Renovation Common Premises Meeting Room 7th Floor at Menara Thamrin Building

Question:
On bidder’s conference we were unable to look inside the Nias Meeting Room due to the meeting room was unavailable. Herewith, would like to refer to RFQ Document, Page 14; BoQ no. 6 – White board wall adjustment for hiding sliding door in Nias Room. Can we get information on the size of the white board?

Answer:
We keep the existing wall of the white board in Nias room, we just need additional wall for reposition white board in front of the exist wall, so the sliding glass door position is between the walls.
