractor but also its subcontractors can benefit from the 0% VAT reduction for the services provided under this contract. At the same time, in case there are any imports envisaged under this contract, the supplier will bear the responsibility for customs clearance, however, within 24 hours period from written notification, UNDP will issue a letter confirming tax free and VAT 0% application for the imported goods.

- **Forms G, H and I** are templates for Bid, Performance and Advance Securities (Bank Guarantees). **Bidders are required to strictly follow these templates and do not allow banks to operate modifications in the text. In case any modification to the templates is requested by the bank, Bidders should address to Mr. Grigore Cernenchii at grigore.cernenchii@undp.org for advice if the required modification could be accepted by UNDP.**

II. Questions and answers

No questions were addressed.
