****collaboration with other CSOs**

What activities?

- Thematic focus: **advocacy and prevention** including socio-economic impact of COVID-19 on women and girls, on ending violence
- Examples:
 - Women's alliance/Coalition-building, internal reflection and learning, strategic planning, strengthening advocacy and prevention, building internal/institutional capacities, response planning and implementation.
 - Gender responsive programs, planning policies, tools development
 - Strengthening social accountability mechanisms, monitoring, reporting, coordination.
- Small grants **do not fund** direct service provision or operating costs that are not related to an activity or objective of the program.

Example #1

- Objective: to build strategic alliance/coalitions and capacities within civil society networks to mobilise partners to better advocate for women and girls

Activities:

- Secure trainers and facilitators to build capacities on topics of interest
- Establish communications and coordination platforms for coalition/alliance work
- Host coalition, alliance partners for development meetings, dialogue forums or events to promote gender equality and EVAWG during 16 Days of Activism etc

Example #2

- Objective: to develop and disseminate of good practice contextualized knowledge and learning products, tools on EVAWG.
 - Activities:
 - Trainings on physio social support and basic counseling for service providers on responding to survivors of VAWG.
 - Develop standard operating procedure for specific scenarios, like a COVID-19 lock down
 - Convene learning or trainings sessions on how to adapt counseling, hotlines, protection apps, health services, transportation, safe shelter to diversity of scenarios (remote, online, in-person, etc.)
